c coast. Mr. Randall, in reply, said that the tion. There have been some wonderful pending bill carried more appropria-tions for the Pacific coast than any this city. Several cases of pronounced similar bill for years past. He thought Consumption have been entirely cured

Mr. Syms thought the gentleman had better read his dictionary for the meaning of the word demagoguery. Dema-gogue, as defined by the best political writers of this country, was a man who was the pretended leader of a great party and whose only stock in trade was ability to go through appropriations with a cheese-paring third and, outting nesses gave a detailed account of the marked of the poor boy John Kae Good in the crime. Tails of a general lynch ing has subside, but indignation and unrest are intense. The subside, but indignation and unrest are intense.
