The Davis Cadets will take part in the memorial exercises next friendly. They will come down or a special train Tuesday morning. The battation consists of four companies. Col. A. C. Davis will be in command. The Davis Cadet Band will be here. Davis school is the only school in America, except government schools, that has both a cornet band and an orchestra.

Mr. J. C. Hargrove of New York, who

Mr. Kfifey E. Terry of Stella, Carteret county, arrived yesterday evening. His extensive saw mills at that point are now at work.

Mr. Joseph Marks, of Charleston, B. Marks's family.

Paint Accident.

Nathan Hicks, colored, who left this city a few days ago to work at Kugler's saw-mill on Smith's creek, Pamlico county, was brought back yesterday a mangled corpse. On Thursday evening, just at the close of his second day at the mill, he was at work as the trimmer when the belt came off the nut. While trying to put it back it came off the drum, the mill running at full speed, and as quick as lightning wound him around the shaft, which was only fifteen inches above the floor, three or four times, breaking one arm, one cal as the hand of a robust young lady. thigh, and terribly bruising his body. Frank Patterson invites people to Dr. Lindsey attended him, but he died headquarters for gents' furnishing on Friday morning and his remains goods, neck wear, clothing, etc., at his were brought to this city, where his store, on Middle street. Died, in this city, Friday morning, at many years he has borne a prominent part in politics in his county wiff disspice. He represented Crumen moduly his foot on last Saturday. Dr. Attmore several times in the Opneral Assembly rendered the necessary surgical aid and he is doing well. and for several years past has been a candidate for the Republican nomina-tion for Congress in this district. The convention which assembles in Kinesea of our place and Pamlico from getting last summer to nominate a candidate was composed of two sets of dislegates from every county in the district except two or three. The result was the holding of two conventions in the same hall, one nominating Abbott, the other O'Hara. The coalition Republican delegates of Craven were in the convention that nominated Abbott and they supported him throughout the confect rived yestereay morning with cargo of the final result of which was the elecmerchandise. The Vesper, of the same tion of our townsman, F. M. Simmons

His education was very limited; be was not a forcible speaker. But por I The town election in this place and The Pamlico, of the O. D. line, sailed for Norfold on solution, with a sessed great shrewdness as a politician. Bayboro passed off quietly, and Jas. T. Lincoln of Bayboro, and Dr. Geo. S. rare executive ability for one of his Lincoln of Bayboro, and Dr. Geo. S. Station, and as presiding officer of a station, and as presiding officer of a body of colored representatives disjoint to commissioners for each place. The Defiance, of the Clyde line, body of colored representatives disposed sailed for Baltimore yesterday with a to be upruly, he was unexcelled. He

The ceremonies will begin Tuesday afternoon as the coloring on the Academy Green, when the following order of exercises will be observed:

IV. Advantage by Half John Hardes Subject. Hea. I. O.B. Brand. V. Music by the choir. The bugle will then sound "Atten

tion !!! when the marshale will form New Berns S. F. E. Co's. Band.

Confederate soldiers and sailors. SECOND DIVINION. Owstor and chaptain. Ex-orstors and chaptains. Ladies Memorial Association.

THIRD DIVISION. Civil organizations. Children bearing flowers

The procession will maron to the has been in the city several days solicit, cometery and pass through the Confeding truck consignments left on erate lot, without halting, dividing to and will deposit their flowers upon the mound in passing. After passing through the lot ranks will be broken, and all will acceptable outside the circle when the concluding ceremonies will take place, as follows

Music by the choir, with cornet as companiment, "Peace to the Memory of the Brave.

Benediction Military salute

All are requested to bring flowers and to observe carefully the directions for parsing the Confederate lot.

Assistant marshals will report to me at the JOURNAL office at 4:30 p. m. H. S. NUNN, Chief Marshal

Honor to Whom Honor is Due. Formus Journal - While I do not adopt the idea of the retiring board of city council in the disposition of the cemetery, nor see any need of the new board calling for outside help to administer the city government, and while I am (ar from wishing to pluck one flower from Mr. Miller's well carned chaplet. I do wish to see honor fairly and equally distributed. Mr. F. W. Hancook on the cametery committee has been country as zealous and I may say equally as efficient as any one who has ever served on that important com-

mittee. It was through his instrumentality that the Gooding bequest was brought into service, and through his Cabinet Minister, is also to be raised to efforts that an amicable and satisfactory arrangement was made with the cua todion of that bequest, and the entire consumption of the fund by an extended law suit averted. And why the from him to others who have no pass

t h line is now putting their stuff in have honors fairly distributed among those who deserve them

FOREIGN NEWS.

NOT BUHTAINED BY ANY PRECEDENT. LONDON, May 4,-in the House of Commons this evening the Hight Hoa-orable W. H. Smith, first Lord of the Treasury, announced that the Govern-ment had resolved that the allegations that the Times' statements concerning June. Mr. Dillon were a breach of the privilegs of the House was not sustained by August, 10 5. September, 10 47 any precedent.

THE TIMES ON MIC LEWIS PROTEST. London, May 4.—The Times, com-menting on the action of Mr. Charles Edward Lewis, Conservative, member | Good Middling 10.7.25 | Middling 10.7.25 of Parliament for North Antrim, on calling the attention of the House last nary 21 1 evenueg to the alleged breach of priviege committed by the Times, consisting in the publication of an article, by that paper, charging Mr. John Dillon, Home Rufe member for East Mayo, with false bood when he denied the allegations of the Times that he (Dillon) was an accomplice of Sheridan and other Invincibles, says we are unable to see who Mr. Lewis felt called upon to protest as no objection to the issue had bee raised, and where we have evidence confirmatory of every thing advanced. and we shrink from no form of inquiry at all, though we do not think House well advised in defling with the question as one of privilege. However, no journal in the kingdom, and last of the organs of the Parnellities is safe for a week, if it is held madmissable to contradict a statement made in the House. In electing to challenge thus decision, the Parnellites have chosen narrow ground. They must be aware that the statements assailed as a breach of privilege must be dealt with separately from the other matter. that hick erto has been allowed to remain un

the peerage.

The Literstate Commission in partment has received and transmitted to the interstate commerce, commia letter from the United State . membrat ugent at Linton, the inwhich he describes the disasting of offers of the micrototo same eree by paning and the United States. The result of N size stories formers of the June

the act, be says, has been most damaging to us both as regards exports and imports, and is severely felt both by huy ers and sellers wand from the buttel States. The records of his office for the month of April show less activity and W. P. BURRUS & CO., fewer exports than ever before for the same period, and the same he believes to be true throughout Canada. A selament must shortly be arrived at or our commerce will receive such damage that it will take years to regard the lost trade and the prestige which we now

enjoy in Capada.

MEMPHS, Tenn., May 4 - The inter state commission mes here sody sud were occupied all day hearing test mony on behalf of the Louisville and Nashville, and Nashville, and Chatter nooga Editions and position and by those tooks.

The evidence elicated was not of a character to raise the conviction in the minds of those wan fellowed is closely that a good case had been made but in favor of the suspension of the long and short haul clause. The commissioners cross examined witnesses closely, and in nearly every case drew from them draissions that weakened the force of their testimony.
One Nashville witness disclosed the

Road allowed Nashville four mills a that that enabled them to buy wheat at Detroit, take it to Nashville, convert it into flour, and deliver it as points of consumption as cheaply as if it had been made into four at Description and first place within paying which will be within the consumption of the c

Lewis says he milks three, one of which is a young heifer, and set gight callens of milks three, one of which is a young heifer, and set gight callens of milks three, one of which is a young heifer, and set gight callens of milks three, one of which is a young heifer, and set gight callens of milks three, one of which is a young heifer, and all the cod his cover get the calves, and all the cod his cover get is in the range, and that were poor.
