death of Mr. Ias. E. Morris which occurred at his residence in this city yes terday evening. He was an old and much esteemed citizen.

The hot weather has aroused the disturbers of the peace. Ten were before His Honor, Mayor Meadows, yesterday Delaware, 100, Baltimore, 100, being the sylvania, sheet when know the filter a for disorderly conduct and other vio-lations of the city ordinances. Six 100, Utica, N. Y., 98; Pittsburg, 97, at two o'clock, the hottest of the summer. were convicted and dealt with according to law and four discharged.

Our townsman, Mr. (). Marks was in conversation with a gentieman from Charleston, S. C. recently, and spoke of the condition of things down there before the war. "We never use the war as a date," replied the gentleman, "down there now. We say before or since the earthquake."

Schedule B Tax.

The register of deeds says many mer chants have not yet listed their purchase taxes as required by law. They have already subjected themselves to a double tax and if they don't go up in double quick time and make up their returns the law will be enforced.

Steamer Movements. The steamer Annie of the E. C. D. line arrived Sunday with cargo of merchandise. The Vesper of the same line sailed yesterday afternoon with good eral hundred packages of truck. The Applie of this line will sail tomorrow (Wednesday) afternoon at 4 o'clock.

Personal.

Clement Manly, Esq., left for Weldon yesterday morning. He is one of the the appointment to West Point by Hon. F. M. Simmons.

Mr. Lou Reed, the popular traveling salesman of J. L. King & Co., of Greensboro, was in the city yesterday. Jas. W. Waters, Esq., who has been

quite sick, was out yesterday. Mrs. D. T. Carraway and children are sojourning at Round Knob.

L. J. Moore, Esq., and family left for Morehead City last night. Morehead City last night.

from all over the United States except For the corresponding work of last year Mr. R. C. Cleve of Vanceboro, sends from report today as the hottest day of three huge Irish potatoes, the product the season. Detroit records 102 Canada, so total, 183 of his farm, down to Mr. F. Ufrich. in the shade, and all outdoor J. C. Poulterer & Co. Homestern which five and three work suspended. Cleveland 95 merchants Uhiladelphia, have faded work suspended. Cleveland 95 the hottest in nine years, and several merchants Philadelphia, have faded quarter pounds, the largest weighing sunstrokes. St. Paul, Minn., 27, and two and one quarter:

the hottest in nine years, and several sunstrokes. St. Paul, Minn., 27, and adds that for three weeks there has not one. It is and that the failure was been a single cool, pleasant day. Phila caused by the embargasment of several delphia, 95 to 98; Lockhaven, Penn., tratematest interest and asserted a Penntwo o'clock, the hottest of the summer.

Two fatal cases of sunstroke and a num thear Shell-varile. File shall 51 hear stelen heat were reported up to that hour. The lurgians overlooked \$20,000 in Iron and steel mills were compelled to close down the heat of the day.

> How the Thistle Will Sail Across. LONDON, July 15 .- The yacht Thistle will make the -voyage across the Atlantic under one lower mast and a reefed trysail about the size of a 60 ton yacht's mainsail. It is intended to make practice cruises in American water before the races for the America's cup.

Proprietary Medicines.

Woodbury, N. J., has considerably their business. Their liabilities were changed our views, and especially our \$600,000. They offer 25 per cept, on the prejudices in regard to what are generally known as "Standard Patent Medicines." Of course we are getting to that age in life when we are forced to conclude Life itself is a humbug, and naturally distrust anything that has not stood long and tried experience. Being a physician I had the curiosity to know how such a sale of two medical preparations could be sustained for so many years. The perfect system upon cargo of lumber, merchandise, and sev- which the business is conducted, and against Alex. H. Swan and Thomas the pharmaceutical arrangements for the manufacture of the two recipes with which we were made acquainted, Frank-Anthony Cattle Company, comare sufficiently convincing to us that posed of the above named parties, were the AUGUST FLOWER, for Dyspepsia and Liver Complaints, and Boschez's GER-MAN SYRUP, for Throat and Lung Diseases, were for the complaints they are recommended, most excellent remedies, Land and Cattle Company, which Wilboard of examiners for competitors for and only regret that in much of our practice, medical ethics prevent us from the great quantity of voluntary letters ng been forwarded Dr. Green, from all parts of the country, and from all es of people, lawyers, ministers and doctors, giving a description of their ailments, testimonials of their cures, etc., I feel like endorsing Dr. Green's tion that the Government accept such valuable formulas, and license L. J. Moore, Req., and family left for dorehead City last night.
