thing about it can attend at the police publish anything concerning it we might forestalf public opinion.

Geo. S. Fisher, colored, has prepared pic nic grounds on the north side of Neuse river where the camp meeting was held last fall. He has erected a patent swipg and put the grounds in excellent order for enjoyment. An excarsion will be run between this city and the camp next Tuesday.

There will be an entertainment at the residence of Mr. Thomas Daniels tomorrow (Monday) evening, 23d, for the benefit of the Little Helpers. Performance will begin at 8:30 sharp. It has been gotten up by Miss Katie Daniels, whose name alone assures the success of the entertainment. It is earnestly hoped that a large crowd will be present. To add more to this joyous occasion, ice gream and cake will be served after the performance. Admission 15c.

Incomment Pire. The large building and extensive machinery at Riverdale, formerly used by the Messrs. Mallet for the manipulation of nine straw and recently used for th manufacture of truck boxes, was set on fire last Friday morning, but was discovered in time to prevent the destruction of the building.

Mr. Mills received a fancy price for that it pays to raise good stock.

M. E. Sunday School Picule.

The parties who went to Riverdale to examine the wharf as to whether it would be safe for a picnic excursion to land there or not have made a favorable report, and that place is the final selection for the M. E. Sunday school picuic next Wednesday. The grounds are pretty and plenty of shade near at hand. A large mill house, not in operation, stands adjoining the landing capable of sheltering everyone in osee of bad weather. There is also an ar-tesian well throwing a continual stream

are, The Late

The Exact Number.

A gentleman who has taken the rouble to ascertain the facts reports that there are 18 licensed bar rooms in the city, 20 churches and the Salvation Army besides. Of the 20 churches 7 are for whites and 18 for colored-

Mr Baker's Explanation.

Mr. A. M. Baker publishes an explanation of the statement in the Jour-Pina Tollar Son tion of the Y. M. C. A. in regard to the number of churches and bar rooms in TICKETS HAVE BEEN PLACED ON this city. The Journal of Proceedings ing with a Vatican for a resumption of is edited by the Secretary of the State Convention, Mr. Stephen B. Weeks, and the item in question, as it appeared in Owner can obtain the same by applying nature of an editorial item than of a st Journal office, describing property and particular person. Mr. State constitution.

Baker relieves Mr. Weeks of any re-Baker relieves Mr. Weeks of any responsibility in the matter and acknowledges that the report as to the number of bar rooms was excessive. We knew there was no intention to misrepresent New Berne: at the same time we knew the statement if uncontradicted would The Salvation Army was reinforced be damaging. The error is frankly and promptly acknowledged and we trust it is in time to prevent serious burt to our people or community.

As to the churches, leaving out the be about the 1st of August. Some of Disciples and Adventist, who held no regular services at that time, and the The people in the neighborhood of colored churches, the report is about

Is Public Opinion Forestalled ?

NEW BERNE, N. C., May 21, 1887. 4 Your article in today purporting to give the facts in the controversy now going on between Mr. D. Stimson and myself, is partial, colored and incomplete and biased in material particulars, and does me personally and my rights as a private litigant grave

The statement could not have been stronger against me if it had been written by Mr. Rimson himself. I cannot but feel aggrieved that a public newspaper should have seen proper thus to prejudice my private rights and fore Yours respectfully, S. H. Scott. stall public opinion against me.

It surely was not our intention to the rights of Mr. Scott, and we think "Ida P.," a fine colt purchased by that the case was exciting some interest Mayor E. H. Mesdows of John H. Mills in the community we desired to give New York, formerly of Hopkinsville. our readers the news, and as we could vesterday. She is about the finest not be present at all the hearings, we native stock we have seen in asked a gentleman interested in the this section for many years. "Ida case to give us the facts, believing at P." is two years old this the time that the application of the law spring, is a dark bay, black points and was the grounds of controversy and not is well grown. She was sired by Killey the facts. We generally try to avoid publishing anything connected with a Green's Hambletonian, a full brother trial while it is in progress that is calculated to prejudice the minds of Mr. Mills received a fancy price for the people either way, and if we have this colt, and he doubtless is convinced done it in this instance, no one regrets. it more than we do.

Explanation.

EDITOR JOURNAL: -- In reply to your ar ticle in Saturday's paper on the reports of the Y. M. C. A. as the number of churches and bat rooms in the city, allow us to say we did not intend any churches we only reported the evangeli- days. cal white churches that co-operate with us.

In reporting the number of places that liquor could be obtained we included not only licensed bar rooms but all stores that keep liquor at all, either to sell or give away.

Since the matter has been called to since the matter has been called to our attention we admit that two hundred is some, to our attention we admit that two hundred is excessive, and if we could do so we would change that part of our report. This we do know, the number of what after plank has been laid awise the old ones which are much layed. The piling and supports are ly secure.

Since the matter has been called to backet and to store, to use that two hundred is excessive, and if we could do so we would change that part of our report. New Berne, May 21, 188 one of our objects to see them closed.

We desire to state in justice to Mr.
