The Pamlico of the O. D. line arrived last night with a cargo of goods and will leave at noon today for Norfolk.

The Trent of the N. & T. S. line arrived from Trenton with a cargo of cotton. The Kinston and the Blanche of the same line left for points up Neuse onded with merchandise.

The Howard of Lassiter's line arrived

NEW BERNE, N.C., Sept. 20, '87, Mr. EDITOR:—This whole country com Maine to Texas is having reunions. In t you appoint a day and have a sunion of the battle of New Berne? Invite the soldiers from the North as rell as the South to gather once more a the battle field at New Berne and let us add our mite in bringing about that friendly feeling and brotherly love that a making its leating impression all over the union.

SOUTHERNER.

and our mite in bringing about that singly recling and brotherly love that making its lasting impression all over to union.

SOUTHERNER, We can not set the time without conting some of our fellow soldiers who is present an that memorable 18th of rock 1802. It would indeed be a manthing to meet our Northern friends to got the better of us on that account rejetce with them the field of dufest that the Union has an instanced and that we are again than and citizens of one common miry. If the soldiers of the North 1 South could meet on these old batter and become acquainted with another, Tuttle's and Fairchild's instance would seen be so palsied that

Green Manuring.

The author of the articles on "Green tive crop as millet.

These three crops protected and Manuring" is getting down to a practi- shaded the land nearly all the year. of ordinary intelligence who will read and study.

A friend who has for years taken a great interest in oyster and fish culture writes us to make another effort to have an ovster fair in New Berne this winter. We are ready to do our part. What we are ready to do our part. What Eighty-nine pupil say the oystermen, and those interested at Kinston College. in oyster grounds? Nothing can be done that would bring the oyster bottoms of Pamlico, Core, Bogue, Roanoke and other sounds, and the New river bottoms into greater prominence than an oveter fair in New Berne and an exhibition of the products of the various at the advanced age of thirty six years. bottoms. In addition to this, the fair might be made of great interest to those who desire to engage in oyster culture, by essays from those who have had practical experience in the business.

New Berne the coming winter, and it met with a hearty approval from many who were interested in the culture of came very much disheartened and lost all interest in the matter. Towards the latter part of the season, however, the oveters were fine and a splendid display might have been made. In order now to avoid a similar misfortune we suggest that a fair be held some time in February next. We would like to hear from the New river, Farr creek, Broad creek, Core sound, and others engaged in ovster culture, on this subject, and Important meeting at Y. M. C. A. also the brethren of the press in the oyster districts.

Jurors Drawn for the U. S. District Court, Fall Term 1887.

The following jurors were drawn yesterday for the fall term of the U.S. district court which convenes in New Berne on Monday, October 24th 1887. Jurors are not required to attend before Tuesday the 25th at 10 a.m.

Craven county: J. P. C. Davis, Edward Biddle, col., Edward K. Bryan, Davis and D. N. Kilburn.

Wayne county: Geo. Grantham, Il F. Yelverton, and J. G. Bagwell.

Onslow county : David S. Aman, James Laughlin, G. R. Venters, John A. Pittman, Major Russell, J. W. Mills.

W. N. Dennis and Henry A. Jarman. Pamlico county: W. W. Richardson and J. O. Baxter.

Carteret county: J. R. Franklin, Phillip Leffer and W. L. Arendall.

Greene county: H. D. Potter, J. F. McDougald, Joseph Sugg, W. F. Dail, We regret to hear that Mrs. Judge Jno. Murphy, Joseph Turnage and W.

Hyde county: Jordan McGowan. Lenoir county: B. Frank Sutton, Mr. Stockton Cook of Kinston was in (dead) D. M. Staunton and B. F. Par-

Jones county: Cyrus Foscue, Samuel Hudson, sr., F. F. Green, John Pearce, Pitt county: W. B. Bland.

Wilson county: Alvin Bagley, Jno. L. Bailey, Nathan Bass and Benj. Woodard, colored.

Edgecombe county: 8. C. Cooper and Lewis Knight.

Beaufort county: Jno. D. Myers, Decatur Jaryis and J. G. Chauncey.

# GREEN MANURING.

NUMBER 7. In the last article the statement was made that land needs rest from being cultivated and exposed to the sun, wind and rain, more than it needs rest from producing crops. The writer has just harvested the sixth crop from an acre The following communication is from a true Southerner.

New Berner, N.C., Sept. 20, '87, Mr. Editors.—This whole county to March and continued in March and cont

This experiment was begun Sept. 1st, 1885; two crops each of kale, beans and millet were produced in the two years ending Sept. 1, 1887.

It may be said that this plan of farming will be certain to ruin any land, and will wear it out in a short time, particularly when such exhaustive.

For the millet crop I plowed under throat and lung diseases the bean vines, which gave almost ten, tons of green manure, and which gave N. Duffy's drug store.

the best manuring for such an exhaus-

oal discussion of the subject. He is a Two green crops were plowed under each close observer and will be able to give year, (the bean yines and millet stubble) experiments that will benefit any farmer and two applications of commercial fertilizers. It required both, green manures and fertilizer in order to obtain such profitable results. Another crop of kale has been planted on the same land.

Records of other crops and experiments will be given in future articles.

The Constitution has ity to honor him.

As Prof. Mangum was returning Friday night from a sociable at Mr. John Tull's he noticed a bright light on the western borders of town. It was about half past twelve o'clock. As he drove into Queen street he saw that the fire was at the steamboat wharf. He at once gave the alarm and continued so to do until he reached Mr. Green Harper's livery stable. The fire bell then announced the news to the sleeping township last week. citizens. The fire engine was out at once, but little could be done. The fire to have originated in or near Mr. Amos Harvey's turpentine still. The still was consumed with twenty barrels of turpentine in it. A few chords of fire wood on the yard were also burnt. One of the warehouses of the Neuse and Trent line was consumed with contents-100 bags of salt. The large warehouse of the company was uninjured. owing to the strenuous efforts of many friends. Ten feet of Parrott's bridge Protestants. Our town believes in near the still was burnt and charred; churches and schools. it has been repaired. No cause of the fire is ascertained and there is no reason to suppose that it was the work of an incendiary. Your reporter has never secome aware of the fact that Mr. Harvey had an enemy in the world. He is one of our very best citizens, and his loss is very much deplored by all our citizens. The loss of Mr. H. is estimated variously at from \$500 to \$1,000. No insurance on still. There were about eighty bales of cotton lying very near the still, but no damage was done to it. done to it.

Their Business Booming.

Probably no one thing has caused such a general revival of trade at R. N. Duffy a drug store as their giving away to their customers of so many free trial bottles of Dr. King's New Discovery for Consumption. Their trade is simply enormous in this very valuable article from the fact that it always cured and never disappoints. Coughs, colds, asthms, broughits, croup, and all throat and lung diseases quickly cured. Every bottle warranted. For sale at R. N. Duffy's drug store.

S. D. Pope, representing the Hartford Life and Annuity Insurance Company, has been in our place for some days in the interest of his company.
