will sail at 4 o'clock this afternoon.

morning for Trenton.

Steamer Margie returned from the excursion to Portsmouth Monday, and inquire into the work and pay of each will leave this morning for Bayboro.

On The Line of Promotion.

We heard one of our neighbors a short time ago called the hallelujah Tinker, and since then we have seen him addressed as sanitary engineer and plumber, but he wishes it to be known that he is not working for promotion, but that he is only old man Dan, the tin and sheet iron workman who is doing his level best to keep in the middle of the road.

Beat Again.

unusually quiet last night, and none of sembles in our court room. There was basten. We have warned the boys several times that they were dealing of them.

New Steamboat for New Berne.
