ton, lumber and oil.

### Admitted to Bail.

Our information from Trenton is that

Willis Venters, charged by the coron-  
er's jury, gave bond in the sum of five  
thousand dollars for his appearance at  
the next term of the court.

Brooklyn, N. Y., are in the city visiting  
the family of Mr. C. E. Foy.

W. T. Caho, Esq., of Stonewall, is in  
the city.

O. H. Guion, Esq., returned from  
Jones Superior Court last night.

### Goes to Jail Voluntarily.

The following item is clipped from  
the Washington Progress. Mrs. Lincke  
was sent to jail last summer as an ac-  
complice in the murder of her husband,  
and was released on bail by Judge  
Shepard upon a writ of habeas corpus.  
Mrs. Lincke came up last week and  
requested her bondsman to surrender  
her to the sheriff, stating that she  
wished to spend the intervening time  
until court in jail. We have not learned  
the motive prompting this action.

### Bitten by a Horse.

Mr. Henekiah Davis, from near  
Tuscarora, called to see us yesterday  
with his right arm in a sling, and in  
answer to an inquiry as to the trouble  
informed us that while throwing in feed  
to the horse of the minister who was  
stopping with him, the animal, in  
a fit of anger grabbed  
his right wrist with his teeth  
and crushed down upon it sending  
them to the bone. While no bones  
were broken it is a very painful and  
severe wound.

If we would have powerful minds,  
we must think; if powerful muscles we  
must labor; if sound lungs we must  
take Dr. Bull's Cough Syrup. Price 25c.  
For cuts, bruises, sprains, burns,  
scalds, frostbites and chilblains nothing  
equal Dr. Bull's Ointment. It annihilates  
pain. Price 50 cents a bottle.

### Not Satisfied With the Court.

Flora Bryan, col. and mother ap-  
peared at the Journal office yesterday  
to give an account of a fight between  
her and one Merchel Thompson which  
occurred on Monday and was tried  
by justice E. G. Hill on Tuesday. She  
says "Merchel," though one of the  
shouting members of the church, cursed  
her scandalously, and in turn she,  
Flora, shook her fist in "Merchel's"  
face and dared her on to mortal combat.  
There was not much blood letting, but  
the case got before justice Hill and  
Flora's part of the fun cost just \$4.25.  
But she is of the opinion that the justice  
has made a mistake, that "Merchel"  
was the proper one to pay the fiddler,  
not her.

Justice Hill heard both sides of it  
while Flora could see only one side.  
We think it safe under the circum-  
stances to take the justice's decision as  
the correct one.

### Store Robbery.

On Tuesday night some thief or  
thieves entered Mr. J. F. Taylor's store  
on Middle street by breaking a window-  
pane, and took out the cash in the  
drawer, two barrels of flour, some meat,  
dry goods and other articles of mer-  
chandise. The entrance was made into  
the door of the apartment in charge of  
Mr. Davenport and the goods were  
taken out the back door of the apart-  
ment superintended by Mr. Taylor.  
Two money drawers were broken open  
and five or six dollars in pennies, nick-  
els and other small change taken out  
with the other goods.

Watchman Hill says he went down to  
the store a little after ten o'clock and  
found the glass broken and a barrel  
standing at the place, but he came to  
the singular conclusion that the thief  
had gone in and got what he wanted  
and left. Later he put a colored man  
to watch the store and went to inform  
Mr. Taylor's clerk, who says he arrived  
about 2 a. m. Mr. Bray, the clerk, and  
Mr. Davenport went down and found  
the back door of the store open and the  
goods mentioned above gone.

### The Railroad Project.

We announce this morning the com-  
mittee required by the resolutions  
adopted at the public meeting held in  
the court house last Friday night to  
present the matter of calling an election  
on a subscription of sixty thousand  
dollars to a railroad to Onslow county  
and forty thousand to a railroad to  
Washington, to the county commis-  
sioners at their next regular meeting. The  
unanimity with which these resolutions  
were adopted, and the number present,  
many of them among our largest tax  
payers, is sufficient to justify the county  
commissioners in ordering the election,  
even though they themselves  
should individually oppose a subscrip-  
tion. When they order an election the  
matter can be thoroughly discussed,  
and if it can be shown that it is not to  
the interest of the people to aid in the  
construction of these lines, then the  
people will vote it down. On the other  
hand if it can be shown that such lines  
of railway will secure to the city of  
New Berne an advantageous position on  
the new coast line of railway and make  
it a central point for the distribution of  
the grain of our Eastern counties, put  
us on a great through line from North  
to South, and infuse new life into this  
entire section they will vote for it.

We are not afraid to trust the people  
on this question; we hope the commis-  
sioners will give the committee a  
hearing and submit it to the people.

### Committee Appointed.

The public meeting held at the court  
house on Friday night last adopted the  
following resolutions unanimously:

Resolved 3. That it is the sense of this  
meeting that the county of Craven  
should subscribe sixty thousand dollars  
to the construction of a railroad from  
New Berne to New River in Onslow  
county, there to connect with a rail-  
road about to be built from there to  
Wilmington; and that said county  
should also subscribe forty thousand  
dollars to a railroad to be built from  
New Berne to Washington, N. C., there  
connecting with a line of rail and water  
transportation (now nearly completed)  
to Norfolk, Va., thus creating a through  
line of coast railway from the great  
cities of the North via New Berne.

Resolved 4. That a committee of fifteen  
be appointed to wait upon the  
Board of Commissioners of this county  
at their next monthly meeting, and re-  
quest that body to submit to the people,  
upon such terms as may be agreed upon  
between them and the authorities of  
the Eastern Carolina Land and Railway  
Company, a proposition for the said  
county to subscribe the said sums of  
sixty and forty thousand dollars to said  
railroads, respectively.

said to be in Tull street, and find that it  
does stand in the street and recommend  
its removal.

R. P. Williams moved to authorize  
the committee to investigate and ascer-  
tain if Tull street is a public street.  
A motion to table the resolution was  
lost and the original motion adopted.  
The Mayor stated that he had been  
unable to ascertain whether the city  
could obtain quarters in the county jail  
or not, because the sheriff had not com-  
municated with the board of county com-

regard to renting the property recently  
purchased to the Athenians to the  
same stock. Ayes, J. V. Williams, B. B.

mittee on fire department be empow-  
ered to act on the rent of the Oddfel-  
lows Hall for the New Berne S. E. L.  
Co., which was carried.

Whitley be allowed to pay his license  
tax with vouchers for service. Carried.

Mr. J. F. Taylor was on motion of V.  
A. Crawford, allowed to make addi-  
tion to his iron building on Middle street.

The Marshal was authorized to pur-  
chase shells necessary for the streets.

On motion of R. P. Williams, the  
Mayor and finance committee were em-  
powered to perfect the purchase of the  
property from Mr. Geo. Henderson, as  
to title and mortgage.

A communication from the Button  
Fire Engine Co. in reference to note due  
on purchase of engine was read, and  
the treasurer instructed to telegraph  
the Button Co. for an extension of 90  
days' time on the note.

J. V. Williams moved that the tax  
collector be authorized to take city  
vouchers in payment for taxes now  
due, which was carried.

The bills rejected by the board while  
under injunction were taken up and  
allowed by a five to three vote, Coun-  
cilmen R. P. Williams, S. H. Lane and  
H. P. Kennedy voting nay. Clark &  
Clark's bills were allowed by the same  
vote.

A bill from the Atlantic engine com-  
pany was referred to the company.

On motion of R. P. Williams the  
clerk was instructed to issue vouchers  
in advance for the pay of the drivers  
for the two fire engine companies from  
month to month until the treasury is in  
a condition to pay the cash.

The regular bills were allowed.  
Mayor Meadows was excused and  
Councilman R. P. Williams called to  
the chair.

Councilman Kennedy was excused.  
Minutes were read and adopted. Ad-  
journed.

SILAS FULCHER, City Clerk.

### To Ginner.

New Berne Cotton and Grain Ex-  
change requests Ginner of Cotton to  
leave off Side Strips when packing, as  
in Norfolk and other markets bales  
with Side Strips on are subject to a de-  
duction in weight.  
New Berne, Nov. 3d, 1887.

### A Card to the Public.

I have received a letter from Adju-  
tant General Johnstone Jones in which  
he states that the Governor declined to  
receive the Hamilton Guards, a military  
company organized, with myself as  
Captain. I wish to state to the Governor  
that the men of this company are law-  
abiding citizens, have always shown  
themselves as such, and are entitled to  
consideration by any Governor, of this  
or any other State or of the United  
States.

or stop the running. I used Darby's  
Phonylic Acid Fluid and found a speedy  
cure. Have also tried it in several other  
cases and it proved effectual."—S. P.

Catholic priest, whose election to the  
parish of the thirty-third ward  
public school in Pittsburg caused such  
a stir recently in religious circles, has

### U. S. Troops Moving Against the Hostiles at Crow Agency.

ST. PAUL, MINN., Nov. 1.—The  
Pioneer Press' Fort Custer special  
says: Orders have been issued for  
troops to move today.

A courier from the Crow Agency re-  
ports a large and very noisy gathering  
of Indians near the Agency, and In-  
dian war drums could be heard last  
night all along the Big Horn river. The  
Indians are all ordered to be in camp  
Friday night, and all out after that will  
be treated as hostiles. The troops are  
in high spirits.

### Enjoy Life.

What a truly beautiful world we live  
in! Nature gives us grandeur of moun-  
tains, glens and oceans, and thousands  
of means of enjoyment. We can desire  
no better when in perfect health; but  
how often do the majority of people  
feel like giving it up disheartened, dis-  
couraged and worn out with disease,  
when there is no occasion for this feel-  
ing, as every sufferer can easily obtain  
satisfactory proof that Green's August  
Fever will make them free from dis-  
ease, as when born. Dyspepsia and  
Liver Complaint are the direct causes of  
seventy-five per cent. of such maladies  
as Biliousness, Indigestion, Sick Head-  
ache, Costiveness, Nervous Prostration,  
Dizziness of the Head, Palpitation of  
the Heart, and other distressing sym-  
ptoms. Three doses of August Fever  
will prove its wonderful effect. Sam-  
ple bottles 10 cents. Try it.
