Last day of September.

A refreshing shower of rain yesterday  
morning.

Who will help us to inaugurate an  
oyster fair?

The grocer, E. B. Hackburn, offers  
butter fresh from the dairy.

The revenue cutter Steven is on  
Howard's ship ways for repairs.

The planned oysters from Core sound  
are better than for several years.

Warm day yesterday. The ther-  
mometer at the JOURNAL office regis-  
tered 89°.

Loads of crab grass hay can be seen  
daily on our streets. It sells at from  
thirty to forty cents per hundred.

The board of trustees of New Berne  
Academy will meet at the President's  
office on Craven street this evening at 4  
o'clock.

J. R. B. Carraway gives an important  
notice in this issue to the subscribers of  
the New Berne Building and Loan As-  
sociation.

J. A. Meadows' grist mill is now  
turning out over two hundred bushels  
of meal per day. It will soon be up to  
its capacity before the fire.

The Wilmington Review is out in a  
new dress and is much improved in ap-  
pearance. It is the evening daily of  
Wilmington and a good paper.

Every member of the Y. M. C. A. is  
requested to attend the meeting tonight  
as not only is the regular business for  
the month to be transacted, but the  
election of officers and appointment of  
committees for another year.

About one hundred and fifty children  
have already been enrolled for the  
graded school which opens next Mon-  
day. Those who enter must present a  
certificate of admission from the Sec-  
retary and Treasurer, W. M. Watson.

Messrs. E. H. & J. A. Meadows have  
completed their large warehouse for the  
fertilizer factory and have received  
several cargoes of material to operate  
on. They will be able to supply a large  
demand for first class manipulated  
fertilizers.

The piles of boxes constantly being  
opened in front of E. B. Duffy's store  
indicate that he is receiving an unusu-  
ally large stock which is constantly being  
distributed by outgoing boxes. He is  
doing an extensive wholesale business  
and will be the readers of the JOURNAL  
hear from him in a few days.

The "Presidential Amusement" will  
be repeated at Stanley Hall tonight. "An  
Ancient Evening Party, a Modern Cake  
Walk" and awarding two cakes, will  
be the features this evening. There  
will be music by the band and vocal  
songs by the Amateur Glee Club. This  
amusement is given by a number of  
well educated citizens for the purpose of  
raising a fund against one of their  
members. It is a good entertainment  
and the object a worthy one.

### The Oyster Fair Again.

At the Cotton Exchange meeting on  
Wednesday night, when the resolution  
to appoint a committee to go to Jack-  
sonville in the interest of the scheme to  
build a railroad from New Berne to  
Wilmington was under discussion, Mr.  
T. A. Green made a vigorous and timely  
speech for New Berne in which he  
spoke a word for the oyster fair. He  
had seen Mr. Patrick, commissioner of  
immigration, recently and had talked  
with him concerning the business out-  
look and how to give New Berne a  
boom, and he was anxious to assist us.  
He, Mr. Patrick, was strongly in favor  
of holding an oyster fair and was sure  
he could secure very low excursion  
rates from Northern points here.

We were glad to hear Mr. Green talk  
upon the oyster fair as it has been a  
pet scheme of the JOURNAL for some-  
thing over a year. We gave it up last  
fall because the oystermen reported  
early in the season that the prospects  
were unpromisingly bad. But this  
year they report the outlook good and  
we shall insist on having the fair. The  
lower floors of the McLean building on  
the corner of Craven and Pollock  
streets would be a capital place to hold  
it. One room could be used for the  
exhibition of oysters and fish and the  
other could be used for other exhibits.  
Our ladies will come to the rescue and  
show their skill in drawing, painting,  
taxidermy, &c.

One or two hundred dollars will pay  
the cost of the whole thing, including  
premiums offered, and it may be worth  
thousands to New Berne.

### Personal.

Mr. F. Ulrich has returned from the  
North and is receiving a heavy stock of  
groceries and other goods in his line.

Mr. James A. Bryan left yesterday  
morning for New York.

Sheriff C. H. Foy of Jones county,  
was in the city yesterday.

Mrs. E. H. Claypoole and daughter  
returned from their mountain visit last  
night.

Mrs. W. P. Burrus returned from a  
visit to her father in Bertie county last  
night.

Rev. Dr. Whitfield has returned from  
Richmond.

Messrs. J. A. and Thomas Meadows  
are on a business trip to Baltimore.

Improvements in the City.

Major Hughes' residence is being re-  
paired.

Mr. J. F. Ivcs is having his dwelling  
repaired and painted.

Mr. George Bishop is building an ad-  
dition to his dwelling on the corner of  
Hancock and Neuse.

Capt. A. B. Powell has recently re-  
paired his residence on Middle street.

### A Farmers' Dinner.

The farmers in the neighborhood of  
Croatan had a grand barbecue at Long  
Lake yesterday. The editor of this  
paper had an invitation which he in-  
tended to avail himself of but circum-  
stances beyond his control prevented.  
It would have been a pleasure to us  
to have met the farmers of that section  
and helped them out with that barbe-  
cue. A farmer's dinner is mighty  
tempting to a city editor, specially one  
who has spent the greater portion of his  
life on a farm, and we say now, unless  
prevented by sickness, death or some  
other misfortune another such invita-  
tion shall not pass unheeded.

### Steamer Movements.

The Carolina of the Snow Hill line  
arrived from Jolly Old Field with a  
cargo of cotton.

The Howard of Lassiter's line ar-  
rived from up Neuse with a cargo of  
cotton.

The Trent of the N. & T. S. line leaves  
this morning for Trenton with a cargo  
of goods.

The Eaglet of the E. C. D. Line ar-  
rived yesterday morning with a cargo of  
merchandise and will sail this afternoon  
at 4 o'clock. The Annie of this line  
will arrive tomorrow.

### The Outlook for Oysters.

The oysters brought to market now  
are in much better condition than usual  
at this season of the year. Three boats  
were in the market dock yesterday  
from Core sound and one from Terrapin  
Island. The Core sounders report that  
they are in better condition than for ten  
years, and that the canning oyster will  
be ready for use earlier than usual.  
The Terrapin Island men reports that  
they are as good as usual and much  
better than last year. We hope these  
reports will be verified by others and  
that the canning business will begin  
earlier than usual this season.

The Atlantic Hotel syndicate passed  
up from Morehead City yesterday morn-  
ing, and were breakfasted at the depot  
from Hotel Albert. Morehead is de-  
signed to become the summer resort of  
the South. The hotel is in the right  
hands to make it so.

### A Snake Story.

Freeman Ernul, Esq., vouches for  
the following snake story: Mr. Fred  
Gaskins, living on little Swift creek,  
while throwing up compost a few days  
ago broke into a nest of twenty-four  
sting snakes and he succeeded in killing  
the batch but says he is done throwing  
compost until the weather gets cold  
enough to drive the snakes into winter  
quarters. There was one grown snake  
and twenty-three young ones in the lot,  
the young ones measuring from eight  
to ten inches in length.

### Pardons Refused.

The Governor yesterday considered  
an application for pardon from Craw-  
ford Walters who is now in prison for  
slandering an innocent woman. This  
is the man who was tried before Judge  
Clark at August term of Columbus  
county Superior Court on the above  
charge, of which he was convicted, and  
he was sentenced to twelve months  
imprisonment and fined \$1,000. He  
was a man of very good standing in the  
community before this sentence and the  
result of the trial created much  
interest and aroused some excitement.  
Walters took an appeal and was granted  
a rehearing after which he was fined  
the costs of the trial and sentenced to  
eight months imprisonment. This sen-  
tence he is now serving out and the  
Governor could find nothing in the case  
to justify a pardon.

An application for pardon from Al-  
fred Gibson, col., was also considered  
and refused. Gibson was tried for  
burning a mill at the fall term of Guil-  
ford county Superior Court, 1880, con-  
victed and sentenced to thirty years in  
the penitentiary. It appears that he  
broke into the mill of Mr. Foust, of  
Guilford county, took therefrom a  
quantity of flour, meal, grain, &c., and  
then burned the mill and machinery  
which was all new and worth \$4,000.  
In the examination of the case, the  
Governor learned that Gibson, in the  
opinion of some people was a bad char-  
acter and dangerous to any community,  
and the pardon was therefore refused.  
Gibson conducts himself well in the  
"pen," and it is said, is sometimes  
entrusted with the keys to the gates—  
News and Observer.

### The Yacht Race—The News Abroad.

LONDON, Sept. 27.—The yacht race at  
New York excited little interest in  
London except in the city proper,  
where large crowds assembled early in  
the evening around the bulletin boards  
at the cable office, dispersing, how-  
ever, before the result was announced.  
Yachting men were interested, but the  
public paid no special attention to the  
race.

On the Clyde, where the people were  
keenly interested in the event, betting  
was in favor of the Thistle. Cable dis-  
patches were published in the afternoon  
saying that the Thistle would certainly  
win.

A letter from a member of the This-  
tle's crew was quoted, in which the  
writer says: "The Americans may boast  
about the Volunteer, but their yachtm-  
en know she has no chance."

The victory of the Volunteer sur-  
prised the club men who were awaiting  
news of the race. The result will be a  
bitter disappointment to Scotch yachtm-  
en.

GLASGOW, Sept. 27.—It has been de-  
cided to give the owners and designers  
of the Thistle a public banquet on their  
return home, whether the yacht wins or  
loses the races for the America cup.

### Anarchist Neebe at Work.

JOLIET, ILL., Sept. 27.—Oscar W.  
Neebe, the anarchist, spent last night in  
a solitary cell. He was taken out this  
morning and put through the usual  
prison preliminary transforming him  
into a full-fledged convict. He was  
assigned to labor in the harness shop  
under the registered number 8,878. His  
sentence is 15 years.

### NEWS NOTES.

Cardinal Gibbons arrived in Chicago  
Tuesday, where he is the guest of Arch-  
bishop Feenhan.

The Farmers' Review of Chicago es-  
timates the corn crop of 1887 at about  
thirteen hundred million bushels.

The Chicago, Burlington and North-  
ern has given notice of withdrawal  
from the Western and Northwestern  
railway freight bureau.

The mutiny of the convicts at the Coal  
Creek (Tenn.) mines was suppressed  
Saturday by shutting off the ventilation  
which forced them to yield.

The Cigarmakers' International Union  
at Birmingham N. Y., Tuesday adopt-  
ed resolutions protesting against the  
abolition of the internal revenue taxes.

The meeting in Faneuil Hall, Boston,  
Tuesday night to appeal for justice to  
the condemned anarchists in Chicago  
was rather thinly attended, a few  
women being in the audience.

The question of admitting a woman  
as a lay delegate will be presented in  
the next General Methodist Conference.  
The Nebraska Conference having elect-  
ed Mrs. Angie Newman a lay delegate.

The steamer State of Nebraska which  
arrived in New York Tuesday morning  
from Glasgow had on deck a yacht  
which is to have an electric motor.

Up to Tuesday the actual returns on  
the petition for clemency to the con-  
demned anarchists showed about 1,000  
signatures. On the list for preachers  
are the names of 120 prominent dis-  
senting ministers.

Nine Indians of Buffalo Bill's Wild  
West Show arrived at New York from  
England Tuesday on the steamer Wy-  
oming. The Indians came home, they  
said, because the English climate did  
not agree with them.

The large wholesale liquor house of  
Adams, Smith, Sherwin & Co., Chicago,  
was closed by the sheriff Tuesday un-  
der an execution. The firm is the  
branch of a large house in New York.  
It has been doing a business of about  
\$600,000 a year. Mr. Smith said he be-  
lieved the action was due to financial  
trouble of the Eastern house.

Sheriff Wm. Melvinton and party met  
Jno. Graham and Charles Blevins, out-  
laws, in Pleasant Valley, Arizona, last  
Thursday. The sheriff ordered them to  
surrender, which being refused, both  
were killed. The sheriff now has a  
posse of seventy five men, and says that  
the Tonto basin must be righted. All  
the Tewksbury faction not killed have  
surrendered to the sheriff. Only one  
of the Graham men is alive, and he is  
wounded.

Ex-Commissioner Wren, the convict-  
ed hoodler, was brought into court in  
Chicago Tuesday on a writ of habeas  
corpus, which, if sustained, would lib-  
erate not only him but all of his hoodle  
comrades. His attorney claims that  
section 46 of the criminal code was re-  
pealed by an act of the Legislature at  
its last session, when a new conspiracy  
act was passed, without any saving  
clause, however, and that, therefore,  
Wren and the other hoodlers were tried  
and convicted under an act which did  
not exist. The case was postponed till  
Friday.

### FOREIGN NEWS.

EVICTED AND BEATEN WITH GUNS.

LIMERICK, Sept. 27.—Military and  
police were present today at the evic-  
tion of Michael Lane and family from  
their holding on Col. Meadows' estate at  
Ardnacrusha. The Lanes made a  
stubborn resistance, and during the  
struggle Mrs. Lane, with a poker, split  
open the skull of Inspector Riley, who  
was directing the work of eviction.  
Mrs. Lane, her husband and brother  
were arrested. When the family were  
finally overcome by the police their  
arms were held and they were beaten  
into a condition of non-resistance with  
the butt ends of guns.

### ENGLISHMEN JOINING THE IRISH LEAGUE.

DUBLIN, Sept. 27.—At the fortnightly  
meeting of the Irish National League in  
this city today many Englishmen were  
enrolled as members. Lord Mayor Sul-  
livan, who presided at the meeting, de-  
clared that the government's attempt to  
suppress the league was a dismal fail-  
ure. All the affairs of the organization,  
he said, were in a prosperous condition.  
Mayor Sullivan congratulated the mem-  
bers upon the fact that every proclaimed  
branch was continuing to hold meetings  
as usual.

### DEFEATING THE PLAN OF CAMPAIGN.

DUBLIN, Sept. 27.—The Irish land-  
lords' executives have hit upon a new  
method to check operations under the  
plan of campaign. They are attaching  
the banking deposits and company  
shares of non-paying tenants. In the  
Dublin courts today the judges granted  
writs of attachment against the shares  
of three tenants in public companies.

### RAILS REMOVED AND WHEELS CUT.

CORK, Sept. 27.—A number of the  
rails on the railway between Cork and  
Youghal, which the police must trav-

estate from Cork for the purpose of  
aiding in the evictions, to be executed

there today, were torn up last night.  
The telegraph wires were also cut.

### THE RIOTS AT PONAPI.

MADEIRA, Sept. 27.—The riots on the  
Island of Ponapi, in the Carolines, oc-
