Old Rails for Sale,

The Atlantic & North Carolina Railiorn rails for sale. There is probably no better metal in existence, that is of its kind, than these old rails. They are what is mechanically known as "twice cted." and are tringing prices ch above the average. The railroad le do not seem to be very anxious pose of them and are holding them at their own figures. The longevity of cave constructed this year a street rail this metal bas been remarkable, and the superiority at the time of Roglish manufacture.
