An Injustice.

Min Entroli. In your paper of yester my you state that the Fish Oyster committee appointed to solicit contributions had not, on account of a press of business, been able to discharge their This does the members of the Glasses. committee and the Gun Club a gross in justice. Mr. E. M. Pavie, the chairman Coupone due July 1st 1887 ... \$4758 50 of the committee, obtained a list of \$90 50 merchants from the schedule H tax list and divided it among the thirteen mem bers of the committee. Ten of the thir teen reported at the meeting held by the club and it was ascertained that only \$178 had been rated. The club abandoned the Fair not because the members of the committee had not dis charged their duty but because a lurge number of the merchants who were seen refused to contribute anything at all Some contributed very liberally but most contributed either small sums or nothing at all I think it but just to the Club and the members of the mittee that this statement should be WM W. CLARK. published. Vice-President Craven Co. Gun Caub

> Craven County's Railroad Stock. MR EDITOR - We see the board of ounty commissioners advertises for sealed proposals for purchasing Craven same time "reserves the right to reject any and all bids." Would it not be bet, ter, in order to obtain the best results and to get the best prices for the stock and to get the bridge across Neuse river from the proceeds of the sale of this stock, for the commissioners to publicly set a minimum price upon this stock, a price below which it will not be sold. and then to sell it at public auction as the court bouse door to the highest bid der above this minimum price? This will insure a certainty of a sale and a certainty of a bridge, and, we believe a better price for the stock. We think
