## THE JOURNAL.

**A Sty and Crafty Young Queen.**  
The young Queen of Spain, who spent a part of the summer at the sea side, employed an ingenious device to avoid the gaze of the crowd while she took her daily bath. She sent one of the ladies of her court, wearing a bathing dress exactly like her own, into the water first, and ordered the attendants to pay her all the respect and homage usually offered to herself. Thousands of spectators gazed upon the scene while this lady sported in the waves, and dispensed as soon as she vanished, dripping, into the bathinghouse. Then the queen herself entered the water, and enjoyed her bath in peace. Thus all parties were pleased, even to the lady who acted as queen for twenty minutes.

**Bucklen's Arnica Salve.**  
THE BEST SALVE in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblain, Corns, and all Skin Eruptions, and positively cures piles or no pay required. It is guaranteed to give perfect satisfaction, or money refunded. Price 25 cents per box. For sale by R. N. Duffy. dec16 1v

The beauty of American women often puzzles foreigners, who cannot account for it. One ingenious lady of foreign birth has produced the theory that the reason that Americans have such good forms is that their restlessness and nervousness prevent their being long in one position, so that any defect is not likely to become fixed.

**Distress After Eating.**  
The result of indigestion will no longer be experienced if Simmons Liver Regulator is taken after each meal. It is such a good digester, and so mild and pleasant in its effect that it is used by many after a hearty meal, to insure good digestion. The Regulator does not nauseate or irritate the stomach, but corrects acidity, dispels foul gases, always irritates, and assists the stomach in its digestion.
