hands."

New Bern, Jan. 24, 1887.

A special meeting was held this eve-  
ning. Mayor Meadows in chair and  
Councilmen Williams, Hancock, Moore,  
Daniels and Crawford, present.

The Mayor stated that the meeting  
was called to take action in regard to  
the proposed amendment to city charter  
and special act in relation to Cedar  
Grove cemetery.

City attorney Manly being present,  
stated that it was desirable to amend  
section 19 of the Charter by substituting  
the word "or" for "and," and provide  
for imprisonment with or without  
labor, and also gave the draft of the  
act for the benefit of Cedar Grove cem-  
etry.

The amendment and the act were  
ratified by the board.

On motion the city attorney was  
requested to ascertain as soon as possible  
if there was any law empowering the  
city council to open new streets, and if  
not to draw up an act and report to a  
special meeting.

Minutes read and adopted.

capsized and two pilots were drowned.  
The steamer Arles, Capt. Winslow  
Lowland, from Fall River, for Philadel-  
phia, stranded about six miles north of

### Don't Experiment.

You cannot waste time in experi-  
menting when your lungs are in dan-  
ger. Consumption always seems, at  
first, only a cold. Do not permit any  
dealer to impose upon you with some  
cheap imitation of Dr. King's New Dis-  
covery for Consumption, Coughs and  
Colds, but be sure you get the genuine.  
Because he can make more profit he  
may tell you he has something just as  
good, or just the same. Don't be de-  
ceived, but insist upon getting Dr.  
King's New Discovery, which is guar-  
anteed to give relief in all Throat, Lung  
and Chest affections. Trial bottles free  
at R. N. DUFFY'S drug store.
