We note with pleasure the election of Mr. James Thomas as a member of the "American Institute of Civics." This corporation is designed to promote and diffuse a knowledge of civics, a term which includes civil polity, law, ethics and economics. This is the kind of knowledge which is necessary and calculated and intended to fit men for the discharge of the high and responsible duties of American citizenship. We congratulate Mr. Thomas on his election "in recognition of proficiency in undergraduate studies relative to civics."

The weather is beautiful and spring-like, after several days of wintry cold. Neuse river is on another "bust." The shad have a good chance to go by. Mayor Dillon gives notice to delinquent town tax-payers to cash up and save costs.

We hear that Dempsey Wood was quite sick last week. He was reported better Sunday.

Miss Lillian Dillon of Peace Institute, Raleigh, is visiting her father, H. E. Dillon of our town.

We learn that Mrs. Josiah Sugg, of Green county, contemplates locating in our place at an early day.

C. W. Joyner left here Monday, it is rumored, for Washington City, and from there to Garden City, Kansas.

It is said that "Idleness is the parent of mischief." Never be idle; when you have no business of your own, attend to some one else's.

Our town is about as near clear of coal as it is pleasant. If the severe weather had continued a few days longer, we would have frozen out.

The athletic games at Davis School on the 14th and 15th is expected to be interesting and well attended. Can't the JOURNAL editor come up?

We made a trip in the country a few days ago, and was pleased with the appearance of the farms and the advanced condition of the work. The spring has been cold and backward and still many farmers are through planting corn and have considerable work done in the cotton lands. We noticed the improved condition of the old "fence rows," where once stood in many places old fences, briars, bushes, etc. These have been removed and crops planted where they were. This we think an improvement; it certainly looks better. We suppose, from our limited observation, that there will be but little if any change in the proportion of cotton planted this year from last year. In fact the section through which we passed (Buckleberry) is one in which nearly every farmer makes it a rule to raise his "hog and hominy," and have his surplus in cotton. They buy no fertilizers, except a little lime, and at the fall of the year are an independent people.

Y. M. C. A. CONVENTION.

SECOND DAY—MORNING SESSION.
Convention convened at 9:30 a. m. yesterday. After half an hour spent in devotional exercises the convention proceeded with its regular routine of business. Vice-President A. M. Baker in the chair. The chair announced the following standing committee:

Business—E. L. Harris, Raleigh; J. F. McCubbins, Salisbury; George H. Hanna, Charlotte.
Devotional Exercises—A. B. Ingham, Charlotte; George G. Worth, Bingham School; W. S. Clary, Henderson.
On Executive Committee's Report—T. S. Franklin, Charlotte; A. M. Baker, New Berne; C. W. Carter, Raleigh; H. L. Harris, Chapel Hill; A. B. Ingham, Charlotte.

On Credentials—C. G. Vardell, Davidson College; D. J. Curtis, Chapel Hill; J. F. Hendren, Bingham School.
On Resolutions—A. S. Caldwell, Charlotte; W. M. Curtis, Chapel Hill; C. C. Pool, Smithfield.

Reports of State Executives—The report of State Treasurer was read and referred to the committee in executive committee's report.

The following gentlemen read reports from their respective associations: Prof. G. B. Hanna from the Charlotte Association; Mr. A. M. Baker from the New Berne Association; Mr. J. F. McCubbins from the Salisbury Association; Mr. S. B. Weeks from the Statesville Association; Mr. C. W. Carter from the Raleigh Association; Mr. Clifton S. Pool from the Smithfield Association.

The Needs of Young Men's Christian Association in North Carolina—Discussed by Messrs. A. S. Caldwell, of Davidson College; E. L. Harris, of Raleigh; H. O. Williams, State secretary, and E. T. Daddman, of Norfolk, Va.

The question next considered was "What can Associations do to Promote Personal Purity among Young Men," discussed by Mr. A. B. Ingham, general secretary of the Charlotte Association.

Mr. H. O. Williams made an enthusiastic speech with reference to the "Junior Department of the Young Men's Christian Association, or what can we do for the boys."

The convention took a recess until 2:30 p. m.

AFTERNOON SESSION.
The convention proceeded with its work at 3 o'clock. Vice-President W. J. Young presiding.

Mr. E. T. Daddman read a most interesting paper on "Evangelistic meetings for young men only, how arranged and how conducted."

A lively discussion as to "What the ladies can do to aid the association" was participated in by Messrs. E. L. Harris, H. O. Williams and Dr. G. B. Hanna.

Mr. T. S. Franklin, chairman, submitted the report of the committee on the executive committee's report. The committee recommended among other things in its report that the convention raise the amount of \$500 for the employment of a State secretary for a period of three months, and urged that it be done at once. The report of the committee was discussed at some length and unanimously adopted. Through the vigorous efforts of Mr. Daddman \$450 of the amount was raised in the convention.

The committee recommended further the election of the following State executive committee:

Chairman, Rev. Thos. Hume, D. D., Chapel Hill; secretary, Prof. J. W. Gore, Chapel Hill; treasurer, Mr. S. B. Weeks, Chapel Hill.

Local corresponding members—Major Robt. Bingham, Bingham School; A. G. Brenner, Charlotte; Dr. Geo. B. Hanna, Charlotte; James H. Southgate, Durham; Prof. W. J. Bingham, Davidson College; A. M. Baker, New Berne; J. H. Foush, Salisbury; E. L. Harris, Raleigh.

Convention adjourned till 8 o'clock p. m.

NIGHT SESSION.
Convention met pursuant to adjournment at 7:30 p. m.

Praise service, conducted by Mr. H. O. Williams. The first topic for discussion on the evening's programme was "Conversation—What can Associations do among Railroad Men?" Messrs. Daddman and Williams discussed this branch of the work with much spirit and cited many instances where great good had been accomplished through the instrumentalities of these associations among the employees of railroad companies.

One of the most interesting and instructive features connected with the session was "Questions Asked and Answered," conducted by Mr. H. O. Williams. During this exercise many questions were asked, and invariably answered satisfactorily.

Dr. George B. Hanna, of Charlotte, read a carefully prepared paper on buildings for Young Men's Christian Associations, their need, their arrangement. Prof. Hanna insisted that the first great work of an association is to build a house of their own, and urged the associations represented in the convention to exert every means to build houses of their own. The discussion was further participated in by Messrs. Williams and Daddman.

Second Adventist Christian Woman's Association will meet at their Hall to-day at 8 o'clock p. m. A full attendance is desired, as business of importance will come before the meeting.

Public Executions Again.

EDITOR JOURNAL:—I have just read your editorial comment on Mr. J. V. Williams' communication in the Chronicle in reply to my views about public executions, &c. My article was chiefly in opposition to the religious confessions of criminals. The two cases he cited were both thieves, not murderers. The old law of the Bible is that "no murderer has eternal life abiding in him." Many criminals according to their confession go to heaven from the gallows—denying their crime—and at the same time they leave a private confession of their guilt. We have an idea that heaven is inhabited by a different sort of people. Mr. Williams might be a little more consistent since he is in the profession of public executions and conforms to the old law himself since he tries and often does execute every day in the week except Sunday, he being a member of the church, an F. D. member to be precise 30 and 5th years. I am sorry to see Mr. W. depart from his early training as a state-appointed theology under the

THE ELECTORAL.
The election in Craven county on Monday was very close. The first count gave the labor candidate a majority of ten over the legal-bread candidate. A re-count of the vote gave the Republicans over 600 majority.

Cleveland, Ohio, went Democratic by over 3,000 majority.

It is thought the probabilities are that Roche, Republican, is elected by an overwhelming majority over Nelson, the "United Labor" candidate. The Democrats had no candidate after after Harriman positively declined.

She Is Not Dead.
It has been reported that I was dead—but I am not. For four years I have been afflicted with a severe case of blood poison rheumatism and neuralgia. My flesh shrank away, my muscles seemed to dry up and form out little knots, joints were swollen and painful, and all concluded I must die. I have used five bottles of B. B. B. and I have gained 60 pounds of flesh, and am now as sound as any woman.
