### EAST CAROLINA IMPROVEMENT. A Const Line of Hallway.

NUMBER 2.

communication today the writer is EDITOR JOURNAL: - The Atlantic and North Carolina Railroad furnishes striking the key note to the situation. neither argument for nor against action Padrick. This coast line is evidently going to on the part of the people of Uraven be constructed in the near future and county in behalf of further railroad aid the only question of interest to our and extension.

people in the matter is, shall it touch If the experience of the people of the county, the Eastern portion of North New Berne ? A fifty thousand dollar Carolina or of the State at large, has last week in Tarboro, attending the been unpleasant, and one of general State grange. disappointment, they have not far to go for explanation. The event of war and

> affairs affecting our section, defeated the high aims and expectations of the projectors of the A. & N. C. R. R.

an association of capitalists (we did not and handle horses in the stables adjoinus, the term syndicate in that day) ing.

and steamships were already arranged for. pikethen constituted a harmonious North was buried on Sunday following A WOLD DIGSTIT future than that which recently loomed ap before us of Eastern Carolina. Hut grim-visaged war changed all this and though she 'smoothed ber wrinkled front" at the end of four years, our prospects brightened no more.

The Defiance of the Clyde line ar But for the untoward circumstances rived Tuesday night with a cargo of of devastating war, who shall say what ings every hight and every bundsy the A. & N. C. R. R. would not have afternoon in the court house. They been to our people, and the county submerchandise and sailed yesterday with a full cargo of cotton and other freights. The Howard of the Independent lincription, instead of the burden it has and ericital have professed conversion arrived from Polloksville' yesterda-with a cargo of cotton. been in the estimation of most of the axpayers, would have been in part. The Eaglet of the E C. D. line sailed he means of a measure of the highest vesterday afternoon with full cargo of prosperity to all But take it at its very worst, the A & lumber cotton, &c The Vesper of this

dessing to the people of Craven and all missed. that portion of the country configuous to t; and the county would have been in about \$700 at nine churches for State finitely worse off without the road, than missions. This was a fair beginning it has been under the burden of the and very liberal for hard times. He

subscription, and no one can sensibly oppose county and to a coast line by illustrating the career of the Atlantic and North Carolina Road. The Baltimore Sun says that General

Thomas Ewing, Commodore A. E. Bateman, Harvey Durand and several Eng ish capitalists, at this moment on board yacht exploring Southern inland waters, and already building the Atlantic and Danville Road, from Danville to Norfolk, via Suffolk, "have a char ter for a road from Suffolk to Wilmington, along the seaboard, and will com mence the work of construction in the pring. They claim to be backed by wenty-two million dollars of capital. This, if true, is a giant piece of news for Eastern Carolina. and should stimu

iste our people to fall into line with this movement. And the people of lraven county should not lose one mo-
