The last few days have been gradually growing warmer. The mercury reached 88 vesterday.

An exchange says that some kind friends took a sick and worn-out horse from Rev. A. D. Betts' stable and shot it. It was replaced by a sound animal.

A new ship yard has been constructed time being used.

A pleasant and social party took a evening, stopping awhile at Mr. John Dillard's. They report having had an enjoyable trip.

Two cases were before the Mayor yesterday, one for fast driving, fined \$5.00 and cost. Appealed to the Superior court. The other for indecent exposure on the street; fined \$1.00 and cost.

Wilmington, at the election on Thursday carried "subscription" to the Wilmington, Onslow & East Carolina Railroad, by a vote of 1049 to 301, or a majority of 748 of votes polled or 627 of votes registered.

R C. Baker, who does business on if the two he sent to this office are any community. specimens. They are of the "Cob Gem" and "Cuba Sweet" varieties and raised enterprise like this? This road will be on Bogue sound.

Serious Mistake.

Mise Ella Hanks, living on Griffith street, through mistake was given a dose of chloroform by one the househould yesterday morning. Dr. J. B Hughes was immediately summoned and gave medical treatment. She was thought to be out of danger in the evening.

Commercial Outlooks for New Berlie It becomes the business part of our population to weigh carefully every

ity that more railroade will be built. Alfons, VIII of Spain, wasa year old of Chateworth by running into a burn ever before.

making themselves the possessors of water treff every instrumentality for commercial A machine has been invented that another only a lady. Twenty dead States. To what does Goldsboro owe its prosperity but to rainroade? Lying

in the embrace of a perfect network of these mighty agencies, it has become the receptacle of a thousand inducements to mercantile and commercial developments, which it would otherwise never have known. And yet only a few years ago it was a little village without population, means or influence.

New Berne must have railroads north

and south of her. One of the best counties in the State, with an intelligent, industrious and prosperous agricultural community, and good lands prosperous county to our doors. If that quitted him on this plea.

road were built, the time would not be pleasant sail down the river Thursday long before an extension of it would be made to the Cape Fear, and to the north of us steel rails would soon be laid to the Roanoke, giving us the shortest, quickest and most perfect communica-

tion with the North. If not a dollar of large one, with eleven rattles the freight carried along this line were stopped at New Berne, in the increased facilities afforded to our truckers and business men, in the increased population brought to occupy our town with their capital, energy and business training, and in taking New Berne out of its present comparative security and placing it like a city upon the hill top. to become the "observed of all ob

servers," we should gain in every thing Broad street, handles fine watermelons, that goes to make up the prosperity of
