to the condition of the lamp at the

Three important events in New Berne meetings, and the M. E. Conference, made many valuable suggestions. Let us be prepared for them.

Seymour W. Hancock has moved his drug business to the Hotel Albert build Fair. ing where a store has been very handsomely arranged for the business.

Considerable quantities of fish are eteamer lines every week.

18th, 14th and 15th of March, 1888. It board, lodging, etc.

JOURNAL will be issued soon to adver- obtained if possible schools, etc., of New Berne.

The board of trustees of the New Berne Academy are requested to meet at the office of the President this afternoon at four o'clock to take into consideration the proposition of the Fair Committees to use the Academy build-

the High School yesterday. It was an of the different languages and their relics. relations to each other. It was enjoyed and much appreciated by the school.

Prepare for the Fair.

The ladies of the committee on fancy work for the Fair, invite all who can to ration by the sale of the same. prepare work for this department. It will include painting, drawing, emsewing and specimens of fine pickles, preserves, fallies, cake, bread, etc. They desire to have a special exhibit of antique furniture, portrait, and relics of the olden time. Persons lending such articles need have no fear for their safety, as there will be special night and day watchmen. Please inform at once some member of the committee of the articles that you will exhibit. It is desirable to make a list as soon as possible.

to the Pullman service to Morehead this feyer. er. Everything possible is going to be done to make the passenger service complete to this now famous watering

Steamer Movements.

The Esglet of the E. C. D. line sailed yesterday afternoon with a full cargo of cotton, lumber and general merchandise. The Vesper of this line will arrive this morning.

The Manteo of the O. D. line left for Norfolk yesterday morning with a good

The Carolina arrived from Bell's Ferry yesterday evening with a carko of cotton, and will leave on Monday morning on return trip.

The Place for the Fair.

A petition was being circulated yesterday asking the board of trustees of the Academy for the use of the graded school building to hold the Fair. It is feared there will not be room in the court house as the interest being manifeeted gives promise of a big thing.

The school building is an excellent place, but let it be remembered that this mratter has been entrusted to the hands of the committee of arrangements who is thought it will go still lower will be sure to secure the best place

The Fisherman and Farmer, a newspaper published at Edenton, gives a notice of our Fair and says

We are with you, Brother Nunn and is now 335 shall do all in our power to make this Fair a grand success. Fish Fairs is something that Eastern Carolina needs Brandy and Holland Gin-arrived truly the fishing interest is growing to be one of the largest in Eastern Caro lina, and why not advertise it more and show the world what the hard men, we are sure, will contribute liberally to this cause, and stand willing and waiting to make it a grand su-

The Coming Fair.

A meeting of the various committees of the Fair Association was held at the The fishermen report a fair run of call of the President, in the rooms of the Y. M. C. A., at 10 o'clock Thursday morning.
