Pub. c Building Day

The france of Representatives of the Congress of the United States has set actor Fe, runes 21-t 22. . 23d, 24th and CHOICE N. C. Hams at 124 cents per pound at A. Miller's.

> "Our representative Sommone has introduced a bill for a building at New Berne and it is important that he rethe Federal cometery. A communica pose. tion in yesterday a name was timely except that we suggest the name of Mr-Wm. H. Oliver to take the petitions who cannot spare the time. Mr. ()liver week is in thor, ugh accord with Mr. Simmons on these measures and we know of no one who would do more toward securing the proper petitions than he. The work should be done at once.

DOTS FROM DUPLIN

Some of our larger cotton planters are still holding their cotton, waiting for the price to advance.

Prof. B. F. Grady, superintendent of public instruction for Duplin county, is devoting his energy and practical good sense to the work of getting the greatest possible good out of the public school system. On the night of the 27th of January he delivered, before the citi one feel it his duty to contribute to this zens of White Oak district, a very inter object. We believe it will be the be- esting address bristling with facts and anecdotes. He advises school commit tees to purchase dictionaries, gazetteers. wall maps, etc., for the benefit of the chools, and that the citizens add to these other hooks so that in every dis-

trict there shall be a school library. Are we really afflicted with biblio phobia? According to the last report of the commissioner of education, there are but two public libraries-that is. libraries for the public-of over three hundred volumes in the State-one at business. Asheville and one at Wilmington. There are other obraries, but they be long to individuals, the schools and A. & N. C. R , has in his office a small colleges and their societies. There ought to be public libraries all over the

rook up Trent river and seems to in eclipse on the night of the 28th. This I presume your readers saw the moon possess valuable fertilizing qualities as phenomenon once saved hungry marimellas being a much prized memento.

In ecupse on the night of the 28th. This phenomenon once saved hungry mariners from starvation. Columbus told

A tremendous ice gorge formed durthe aborigines of Santa Gloria that an approaching eclipse of the moon was a symbol of the severe indignation of the Ged of the Spaniards against them for St. Louis. Last Tuesday night it began information valuable to farmers. The their refusal to supply the wily discoverer and his men with the necessaries tion led the natives to bring in to the strangers an abundance of supplies from every direction.

We have five eclipses this year. May we raise a great abundance of supplies

News and Observer. Several fine steamers have been destroyed. Already the estimated loss is nearly \$1,500,000.

Morchead City is the coming summer resort of the South. The following is from the Rajeigh News and Observer of February 1: "At the meeting of the Atlantic Hotel (Morehead City) syndicate, held in this city Monday night, it was ordered that the hotel building be doubled in size and that new kitchens, bath houses, pavilions, etc., be constructed. From the enthusiasm of the stockholders everything points to a big success the coming summer."

A circular letter has been drawn up by the Advisory Board of the Pennsylvania striking miners, in which the strikers are exhorted to stand firm. The labor troubles seem to be increasing in Pennsylvania. The Pittsburg carpenters demand an increase of ten per cent. in wages, and the Tube Works companies of McKeesport, employing Over six thousand men, have given notice of a ten per cent, reduction, which it is thought will cause a general strike.

A wealthy old cattleman named Williamson, in Arkansas, was brutally ple so healthy that they can enjoy their treated by a band of robbers last Saturday night. The robbers entered his house about midnight and demanded \$10,000, the proceeds of a cattle sale in pertic. Ask your druggist for a bottle Kansas City. The old man and his wife refused to tell where the money was, whereupon the robbers tied Mrs. Williamson in a chair, built a fire in bare hands on the heated metal until he was rendered unconscious. Mrs. Williamson then turned over a check for the money, which was deposited in a bank in Kansas City. A strong party are in search of the outlaws and will kill them if they are captured.
