In Atlanta Constitution.

Polloksville High School.

Prof. W. E. Wooten, began on the convention of five or six hundred night of the 23d of June, at 8 practical farmers does not teach us o'clock p. m. The academy was something we did not know before, crowded.

dered in a manner which showed Atlanta Constitution. careful training and reflected honor on both the teachers and themselves. The programme has been lost or I would give it, but suffice it to say, that all old well. Some not with entirely satisfactory reshowing first rate elecutionary sults. It seems to affect the orna-

hied our way to the shurch where the address was delivered by Dr. Alanly, of Wake Firest College. Notwithstanding the inclemency of the weather, the Doctor had a large and ence who were well pleased with his ready wit and his deep knowledge of the subject, "Preparation for Life," in which he gave the young folks much good advice, varied occasionally by a rich anecdote which made his addraws highly amusing as well as a single evening turned many of the banqueting halls for a single evening turned many of the banqueting halls for a single evening turned many of the leaves yellow and caused them ultimately to fall off. The damage is supposed to be due to the sudden exposure of the plants to a light of This delightful resort is now open to visit over. The hotel has been thoroughly renovated and furnished throughout with an eye to the solid comfort of guests—Baths, Elsettie Belis, wates in every room, while the excessive brilliancy, after they have been so long accustomed to the dull, subdued light of a northern winter.

Henews Her Youth.

Mrs. Phoebs Chesley, Retarson, Clay

Mrs. Phoebs Chesley, Retarson, Clay rich anecdote which made his address highly amusing as well as instructive. His fame as an orator had proceeded him and none were disappointed when they had listened to his eloquent appeal to the youths to prepare themselves well for the time when on their shoulders will rest the prosperity and advancement of our govern. and advancement of our govern ment and the welfare of coming generations. At the close of the boule address, Prof. Wooten in a short store. speech prescated the speaker with

, and leass Wille A. Bell Threshing Togines & Horse Powers are excellent teachers and their Generally. Se efforts in behalf of education are much appreciated by the patrons serk Pa. of the school.

On Friday morning the steamer Kinston was at the wharf bright and early ready to take the children of the school and their friends down the beautiful Trent. After a stay of fifteen minutes at New Berne we steamed away on our way to Riverdale one of the most beautiful and picturesque spots on Neuse river. We were allowed the use of the grounds by the kind owner. A bount:ful repast was Upon the whole sowing in drills spread on the green grass and under the a'd factory by the ladies who were afraid it would rain, then the wants of the inner man were attended to. Our stay was cut short by the hoarse whistle which CARRIAGE FACTORY, and unless we made our way to the boat we might be compelled to stay Rut in one hundred pounds at Riverdale longer than we bar-cephate in addition to the gained for. Then commenced our phosphate in addition to the journey homeward; the boat manuring and stormed at New Berne 30 minutes stepped at New Berne 30 minutes prices. thus allowing all who wished the opportunity of viewing the new Hotel Albert. At the end of 30 w-Law cotton planter) and cover minutes we were reminded that our brief stay at the city of elms was over and we were again making over and we were again making over and we were again making our way up the river Trent. Some enjoyed themselves dancing while others looked on and chatted mustly with their friends. From musily with their friends. From all appearances capid had slipped aboard (without paying his fare) and was making sad havor with many tender hearts. The young folks danced in the academy till s
