the holidays

"Well, you must learn that for your off. I can't say as to that

The reporter, not to be ballled, sought an introduction and learned from the young ladies own lips that they were going to return, and that they were very much pleased with Mr. Kinsey's man is desirous of a share of the Christmas agement of the school and his method of teaching. The reporter was specially pleased with the idea of uniforming

Recping to The Fire.

Our colored people are making arrangements to celebrate the 24th annicreary of the emancipation proclamanothing without the political factions time of the session after the holicoming to the front.

It was talked on the streets yesterday that at a meeting called by Nathan Styron on the 2d Wednesday night in December to take steps for the celebration, the Hahn crowd rallied their forces and declared that no Coalitionist should be allowed to take any prominent position in the celebration; a few solicit contributions, but the positions should not be pressed to considerate J. W. Grainger; Rep. to Grand Lodge, of bener were confined to the "straight-tion at the time in view of the feet." of honor were confined to the "straight- tion at this time, in view of the fact

o'clock. Money order and registry Berne and proceeded to make arrange- and proper to ask for its considera-Habu faction will consent to the arrancement remains to be seen.

> The spirit of these factions is often brought to the surface in our courts. It is sometimes deemed a cause for challenge in selecting jurous; if a llahn man is on trial a Stimson juror is challenged. Of course no Judge, as well as we remember, has ever held that this was ground for challenge, but the spirit exhibits itself just the same. It is a disgrace to the colored people, or rather shows their incapacity to properly exercise the elective franchise, but a colored minister in this city remarked

The secretary has sent to the House a communication from the surpervising architect calling attention to the advisability of making special appropriations of \$819,975 for repairs of public buildings. The largest of the items are \$199,000 for Chicago and \$169,500 for

New York buildings.

In his communication to the Secretary the Architect says: As it has been decided that payment for heating ap-paratus for new buildings cannot hereafter be made from the general appropriation for "heating, hoisting, and ventilating apparatus," it is necessary that appropriations, aggregating \$152;-500 should be made for that purpose.
