Our neighbor, the Free Will Baptist, is urging a bridge to be built across

The many friends of Dr. F. M. Rounyesterday morning and on the night be-

pear in today's Journal. One brings forward a stick of "good heart ton timber," while the other thinks this theorem is all both and wants Thos. J. Jarvis. The JOHNAL is open for nominations as long as the story charged for coming to Goldsboro and can be told in a few words like these returning. We hope that the travel which appear this morning. Personal.

Mr. L. W. Harget and Dr. W. J. Montford of Onslow, were in the city yesterday. They inc ine to the opinion that Subscription will be carried in the election next Tuesday.

Opening the Ball.

A delegation of republicans left for A delegation of republicans left for Wilson yesterday morning to attend the meeting of the district committee which more today to fix the time and place of holding the next Congressional Convention of the Snd district. Among those in attendance from New Berne are Mess's. Hubbs, Hancock, Harrell and Dawey. These represent both the O'Hars and Abbott factions of the last empalgu and they will make a united effort to have the Convention held in this city. Would be gird to have them. this city. Would be glad to have them.

New Photog aph Gallery.

Prof. Thomas Walter has removed from Washington to this city and is arranging aphotograph gallery in the room over Doctors C. & F. Duffy's office on the corner of Middle and Pollock streets, with entrance from Pollock. A large light, ten by twelve feet has been put in, and a good size operating room, toilet room and a large, comfortable waiting room are being arranged.

Prof. Walter conducted supersfully for twenty-five years a photograph gallery in Norfolk, Va , but specimens of his work, which he has on hand, are the best evidences of his proficiency. We welcome him to the city and bespeak for him a good patronage.

Bill Williams Captured

Sheriff of this county yesterday from Washington, N. C., with information that the murderer of Luke Russell had been captured and was in jail. The 594 in the ten years.

Thus, while the town of Greenville GARRETT'S Medoc Vineyard Cogosc Sheriff sent an officer immediately for

It will be remembered that Williams fired a gan from a loft in an out building, near Cobton, where he was concealed from the officers of the law and killed Russell who had the warrant for his arrest. He made his escape and all system; and the Atlantic Coast Line will make the candy. Mr. Taylor and in bond and duties paid at Custom his arrest. He made his escape and all loase in New Berne, guaranteeing geneficits to capture him failed. The Governor offered a reward of one hundred and fifty dollars for his arrest, and it is Fish are scarce. A stray shad comes hoped that some one has been fortunate enough to secure the prize.

Much complaint has at times been made against the great railroad corpo fations in this State, and the people along the line of the A. & N. C. R. which is not a part of either of the great systems that traversed the State, often have just cause for complaint. But ing facts which furnish food for reflect these same roads that are often roundly abused, are considerate of the towns Cheriff Stimeon gives timely warning along their, lines and are generally of it, but which a true knowledge of from the News & Observer and Goldsboro Argus prove this:

Beginning Thursday, round trip cickets for one fare will be sold from Neuse river. This is right. Let us all points on the Raleigh and Gaston road, the Raleigh and Augusta Air-Line, and the Richmond & Denville road between Goldsboro and Greenstree of Kinston will be glad to know boro to Ral-igh by an agreement be-that he is improving. News received tween the roads mentioned. This will last night was that he was quite restless prove beneficial to Raleigh in many ways, doubtless. Our business men, at any rate, should see that the opportunifore but was better yesterday evening. ty it affords is not thrown away. These Two nominations for Governor ap- special rate tickets will be issued only

> will be so increased as to induce the authorities to make this a permanent arrangement, and then an excursion day will be adopted by all the other roads leading into this city.

The Next Governor.

EDITOR JOURNAL; - I have read with great interest the Hon. T. J Jarvis' letter from Brasil, with regard to the democratic party in North Carolina. I suggest that he return home and run for

Ton Timber.

Steamer Movements.

The Mantso of the O D line will said from experience, still another old heart stick of good square ton timber might be added to the News and Observer's The Experiment of the Clyde line arrived from Baltimore last night with a cargo of goods and will leave today on return trip.

The Englet of the E.C. D. line sailed yesterday afternoon with a cargo of lumber and general merchandise. The Veger of shis line will be in this morning.

Propers for a Big Thing.

The Wilmington Star makes the following motion of our Fair:

De added to the News and Observer's raft of sprouts and sapplings to give it weight and make it marketable. Hon C. C. Clark would make an excellent governor, add strength to the tiokes and give general satisfaction to the people—septically in this section of the State where they have so greatly suffered from the mistakes of a blundering, incompetent administration, that no inexperienced youth, however brilliant or intellectual, can hope to gain the hearty, onthusiastic support which would be accorded to a man of his acknowledged ability, purity and patriotism.

CRAVEN.

The Great Steel Gun,
Parrasuro. Par, January 16—The
great steel gun, which was cast last
Wednesday at the Pitteburg Steel Casting Works, was removed from the
coolide today, and as the ponderous
nins top cylinder awang clear of the
pit Superintendent Hainaworth, after a
superfluial examination, delightedly exclaimed: "Nes is as clean as a lookingglass." Even yet the mass of steel gannot be touched with the hands.

EAST CAROLINA IMPROVEMENT.

A Const Line of Bailway. Вонвие 14.

EDITOR JOURNAL: - Reference was made the other day to Greenville county; South Carolina, having voted two hundred thousand dollars subscription of its bonds to a new line of railroad.

In 1870, the real, and personal valua-tion of Greenville county was \$5.862 -850, and that of Craves was \$4,189,088. or \$1,180,830 less than that of Green sympathies.

In 1880 the real and personal valuation of Greenville county was \$5,517,-040, and that of Oraven (including Pamlico) was \$2,611,078, or \$2.295.962 less than that of Greenville. This according

to Census Reports. The town of Greenville, S. C., had a A telegram was received by the population in 1870 of 2 757, in 1880 she had a population of 6,160, a gain of 8 408 for the ten years.

In 1870 the population of New Berne was 5 849; in 1880, 6,443, a gain of only added a little over fifty per cent to her

In 1870, Greenville had but one local prices better than they have been line of railroad, the Greenville and Columbia. In 1880 she was on the great have formed a partnership under the Atlanta an : Charlotte Air Line Rail: firm name of McRae & Taylor road, of the Richmond and Danville Archbell will do the baking, Mr McRae had taken charge of the Greenville and Mr. LaRoque sell goods by wholesale, Columbia Road, and made it a part of and McR & T. will retail bread, cakes that great through system.

and fretting over taxes. In 1880, ditto, ditto, ditto.

What progress Greenville has made since 1880 we will show hereafter. The contrasts presented in these arti

In 1887, "

pressing our own people, or to affect the mail. It only requires a small our community in the eye of outsiders. is apparent that our section is falling rapidly behind all other portions of the of Jones, Lenoir and Onslow countres State, and nothing is to be gained by concealing the facts from the general and Purgatory public, which may not be so well aware

We keep constantly in view the great sibilities of our section, and then we state plainly our exact condition rela-

show what they are doing, and what sale by R. N. Duffy. we are not doing for our own improvement. Wayne, Wake and Mecklenburg have been referred to as railroad centres. and their condition contrasted with that of Craven, all of which she outranked

in the value of real estate seventy-five years ago, White real estate in Craven and Pamico was in 1830 valued at \$1.905,831, in Wayne it was \$2 213.130, in Wake

\$5.857.054, and in Mecklenburg \$3.-560 120 And then, by way of better showing.

The personal property valuation in Craven and Pamlico in 1880 was 5705.247; in Wayne, \$1 060.448; in a bottle Wake, \$3.215,880, and in Mecklenburg

\$2.017.732. But these communities were not at their best in 1880. They have reaped their largest measure of prosperity, and made their greatest progress since that

Goldsboro, Raleigh and Charlotte have made their most rapid strides since 1880. It has been a period of phe-nomenal growth and development with them, and these cities and the counties in which they are situated must have about doubled their wealth within the

past ten years. They have enjoyed exceptional adtration of trade and control and development of business and industrial en

Goldsboro has derived untold bene Goldsboro has derived untold bene fits from the Atlantic Railroad. It has been the chief instrument of her properity. The Wilmington and the North Carolina Railroads have supplied her the finest facilities of a through North and South and West lines of trade and travel. The Atlantic Road she has simply as a "screw" to force the other roads to the most advantageous terms in her local transportation.

in her local transportation.

Had Goldsboro, in the past, been the patron of the Atlantic Road that she should have been; and had she exerted should have been; and had she exerted her influence on the connecting reads, against their persistent system of damaging discrimination, the Atlantic Road would have proven a better paying institution; and not only that, but our section would not have been the steady victim of the railroad discriminations at Goldsboro.

at Goldsboro.

Raieigh has long enjoyed the advantages of one of the finest railroad centres in the State. She has a perfect system of North South, East and West lines, and her improvement, during the past ten years has been, as great as any place in the State.

charlotte is the railroad centre of the tats, in so far as number of lines are oncerned, but unfortunately four of the lines are under the same management. But she has prospered in her uperior railroad facilities, and she ould not have prospered without hem.

And thus it is throughout North arolins. Every point of the interior, applied with railroad facilities, has a proved in proportion to these facili-
