()LD PAPERS in any quantity fo sale at this office.

The board of city council will be in session tonight.

Slight showers have been falling for the last few successive days.

The grass on the Academey Green is being mowed which makes it look much prettier.

Nineteen women and thirteen men were sworn as recruits to the Salvatigh Army last night.

take passengers to the farmers' dinner Bagby. at Street's Ferry next Friday.

The New Berne fire company will leave their rooms at 6; o'clock tomorrow morning and it will be fun to see them start.

up the country.

The excursion of the New Berne Steam Fire Engine Co. leaves in the International Yacht Race morning on the steamer Pamlico at 7 c'clock for Nage Head.

The Atlantic hotel at Morehead City was sold vesterday and knocked off at \$18,220. We learn that a syndicate conposed of Mr. J. S. Carr and others were the purchasers.

"Lines on a Skeleton," a poem published in this issue, is possessed of much merit. If you have any love for real poetic genius read it. We have published it before, but it is worth repeating at least once a year.

Considerable effort has been made by the authorities towards improving the sanitary condition of the city, but still you will not have to walk many blocks should be made if we wish to promote cleanliness and prevent disease.

'Elder A. W. Gorden and wife, evangelists of the Advent faith, who have been holding religious services in the city for some time past, will conclude ventist hall on South Front street near Metcalf. They take the steamer tomorrow for their home in New Hampshire.

Mayor's Court.

Three cases before the A avor vesterday. Two for disorderly conduct, one fined \$1.00 and cost, the other judgment suspended on payment of cost. The third was for selling on the streets withpayment of cost and taxes.

Not Dead.

A few days ago a report was circulated in the city that Mr. L. J. Moore, who had gone to Beaufort with his family. was dead. The following note tells a different story:

BRAUFORT, N. C., July 31, 1887. EDITORS JOURNAL:- Lam in the enjoyment of better health now than for any period in the past five years.

I am your ob't servant, LON J. MOORE.

Steamer Movements.

The Pamlico of the O. D. line will sail tomorrw at 7 a. m. for Norfolk via Naga Head to give the firemen and party accompanying them a day trip through the sounds and an early arrival at Naga Head. See advertisement.

The Annie of the E. C. D. line ar rived Sunday with a cargo of merchandise. The Vesper of this line sailed yes terday afternoon with merchandise. naval stores and lumber.

Baseball.

The Star Baseball club crossed bats with the Uptowns | Wharf Rats at the depot grounds yesterday evening at 4 o'clock. Five innings were played resalting in 18 to 10 in favor of the Stars George Clark umpired

A Sad Case

drank it at one awallow. Since that him, he could not eat, and, so literally perished. The sorrowing parents have the sympathy of the community

P. H. Pelletier, I.sq. made a trip to Kinston yesterday on professional bue.

Capt Dan Roberts returned last night from the mountains.

Miss Corinne Harrison returned last night from a trip to Durham. She has been offered a situation as teacher by four of the leading towns of the State.

Roach's Large Contract. John Rosch's Sons, Chester, Pa., have received the contract to build a mammoth side-wheel steamer for the Old Colony Steamboat Company of New York. The contract price is \$1,500,000. The boat will be a counterpart of the Pilgrim, which was launched there five out license, judgment suspended on years ago. The new yessel, which will be known as the Puritan, will be 386 feet over all and 87 feet wide over guard the ability Jarvis has shown. 1 think line; her depth will be 18 feet 6 inches and from the top of her dome to the base tine will be 60 feet. She will be fitted with 258 staterooms and will have 200 fruits, and we judge a man by his suc-Rolfe, of New Brunswick, N. J. were berths besides. The Pilgrim and Puritan will be the two largest steamboats affoat. This is the most important contract that the Roaches have received since the award of the naval vessels, over four years ago, and the building close of the war, from which he retired of such an immense vessel will give work to hundreds of mechanics. creased work at the ship-yard will be of great advantage to Chester, and there is preat joy at the news of the contract. Only about 100 men are now simplicity in his style of employed at the yard .- Baltimore Sun.

What True Merit Will Do. The unprecedented sale of Boschee's German Syrup within a few years, has astonished the world. It is doubt the safest and best remedy ever discovered for the speedy and effectual cure of Coughs, Colds, and the severest Lung troubles. It acts on an entirely different principle from the usual pres given by Physicians, as it does not dry up a Cough and leave the higher order; his letters are models of amount of the purchase money. disease still in the system, but on the contrary removes the cause of the trouble, heals the parts affected and leaves them in a purely healthy condition. A bottle kept in the house for use when nine monitor.

The funeral will take place today at save doctor's bills and a long spell of serious illness. A trial will convince you of these facts. It is positively sold by all druggists and general dealers in the land. Price, 76 cts., large bottles.

Dispatches from various points in Illinois show that intense heat prevailed in nois show that intense heat prevailed in the central part of the State yesterday. At Lincoln the mercury reached 102 in the shade, and several prostrations were reported. At Carthage the same temperature was reached, with one or two perature was reached, with one or two procedulty invited to attend.
