Mr. S. Howard, near Kinston, gives
notice of stolen horse. Look out for
the thief. See "ad."

The grand jury of the district court
completed their work yesterday and
were discharged for the term.

The schooner Ella R. Hill, Capt. J. A.
Hill, sails today for Bayboro, where she
will load lumber for Baltimore.

The A. & N. C. Railroad will run a
regular truck train, beginning next
Monday, May 2. See notice elsewhere.

In the wrangle for the election of
councilmen it should not be forgotten
that the question of schools or no schools
is the most important.

Two of our young sportsmen went up
Trent river yesterday on a fishing
expedition and returned with quite differ-
ent luck, one of them catching a fine
string of fish and the other a ducking
and no fish. Rather early for bathing.

In addition to changing the hour of
sailing to 5 o'clock, the boats of the
E. C. D. line make four trips a week,
that is Mondays, Tuesdays, Wednes-
days and Fridays. The extra Tuesday
trip will put truck in Philadelphia and
New York in time for Friday morning's
market, an important sale day in both
cities, as out of town buyers purchase
their stock on that day.

There is every indication that New
Berne will soon be on a boom. A new
hotel is about completed; steps have
been taken toward building a railroad
to Onslow county; the saw mills are
running on full time and increasing
their business; an immense volume of
business is being done by our steamer
lines; our truck farmers are hopeful
over the prospects of a profitable crop,
and in fact the outlook generally is
favorable. What we want now is to
put our schools upon a permanent basis.
The opportunity will be presented next
Monday to do this.

New Route for the Margie.

We will publish tomorrow a schedule
for the steamer Margie for Bayboro
and intermediate points. The Margie
is a very suitable boat for this route
and the people ought to sustain it.

Business Reviving.

The foot of Craven street yesterday
gave signs of a revival of business,
by the vehicles approaching the steamer
wharves with peas and other truck for
shipment. The sales, so far as we hear
reports, have been quite satisfactory,
and the money that is paid to our labor-
ing classes in picking and preparing the
truck for market has an enlivening
effect on business in the city and we
already see evidence of the revival in
trade in parts of the city way from the
steamer docks.

Personals.

Mrs. J. S. Culpeper, wife of the senior
member of the firm of Culpeper &
Turner, agents Norfolk, was in our city
yesterday, and was a passenger on the
steamer Familio.

Dr. E. M. Holt and Mr. A. M.
Leathers, of Durham county, were in
the city yesterday and leave this morning
on their return. They have been on
a visit to W. B. Lane, Esq., of
this county, who accompanied
them to this city and to Graywood
to see the wood plate and pulp factory.
They are highly pleased with the coun-
try and the city of New Berne; in fact
stated that they would like to live here
if they were rich enough. We have to
inform them that it does not require
riches to live comfortably and decently
in New Berne.

U. S. District Court.

Court convened yesterday morning
at 10 o'clock. The case of U. S. vs.
Grady Smith, for passing counterfeit
money, was resumed. The defendant's
counsel, Simmons & Manly, contested
the case with much zeal and interest,
and the government's attorneys, Messrs.
Busbee and Peebles, did their duty
fully. The passing of counterfeit money
by the defendant was hardly denied,
but the defense was that it was done
without the knowledge of the defend-
ant and without criminal intent on his
part. The case was given to the jury
at 2 p. m. and at the hour of going to
press they had not agreed.

Court took a recess till 10 o'clock
this morning.

Steamer Movements.

The Steamer arrived yesterday morning
with a good cargo of general merchan-
dise.

The Familio of the O. D. line arrived
Tuesday night with good cargo of gen-
eral merchandise, and left promptly at
3 p. m. on yesterday, carrying out quite
a large number boxes of peas, turnips,
naval stores and other truck, and sev-
eral passengers.

The Eaglet of the E. C. D. line arrived
yesterday with a cargo of general mer-
chandise. The Vesper of the same line
sailed promptly at 5 o'clock yesterday
afternoon with lumber and truck, there
being about three hundred packages of
the latter, principally peas.

The steamer Carolina left New Berne
at 10:45 on Tuesday for Trenton and re-
turned on Wednesday at 1 p. m. She
leaves this morning for the foot of
Craven street at 9:30 sharp, for Hooke-
ton and Snow Hill.

**The Improvement on the Steam Fire
Engine Elijah Ellis.**

The Silsby Manufacturing Company,
learning of the improvement made on
the "Elijah Ellis," sends the following
letter:

SENECA FALLS, N. Y., April 25, 1887.

MR. Wm. ELLIS—Dear Sir:—We are
in receipt of your valued favor of the
22d inst., enclosing a drawing showing
the appearance of the top-head of the
boiler of your steam fire engine after
putting in the additional smoke flues.
The results accomplished with the en-
gine in quick steaming make it plain
that the alteration is a decided improve-
ment, and reflects credit on whoever
conceived the idea. We congratulate
you on your success, and in having
such good mechanics and so progressive
a company.

Very respectfully yours,
CHARLES T. SILSBY, Treas.

Arrested on Suspicion of Burning the Cotton Seed Oil Mills.

Ever since the burning of the cotton
seed oil mills in this city, which oc-
curred March 27th under such circum-
stances as to excite suspicion of an-
dardism, detectives have been hard
at work in trying to discover the guilty
party. The investigations have been
quiet and systematic, and late on Sat-
urday night led to the arrest of Noah
Evans, colored, who was employed at
the mills as day watchman. It will be
remembered that the fire broke out in
two separate buildings simultaneously
on Sunday morning, March 27th, very
soon after the night watchman left and
the day watchman took charge. In-
vestigations made the day after the fire
showed that the day watchman was not
at the mills at the time of the outbreak,
having gone to his house to request an
early breakfast. Previous to this he
had received the mills in "good order"
from the night watchman.

The detective work so far has been
done by Wren's Detective Agency of
Richmond.—News and Observer.

Stonewall Items.

Capt. Eason, of the steamer Bettie,
has located his family in our town. He
occupies the Hollis house.

We had a nice rain last evening and
as usual a cold wave followed, which
is favorable to the cutworms, and well
are they plying their vocation.

From all appearances, the matrimo-
nial wave will extend its proportions.
At any rate, my opinion is that two of
our Stonewall widowers are exerting
their skill to have it extended, and
from appearances, their exertions are
not offensive.

There was quite a boom in the mat-
rimonial market on the 21st inst., in our
section. Frank Armstrong and Miss
Lizzie Baxter were married at the re-
sidence of Andrew Armstrong, C. A.
Flowers, J. P., officiating. On same
day, Andrew Flowers and Miss Olivia
Wesket, at the home of the bride's
father, John Wesket, Thos. Campbell, J.
P., being the knot. On the same even-
ing, at the residence of the bride, Mrs.
Warren Balansa and William Ward,
late of Elizabeth City, now of Familio,
W. E. Hooker, J. P., rendering the
necessary aid. On the same evening,
at the residence of the bride's father,
Jordan Sawyer, Miss Sarah Ann Saw-
yer and Kil Lewis, were made one by
Elder Broughton's agency.

Wonderful Cures.

W. B. Hoyt & Co., wholesale and re-
tail druggists of Rome, Ga., say: "We
have been selling Dr. King's New Dis-
covery, Electric Bitters and Buckner's
Arnica Balm for two years. Have
never handled remedies that sell as
well, or give such universal satisfac-
tion. There have been some wonderful
cures effected by these medicines in
this city. Several cases of pronounced
Consumption have been entirely cured
by use of a few bottles of Dr. King's
New Discovery, taken in connection
with Electric Bitters. We guarantee
them always. Sold by R. M. Duffy."

Kinston Items.

Simon Einstein of Goldsboro, was in
town Sunday.

Miss Nannie Davis of Beaufort, is
visiting Mrs. N. M. Jurney.

W. S. Herbert spent a day or so in
Rocky Mount last week, visiting re-
lations.

Mrs. Alice Hunter, with her two in-
teresting little boys, Nick and Will, are
visiting in Kinston.

Mr. F. B. Boston announces himself
an Independent Republican (Pro-
hibition?) candidate for Mayor.

Bob Rountree has finished planting
his egg plant "crap." Like Col. Mul-
berry Sellers, there's millions in it.

A colored man, whose name I have
failed to learn, was drowned near Maple
Cypress last week, while rafting logs.

The members of the Kinston orchestra
have just received new instruments.
They will play both with brass and
string.

Mr. Cyrus Brown died at his home in
Jones county Monday. Thus passeth
away another good man and useful
citizen.

Five or six Kinston sportsmen visited
Village creek last week and reduced
the finny tribe about two hundred and
fifty pounds.

The Republicans so far have only two
men in the race for alderman, James
K. Davis in the first ward and W. A.
Coleman in the second.

Quite a severe storm passed over a
portion of Contentnea neck township
last week, turning over three or four
tenant houses, uprooting trees, &c.

Alpheus Fields of this county, has
received his sheep skin and license, and
is now a full fledged M. D. Under-
stand he will locate in Beaufort county.

The remains of Mr. Alfred Wingate
were found Sunday in Kennedy's mill
pond, just one week since he was
drowned. He was about seventy-three
years old. Leaves a wife and two
children.

Big picnic in Bucksbury Tuesday.
I am unable to tell of the good things
they had, not having had an invitation,
but will venture to assert they had a
grand time. Bucksbury folks can
beat the world on good eating.

Paradise, owned by Leon Albritton,
was visited by a fire Saturday. Right
much timber burned and some of his
neighbors fences. Leon puts his dam-
ages at \$2,000. Wonder if the sand as
well as the trees was burned?

The anti-prohibitionists take their
text from the 14th chapter of Deute-
ronomy, 26th verse, which reads as
follows: "And thou shalt bestow that
money for whatsoever thy soul lusteth
after, for oxen, sheep, or for wine, or
for strong drink, or for whatsoever thy
soul desireth, &c."

A little girl in this place has great
distaste for the word "gal" if such word
there is; to prove it: She was reciting
her spelling lesson a few days since,
and came to the word gallop, and being
asked to spell and pronounce it,
answered, gal-lo-p—"girllop." What
would this world be were it not for the
little ones.

The Press on "Sea and Land."

Buel's marvelous success with "The
World's Wonders," ought to have satis-
fied any ordinary mortal, but, like Alex-
ander, he is weeping for more worlds
to conquer, and has accordingly em-
braced "Sea and Land" in his latest ef-
fort. In our opinion it is his best book,
and its circulation will, no doubt, cover
the land and part of the sea. We hope
he will not tomahawk us for this wret-
ched pun, since we like his book so
well.—The Sun.

The book is a revelation to us. We
had no idea that the subject could be
treated in such an intensely interesting
manner. It is a great work, and we
are "almost persuaded" to turn book
agent ourselves and help to circulate it
for the good it will do.—Christian Re-
flector.

The quotation from Psalms civ., 24,
25, at the commencement of the de-
scriptive circular is a happy thought, as
the entire scope and purpose of the book
is fully described in these epigrammatic
sentences. Mr. Buel has made another
great hit in this book, and if he is not
the most famous, he is certainly one of
the most successful writers of the day.
—Republican.

He seems to know by intuition what
sort of books will suit the people, and
he writes for the masses. He has never
yet written a book that was not a great
success, but we predict that his latest
work, "Sea and Land," will outstrip all
his previous efforts. It deals with
subjects that are always interesting,
and he has treated them in a way that
adds fascination to interest.—The
World.

Agent for Publisher.

Notice.

At the request of many of my fellow
citizens of the Second Ward, I announce
myself a candidate for the office of
Councilman of said ward. Am assured
of an election, and therefore shall be in
the field until the contest is decided.
J. V. WILLIAMS.

Notice.

On account of the unjust prejudice
exercised by some of my so-called friends
during ward meeting, Monday the 19th,
and of non-residents and minors voting
thereat, and believing as I do that the
will of the people of the fifth ward was
not expressed in this action, there being
not more than 90 or 100 legal voters, in
accord with the desire and wishes of
many, I announce myself as the Repub-
lican candidate for Councilman of the
fifth ward. Knowing that the will of
the people will be expressed at the polls
on the 1st Monday in May, I shall be in
the field, confident of an election, till
that day. Respectfully,
H. M. BOZMAN.
