corner of South Front and Middle. We have a communication from Mr. Wm. H. Oliver which will appear to

Another cargo of steel rails has arrived for the A. & N. C. R. A discussion of an extension does not hinder the

work of improvement rie arrived vesterday with material for

Meadows' fertilizer factory The steamer Trent has been disconwill discontinue on the Neuse and devotes its entire time to the Trent river

The Monjohn Concert Club No. 1 gave some delightful music in front of the JOURNAL office last night. They have some splendid voices and give a good

entertainment. An effort is being made by the Y. M. C. A. to get Dr. R. L. Abernethy, President of Rutherford College, to deliver his lecture on "The Human Soul and Mind" in this city next Monday night. The doctor has delivered this subject at a number of places and spoken of very highly. If he comes we think New Berne will give him a good audience. Definite information will be furnished tomorrow.

Steamer Movements.

The Vesper of the E. C. D. line sailed esterday with a cargo of cotton and lumber. The Eaglet of this line will be in this morning.

The Pamlico of the O. D. line sailed for Norfolk yesterday with a cargo of naval stores and other freights.
