#### THE JOURNAL.

INW BERNE, N. C., DEC. 18 1897.

sesecond-class matter,

As THE Democrats are beginning to align themselves for a square whose mill was burned some ight on tax reduction, the Republicans, with Blaine at the head are drawing up for a battle for protection. This will give a live issue or the campaign of 1888, and the Demograts ought to insist on the merchants mar it, do not add and on this line if it to the beauty of the street. takes the whole year."

of the Fiftleth Congress are both go to Washington as regular and reported to be happy; the former over the probability that they will be able to unite on tax reduction in message; the latter over the fact in the village who dances, and hat the President has made a when a dance is had the ladies lunder in declaring against a high protective tariff. If the Democrats wise they will make a square One day between sunset and sun ue and force the fight.

#### THE STATE BOARD OF AGRICUL TURE.

From the Raleigh News & Oberver we learn that the State ard of Agriculture has been comselled to reduce salaries and cut off other expenses so as to bring te cost of the work within the cane at their command. The the sub-department which rithout impairing the usefulness of cen able to see how much practining industry of the State at large many amiable traits of character. an experimental farm at

Every farmer should have his experimental acres on his own farm, and should give his neighbor the nefit of his experience and regive his in return. This plan of sperimenting can be made of pracnaing freely the columns of the cal newspapers. The articles on Green Manuring" that have ap thteen weeks were based upon erience and contain many sound, published in several newsin the State, and we venture assertion that they will accom more good than the experi tal farm at Raleigh.

wicked man whom you be surrounded with state and or, and upon whom you think vors of Heaven so improperly unknown to the world. The man who sppears neglected orlooked, may, in his humble be the partaker of all the and all the social joys that

be no service; I expect the before next Sanday, all and re-enter—If you exact then will you ough to send down the like song at the Parson recovers much ty that chorister.)

#### HERE AND THERE.

The Christian Church at Pantego has recently purchased a nice com-

Crops in lower Beaufort and up-per Hyde are miserably short, and I fear hard times shead.

On the night of the 2nd inst. near Sladesville a b ll complimen-tary to Miss Sallie Whitfield.

L. S. Boss of the Primitive Bap-tist Church was ordained an Elder on the 4th Sunday in November.

Mrs. W. J. Wallace is visiting her nusband the popular mate of the steamer Washington. We were pleased to meet our old triend A. McO. Jones of Hyde on

a visit to Washington recently. The trees set by the street side in Swan Quarter add to the appearance of the village in a great de-

Mr. A. Latham of Leech ville has in his possession a surveyor's compass made in 1784 by one of his ancestors, Thos. Jordan.

Mr. Branning of Reidsville has sold his mills, railroads, etc., to the Roanoke Lumber Co, and is to return to his native home on account of ill health.

The surveying party who have ust completed the survey for the Pantego and Albemarle railroad found a juniper on the line 18 feet in circumference.

D. C. Way & Co., of Leechville, months ago, are preparing material for rebuilding. They expect to put in a 16x20 engine.

The work bench and other obstructions in the street at Pantego, while they may be convenient for

Washington, so far as men are concerned, is Beaufort county this THE Democrats and Republicans court. Over 400 men have had to special jurors besides the host of

Some of our good friends of Pancordance with the President's place. There is not a single lady have to be imported.

A certain terrapin pound or the terrapins therein are a curiosity, stand-under Hotel Albert. rise several of the fowl were missing, complaint was made, and the owner was told (by perhaps a clairvoyant) that if he would look in the pound all the terrapins would be there. We do not understand how such an influence can be obtained over such animals. Maybe a certain lady called the grand inquest could explain.

Miss Odessa, only daughter of A. McC. Jones, Esq., of Lake Landing, seaviest cutting was made Hyde county, was led to the altar of Hymen on the - by Mr. Walter Spencer of Philadelphia. ubraces the experimental farm. Mr. S. S. Barber made one the his is doubtless the place where happy couple, who left at once for tting in expenses could be made their future home. The marriage was quiet but few being present. We wish Mrs. Spencer a happy gret to lose from our midst one who al benefit could inure to the far has endeared herself to all by her We extend to Mr. Spencer our heartiest congratulations for we are sure he deserves them.

#### Modern Rome.

Portions of old Roue are now disappearing, notably the Ghetto, Jewish quarter, and New Rome is increasing so fast that its greater uprising buildings look not unlike benefit by the Granges and those of New York, were it not for or farmer's organizations, and that poetry of color-pink, yellow, terra cotta, and pale blue-in which the Italians so much delight. Great changes are going on over the Eternal City-excavations in ared once a week in the columns the Forum and elsewhere are being the JOURNAL for the past liberally pushed, and saultary measures enforced. Whole streets of fine buildings are replacing ruin and debris, and, as if its 360 etical suggestions. They have churches were not enough, St. John Lateran, where all the Popes are crowned, has been enlarged to a surprising extent, while St. Paul beyond the walls, which to my mind is quite as splendid as St. Peter's has now a completed facade: Growth and enterprise are marks of our time even in old Rome, stimulated, no doubt, by the constant stream of tourists, but enavers of Heaven so improperly couraged also by the wise policy of King Umberto, who loves his peolicy of the many be a wretch, pining in secret with a thousand ple and is idolized by them.— Albany Argus.

Enjoy Life. what a truly cautiful world we live in! Nature gives us grandeur of mountains, glens and occans, and thousands of means of enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worn out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that Green's August Flacer will make them free from disease, as when born. Dyspopsia and Liver Complaint are the direct causes of seventy five per cent, of such maindise asc, as when born.
