----Savings Banks.

The General Assembly at its last seesion passed an act providing for the establishment of savings banks. We are glad to note that the subject is receiving some attention here, and we hope steps will be taken at once to open an institution of this sort. Anything that will encourage a boy to save up his and manage a little business of his own will prove beneficial in the end. It will teach him habits of industry, thrift and economy to have a bank account. If he carnes his little carnings in his pocker he is often tempted to spendar, and, with nothing definite in view, he soon his pocket is no good unless he can

spend it. Let a have the savings bank. Game Laws
