Davidson College has also conferred the degree of D. D. on Rev. Dr. Vass. He is worthy of all such honors.

A special train for Morehead City this morning at 8 o'clock. Will return this evening, leaving Morehead at 9:30 o'clock.

J. F. Taylor is up with the times and offering goods cheap for the cash. Read his advertisement; he sells such goods as people want and will have.

Sarah Oxley is dealing out first class ice cream at her ice cream parlor on Broad street. She is well prepared to serve customers and always give satisfaction.

The thirty box and flat cars purchased by the A. & N. C. Railroad of the North Carolina Car Company are being received. These are brand new cars, and we are informed were bought at a bargain.

Howard & Jones extend a hearty invitation to the people throughout this section to come to the Fourth of July celebration and take advantage of their visit to call and buy summer goods at a bargain. These gentlemen mean what they say when they offer bargains. Be sure to call and see them.

Governor Scales has appointed Enoch W. Worth, Esq., of this county, and W. A. B. Branch, of Beaufort county, as delegates from this section to the farmers' Inter-State Convention which convenes in Atlanta, August 16th. These are good, intelligent farmers and will make worthy representatives.

The members of New Berne Lodge No. 443, Knights of Honor, are notified to attend at their hall today at 3:30 o'clock p. m., and the members of Elm City Camp, Fraternal Legion, and Athens Lodge No. 28, Order of Tontine, to meet at 4 p. m., to attend the funeral services of their deceased brother, E. G. Cuthbert.

The Newberne arrived last night and will sail tomorrow at 3 p. m. for Norfolk. Truck received up to the hour of sailing.

Will Open Tomorrow.

Hotel Albert will open tomorrow for the reception of guests. The cook has been testing the apparatus in his department—which is the real fountain of life of all hotels—and finds everything in order. It can no longer be said that New Berne has not proper hotel facilities.

The Teachers' Assembly.

We expected daily letters from the Teachers' Assembly at Morehead City, but our correspondent was called home on account of sickness in his family ere the Assembly had organized. We are endeavoring to supply his place and hope to succeed.

Old Times.

Our people in the country want to see a genuine old time Fourth of July celebration. A gentleman from the country, one of the most intelligent farmers of the county, said yesterday that he expected to give each one of his boys an old fashioned six-pence on the Fourth of July and they are to come to New Berne and buy a ginger cake and as it is on the corner while the celebration is in progress.

Funeral Notice.
The funeral services of the late E. G. Cuthbert will be held this evening at 5 o'clock from the Baptist Church.

Personal.

Rev. Dr. Vass is attending the Teachers' Assembly at Morehead City. He will not hold services at his church in this city today.

Mrs. Sarah Russell and Miss Mattie Russell, of Washington, N. C., are visiting Capt. H. W. Wahab's family.

Miss Ellen Woodward, of Fayetteville, has been teaching in Hyde county and is in the city on her way to the Teachers' Assembly. She is the guest of Mrs. H. W. Wahab.

Prof. W. H. Rhodes, of Cypress Creek, Jones county, was in the city on Friday and left for the Teachers' Assembly on the evening train. He is a man of practical methods, and if he will "speak out in meeting" can learn the Assembly something.

Misses Nannie and Hattie Walker, of Durham, are in the city visiting friends and relatives.

W. B. Lane, Esq., of Coblenz, was in the city yesterday and reports the crop prospects fine in his section.

Miss Emma Cohen, of New York city, is in New Berne visiting her sister Mrs. W. H. Cohen.

Rev. George W. Manly, one of the Professors of Wake Forest College, arrived last night and is the guest of Clement Manly, Esq. He will preach at the Baptist Church this morning.

Morehead City Booming.

We are informed by parties just from Morehead City that there are about twelve hundred people at the Atlantic Hotel. The only thing needed to make Morehead City one of the great summer resorts in the country is proper consideration on the part of the associated railways. The light that is made against the A. & N. C. Railroad, it being an independent line, by these associated corporations is unknown to the public. The officers of the A. & N. C. Railroad may claim that they have all the accommodations and courtesies that can be expected from these lines, but their difficulties and troubles seldom come to the surface. There has long been a disposition to choke this little independent line into submission and compel it to become a part of one of the great lines now operating in this State. But the natural advantages of Morehead City are appreciated, notwithstanding such opposition.

Church Services Today.

Services of the Y. M. C. A. this evening at 5:30 o'clock, H. B. Lane leader.

At Morehead City.

The work of the Teachers' Assembly at Morehead is now under good headway, and much good is being accomplished which is daily interspersed with the many pleasures obtained at most any other seaside resort. This meeting of teachers—between eight and nine hundred—is one of the largest the country has ever known, and only in its third year of organization.

The regular exercises are to be taken up daily at 10 a. m. to 1 p. m. In the afternoon some special address by some of the most eminent speakers in the State, which is followed by essays, recitations and ten-minute talks, terminating about 10 p. m. Immediately then the dancers form for the German, a most excellent orchestra from Columbia, S. C., furnishing the music.

There are stopping at the Atlantic Hotel, including teachers, friends to education, and guests, near twelve hundred people. Of course so many cannot be comfortably located and waited upon, but the proprietors are making an earnest effort to give satisfaction.

The Assembly is doing good work. All seem to be having a delightful time in the way of boating, fishing and going in the surf. The fleet of boats has been largely increased and handsomely painted, and with their clean white sails they presented the prettiest picture there—except the ladies.

Washington Items.

Only one marriage license sold since they were reduced from \$3 to \$2, and that was to an old decrepit colored man.

Capt. Silverthorn brought up 1100 bushels of corn from Hyde this week and found a quick sale at 60c. per bushel.

Rev. Aug. Latham is not only a good preacher but he is a good engineer. He can manage any kind of a steamboat with a master hand.

Mr. H. A. Latham of the Gazette is at Panacea Springs. He is rapidly recuperating and hopes to be able to resume work in three weeks.

The corn and cotton in this section is looking remarkably well. Gen. Green made a raid two weeks ago, but he has been about subdued.

Our market is supplied with very fine rock, which is in great demand. A few scattering mulets can be seen, and they are in good order.

The board of trustees are sparing no pains to make the normal school a success. It opens July 11. We hope to see several from Craven.

The remains of Mrs. Fannie Lewis were brought home from Winston for burial Thursday. She leaves two children, the last only five months old.

Mrs. O. H. Gulon, who has been visiting the sad and bereft home of her father, Judge Rodman, has returned home. The death of Mrs. Judge Rodman takes one of our first ladies from us.

The Gazette and Progress are discussing points of originality. One thinks it has more original matter than the other. To settle the matter we suggest that the Plymouth Sun be made the umpire.

Over 200 barrels of Irish potatoes have been shipped on the Jamesville and Washington Railroad. If they netted \$3 per barrel this turns \$600 into our pocket. We think there is no doubt but what the entire crop will net \$10,000.

County politics is being already discussed. If the Democratic party act as foolish next time as they did at the last election they will be whipped out of their shirts. Independentism is rife now, and it should not be forgotten by the old parties.

Col. Brown, counsel for Mrs. Linck, sued out a writ of habeas corpus yesterday before Judge Shepherd and the hearing is set for next Friday. If the evidence satisfies His Honor that she is in the least connected with the murder of her husband she will be remanded to jail. Public feeling is at fever heat in the Aurora section.

Col. Satterthwaite was our local option prophet. He said the wet vote would carry the town by 100 majority. He only missed the mark 18, as the wet vote won by 118. The Colonel is now beginning on the Democratic and Republican nominees for the Presidency. He is inclined to believe that Blaine will be the Republican nominee, but is not prepared to say who will be the Democrat.

Report of the Grand Jury Upon Penal and Eleemosynary Institutions of the County.

Superior Court, Spring Term, 1887. Craven county, N. C. To His Honor Judge W. M. Shipley. We, the Grand Jurors for this term of the Superior Court of Craven county, N. C., respectfully submit to your honor the following report.

We find the court house to be in a very good condition; well kept, an ornament to the county. We have examined the county jail and find it well policed and in a cleanly condition; prisoners well cared for. We have also examined the county poor house and find the houses in fair condition; the furniture rather scant, and in one instance, a little unclean. We would recommend, from complaint made by some that were very sick, that a more proper food be given them than the coarse food ordinarily provided; otherwise, everything else was in as good condition as could be reasonably expected.

E. M. DUGID, Foreman.

The Effects of Wheat Gambling.

CHICAGO, June 16.—The clerk's offices in the courthouse, were besieged today by attorney's for the Board of Trade speculators with affidavits for attachments in which to have service of garnishee served. Attorney Francis A. Riddle filed a case; Joseph W. Wilshire and Howard Eckert, doing business as Wilshire, Eckert & Co., against Maurice Rainfield & Co., for trespass in the case on promises of \$3,000,000. The complainants assert that they were sold out without authority and they further claim that their funds furnished the firm, were not used according to instructions, and if they had been so used, the firm need not have failed. It is also claimed that defendants owe Kershaw & Co. \$750,000; also that they are liable to repay all the money advanced them as margins.

THE GUESTS OF POST 15, G. A. R.

An Ovation to R. E. Lee Camp Confederate Veterans

BOSTON, Mass., June 15.—Robert E. Lee Camp No. 1, Confederate Veterans, of Richmond, Va., arrived in Boston this morning at 6 o'clock. They are the guests of Post 15, Grand Army of the Republic. They were met at Fall River this morning by a delegation from Post 15, and amid upon their arrival at Boston the procession was formed consisting of the First Regiment of Infantry National Lancers, Post 2, Grand Army of the Republic, and Post 15, Grand Army of the Republic. The "Boys in Grey" received an ovation throughout the entire line of march the enthusiasm of their greeting being extremely marked. Crowds lined the sidewalks along the entire walk and through the square the number of people was so great as to interfere with the march. All along the line the visitors were received with cheers and hand clapping and no visiting organization has been accorded such reception since the Bunker Hill centennial, when a Norfolk Regiment was so royally entertained. The procession as it passed through School street was reviewed by Mayor Brewster at city hall and then passed through Beacon street before the State house where it was reviewed by Gov. Ames and members of his staff. The column then marched to Tremont house, where it was disbanded. Another procession will be formed this afternoon when the guests will be taken on an excursion to Boston Harbor.

At about 1 o'clock this afternoon Post 15 one hundred and fifty men headed by the First Regiment drum and bugle corps formed in Tremont street, opposite the Tremont House and taking the members of R. E. Lee Camp Confederate Veterans, under escort marched through Tremont street, Cornhill, Faneuil square, Quincy Market, Commercial street, and Atlantic avenue to the city wharf, where the steamer J. Putnam Bradley was taken for an excursion down the harbor. All along the route of march there were immense crowds of people and the veterans were enthusiastically cheered, especially in the market, where the occupants made the whole edifice resound with their applause. The party returned to the city soon after 5 o'clock and marched directly to the Tremont House, where supper was served. In the evening Lee Camp, under escort of Post 15, witnessed the performance of Exchange at Tremont street Theatre.

Through the Rapids in a Barrel. NIAGARA FALLS, Ont., June 16.—Carlisle D. Graham launched his barrel boat at the Maid of the Mist landing on the American side of the river, near the cantilever bridge, yesterday afternoon. He found that he could not properly adjust the sand ballast so as to shoot the rapids, riding on top of it, so he took out the sand and jumped into the barrel, and went through the rapids about 5:20 o'clock, much to the disappointment of the crowds of spectators which lined the banks of the river, expecting that he would ride on the outside of the barrel, as he had advertised. He was taken out at the Whirlpool none the worse from his trip other than receiving a shaking up.

Pleasant Vision.

The organ of sight, which is the source of so much pleasure as well as benefit to man, is very delicate. A great many persons, not appreciating this, are using cheap spectacles. These glasses, by their imperfect construction and blemishes, seriously injure and sometimes almost destroy the sight. Hawkes' Crystallized Lenses are the most perfect glasses in the world, being especially adapted for the preservation and sometimes restoration of the sight. All eyes fitted and the fit guaranteed at the drug store of E. S. Duffy, New Berne. June 5

The Telegraph Consolidation.

New York, June 16.—Jay Gould was today asked as to the truth of the many rumors recently of the consolidation of the Western Union and the Baltimore and Ohio Telegraph Companies. He said "It would not be a judicious thing to do. If we combine and raise we will simply stimulate renewed opposition. We now have as good an organization as we can possibly get, and there would be no good object attained in creating a new one."

"Now Children," said the Pretty School Ma'am.

"Summer Silk in stripes and plaids is worth 50c. per yard, and it takes 20 yds. to make a dress. I have nine dollars in my pocket and my salary is three dollars per week, how much longer must I wait before I have enough to buy my dress."

Before any one had the time to wink, a little girl's hand went up.

"Why, Grace," said the teacher, "you cannot have the answer so soon."

"Oh yes I have, teacher! You don't have to wait at all, because A. M. Baker is selling summer silks at 45c. Mama bought a dress of it yesterday, and also one of that lovely Camel's Hair Check Suitings. She says it is the best bargain she ever saw."

Grace took her place at the head of the class.

The Jake Sharp Trial.

NEW YORK, June 16.—At 9:10 this morning Jacob Sharp came to the court room attended by under sheriff Sexton and deputy Joe Curran, his legally constituted guardians, who had spent the night with their prisoner at his 234 street mansion. But few people were in the court room, and four of these were ladies. Mr. Nicoll resumed his address at 9:35, reviewing briefly the points he made last evening.
