North winds and high tides prevail

The large boiler constructed at Willis & Edwards shop for Mr. K. E. Terry's steamboat for Whiteoak river, was taken to the wharf yesterday for ship

number but the figure 2 was dropped fair and equitable terms, in the event light at Wilkinson's Point the steamer

are low. He has long made a specialty outlet for two great lines of railway of the Battle shoe which is bringing itself into renown as a good but low- to West and Southwest, and from the priped shoe.

Toe A. & N. C. R is now bringing in heavy freights of cotton which the E. C. D. line is taking forward promptly. Seven hundred and ninety bales were brought in yesterday which with that brought in by the boats and on carts and wagons made over one thousand bales brought to this port yesterday.

Col. Cook Talcott of New York, is in the city on a visit to Capt. S. H Gray.

## Schooner Arrivals.

The Addie Henry, Capt. Hill, from Philadelphia with a cargo of coal for Geo. Allen & Co.

The John R. P. Moore, Capt. Gaskill. from Philadelphia with a cargo of coal for Wilmington.

## Steamer Movements.

at noon for Norfolk.

The Trent arrived from Trenton yesterday evening with a cargo of The Howard arrived yesterday from

Trenton with a cargo of cotton. The Newberne of the O. D. line arrived last night and will sail Monday

The Annie of the E. C. D. line sailed yesterday will a full eargo of lumber Monday morning. The Vesper of this denied the right of any business connecto attendall the services of this church. Amanda Oglesby vs. George T. Oglesby and cotton. The Eaglet will arrive line, undergoing important alterations at Wilmington, Del., will resume her trips on the line the latter part of next

## List of Letters

Argus of the 14th inst "We greatly fear that our friends in ties, as well as individuals equeal but we do not want to run a candidate ness standpoint the fallery of this ch. This is all the politic sthere is it. jection. To meet objections like this ARRETT'S Medoc Vineyard Cognac threats of political damnation. We, and Wines for sale, at Manufactu therefore, ask our valued contempo

EXTENSION AND POLITICS

street and vicinity Friday night. Some then? Is the State's interest in the carly as practicable. N. C. R. depreciated r. Not at all. On the officer also writes that for two the distribution appreciated by:

The officer also writes that for two the limb trace. Trees large bottles. the other hand it will be appreciated but then but in a position to had for the N. C.R. in a position to had for the N. C.R. in a position to had for the N. C.R. structing a new light station, but none could not be made to believe that when the lease of the K A D, expires, has as yet been made. Our market report yesterday morning showed only 40 bales of cotton sold on Friday when it should have been 240. The proof sheet showed the currect number but the figure 2 was dropped like and equitable terms, in the event fair and equitable terms, in the event like as yet been made. How F. K. States made to believe that the Was going to do. This is not at all strange. There are several ammatter. It is important that the light should be re-established at once, and name to be made to believe that they have been dead politicials for some that it is not re-leased to the R. & D In this issue can be found the adver By this arrangement there would be a tisement of Max Schwerin which con future for Marchead City as bright and

tains a brief sketch of a portion of what promising as Dr. Caldwell ever dreamed he has in store, and the prices mentioned of, in that it would become the ocean extending through the State from East Southeast to Northwest. By this extension, the probabilities of enhancing the State's interest in the N. C. R. are much stronger than the chances of de-

preciating it. As to the political aspect of the matter | Services in the Methodist Church at chase of a cooking stove, for, said he, Jos, K. Willis Superintendent. there is political economy in it if noththem by the powers that be. Our peo- to attend these services. ple have been patient and long suffering under many acts of gross injustice lican administration, aided and encouraged by a few interested Democrats, the N. C. Railread was leased to a corporation whose interests were foreign to Eastern Carolina, and the State's interest, that of the private stockholders and people of this section, in the A. & N. C. R. was not considered for a moment. As soon as the N. C. R. passed into the hands of this corporation a change of guage was made tion with the people beyond Goldsboro.

Our corn trade which amounted to near a half million of dollars annually was almost entirely diverted, for no dealer could afford to ship corn to any point on the N. C. R. at the expense of trausfer at Goldsboro and pay the rates de-e. Graven county, N. C., Oct. 16th., manded by the R. & D. When the A. Blount, Capt. Jno. W. Bell. Best and he began an extension, he sea Blount, Capt. Jno. W. Bell, Igli. Simon Joyes. Thomas S. R. B. Machan, Edmund More. Kittie Nalson, Mary Owens, Pullary. Fertie Street, David Iams, Ella Whitford, Peter schr. August Flower. calling for above letters, will from the field than the old embargo on corn via the A. & N. C. H. was reestablished and give date of list.

lished, Our friend, the Argus, will now

see that it is not a matter of politice. The following is from the Goldsbero with us but one of dollars and cents-

TOILET SOAP, Imported Bay Ram, given to pointes. They are determined as much politics in this matter as the town since a nine lad entered the as much politics in this matter as the town since an i pent. less at let of in Water, Shoe Brushes, Scrub Brushes, R. R. and in order to get it they are people of New Berne. Here are the the market place an object of wonder Wisp Brooms. Hearth Brooms. Shoe breasing, Stove Polish. Silverene. Covernor on that platform. We are equal-laundry Starch. Washing Soda, Bath by anxious to have the road extended Governor on that platform. We are equal-ernor all standing on the Democratic han chefter and he had to then, in the platform the planks are all in the plat burranks. In a few weeks several fam. on a platform of that sort and with but form and they all stand solidly upon it. thes were seeking the home rail to issue FULTON MARKET Cornel Beef just that one plank in it. The truth of the In looking over the number the Argus the young proplet and the dela term matter is that if we can show to the present Governor or to any other man. Just received at Js. Duss's present Governor or to any other man likely to be Governor that it will be an of that Extra line Butten which appearage to the State or to any oon whole duty towards every section has a front be War it in the Manual appearance to the State or to any oon whole duty towards every section has a front be War it in the Manual appearance to the State or to any oon whole duty towards every section has a front be War it in the Manual appearance to the State or to any oon whole duty towards every section has a front be War it in the Manual appearance to the State or to any oon whole duty towards every section has a front be War it in the Manual appearance to the State or to any oon whole duty towards every section has a front be War it in the Manual appearance to the State or to any oon whole duty towards every section has a front be well appearance to the State or to any oon whole duty towards every section has a front be well appearance to the State or to any oon whole duty towards every section has a front be well appearance. JUST RECEIVED—A few tuts more of that EXTRA Five Bitties which spyantage to the State of to any containing the state of the State of to any containing the state of the State A NEW Stock of Oil Stocks and other situation. Argument will discount towns but simply by seeing that justice. We understand the a interface that he structure threats any day with a brave and sen is done her others on the same platform. threats any day with a brave and sen is done her others on the same platform are tarrivelection the fen his oil but was returning to the fen his oil is done her others on the same platform but was returning to the fen his oil is the for their sections of the State even extension of the A & N C, and we though they would have to make a feet the incesting when a gen though they would have to make a feet the incesting when a gen doubt not that these will appear suf- ball of Goldeboro. I inter these circuit. Activy asked how where he was going he sent to our present excellent (how stances we unhesitatingly say that the and finding the post lad had. Nowhere ernor. We can conceive of but one teason against the proposition which would be likely to have any weight with the Governor and that is that the is just the fix the people of New Hottle. Breakly to have any weight with the Governor and that is that the is just the fix the people of New Hottle. building of a road from here to Fayette are in. We do not wish to be kept Young it sphel in flood house would not ville or Sanford might lessen the value of the State's interest in the N. C. R. R. between this point and directsors.

We do not wish to be Eq.(

Some proper in the Note than some would be consent to have him lesse than and so the State's interest in the N. C. R. R. with the trade that reducibly belongs to family. This youth some point and directed to other points morely for the interest of the rest in the case which the us directed to other points morely for the interest of the rest. The interest is a surface of the sand of the sand of the consent to have him lesses them and so the consent to have him lesses them and so the consent to have him lesses than and so the consent to have him lesses than and so the consent to have him lesses than and so the consent to have him lesses than and so the consent to have him lesses than and so the consent to have him lesses than and so the consent to have him lesses than and so the consent to have him less than and so the consent to have him less than and so the consent to have him less than and so the consent to have him less than and so the consent to have him less than and the consent to have him less than a subject to have him less t to vernor will consider, and it is well the purp so if waiting to so if the lit was body well at the first so if the purp so if waiting to so if the lit was body well at the time that is all fortify ourselves with substantial grant.
