THE FOUR CALLS.
The Spirit came in childhood,
And pleaded, "Let me in."
But ah, the door was bolted,
And barred by childish sin.
The child said, "I'm too little;
There's time enough today
I cannot open;" sadly
The Spirit went his way.
Again he came and pleaded
In youth's bright, happy hour,
He called, but heard no answer;
For fettered in sin's power,
The youth lay dreaming idly.
And crying, "Not today;
For I must have some pleasure,"
Again he turned away.
Again he came in mercy,
In manhood's vigorous prime;
But still could find no welcome,
The merchant had "No time."
To spare for true repentance,
No time to praise and pray;
And thus, repelled and saddened,
The Spirit turned away.
Once more he called and waited,
The man was old and sad;
He scarcely heard the whisper,
His heart was seared and bad.
"Go, leave me. When I need thee
I'll call for thee," he cried;
Then, sinking on his pillow,
Without a God he died!—Sci.

HERE AND THERE.
Mr. Wesley Willis of Morehead
died on Sunday, 19th inst, of a
cancer.

Mr. Stacey of Morehead is at
La Grange, assisting in a protracted
meeting.

Beaufort is building up the burnt
district; some of the buildings are
near ready for use.

There are some buildings going
up in Morehead other than the hotel,
and more to be built.

The schr. Melvin came in at Fort
Macon on Saturday the 18th inst.;
has been 28 days out.

The workmen to build the assem-
bly rooms arrived on Monday night
and are to commence at once.

Mr. Jos. Wallace left on the 17th
inst. for the str. Washington; Mr.
R. W. Wallace on the 20th for Ro-
anoke Island.

Mr. Latham of Beaufort county
spent some days in Morehead re-
cently, and preached morning and
evening in the M. E. Church on the
19th inst.

A whale was caught in the vicini-
ty of Morehead recently, about 40
feet long; it was sold for \$500, and
made fifteen barrels oil and about
300 pounds bone.

The carpenters have made a
commencement on the hotel addi-
tion at Morehead; which is to be
153x25 and three stories high. The
present building is 216x38 and three
stories, with two wings of 180x38,
two stories, and ball room 90x90.

We had the pleasure of meeting
several of the citizens of Morehead
and Beaufort—Dr. Arendell, Col.
Dennis, W. T. Dixon, Rev. John
Ramley and Rev. E. L. Stacey,
and the handsome ladies I cannot
enumerate. Washington claims
more pretty girls than any town of
its size, but Morehead can success-
fully compete with it.

GIVE THEM A CHANCE.
That is to say, your lungs. Also all
your breathing machinery. Very won-
derful machinery it is. Not only the
larger air passages, but the thousands
of little tubes and cavities leading from
them.

When these are clogged and choked
with matter which ought not to be
there, your lungs cannot do their
work. And what they do, they cannot
do well.
Call it cold, cough, croup, pneumonia,
catarrh, consumption or any of the family
of throat and nose and head and lung
obstructions, all are bad. All ought to
be got rid of. There is just one sure
way to get rid of them. That is to take
Boecher's German Syrup, which any
druggist will sell you at 75 cents a bot-
tle. Even if everything else has failed
you, you may depend upon this for
certain.

A Word in Season.

Everybody wants to claim something ex-
traordinary for whatever they have ven-
trated upon. The value of B. E. B. is too
well-known now for "claim-making" it
stands alone, unparalleled as a Blood Rem-
edy, and nobody can produce its superior.
We don't fight other remedies, because B. E.
B. takes care of itself. If you have anything
the matter with your blood, try it—a single
bottle will open your eyes. It is nonsense to
try and argue with the public, and we don't
do it. If one bottle don't do you any good,
no matter how you suffer, we will give you
a gross. Read these certificates:

IMPURE BLOOD.
A Case in Florida Cured by B. E. B.
EVERLY, Near Brunswick, Ga., May 27, '87.
My blood had been impure for a number of
years. I broke out in ugly sores over my
head and body and I could get nothing to
heal them or purify my blood (though I tried
other so-called medicines) until I found that
most valuable medicine (Botanic Blood
Balm) B. E. B. I have been using it for
nearly a year, and in that time have taken
about one dozen bottles, and I feel that I am
nearly cured; the sores on my head and
body all healed. My health is good and I
can eat anything I desire.
Yours respectfully,
EDWARD GLOVER.

FROM A DRUGGIST.
PALATKA, Fla., May 31, 1887.
The demand for Botanic Blood Balm (B. E.
B.) is such that I now buy in half gross lots,
and I unhesitatingly say that my customers
are all well pleased.
B. KEATINGE.

10 YEARS WITH RHEUMATISM.
NEWTON, N. C., June 25, 1887.
Gentlemen: I am pleased in saying I
have been a great sufferer of rheumatism for
10 years and I have exhausted almost every
known remedy without relief. It was told to
try B. E. B. which I did after long procrastina-
tion, and with the experience of three
bottles, I am almost a healthy man. I take
it as a part of my duty to make known your
wonderful blood purifier to suffering human-
ity, and respectfully ask you to mail me one
of your books of wonders.

ITS USE FOR KIDNEY.
JESUP, Ga., May 13, 1887.
I have been suffering from kidney disease
for a month past, and the pain in my back
was very severe. My occupation requires a
good deal of writing at night and I suffered
all the time. I saw one man who said he
was cured by using Botanic Blood Balm (B.
E. B.) and I commenced using it, and the
pain is a great deal less. I have only used
two bottles and believe it will effect a cure
by the use of a few more bottles.
Yours respectfully,
J. E. COLEMAN.

THE BEST PURIFIER MADE.
DANABURG, Ga., June 25, 1887.
I have suffered with Ocularia for about four
years, and after using four bottles of Botanic
Blood Balm, I had my general health greatly
improved, and if I could keep out of the bad
weather I would be cured. I believe it is the
best purifier made.
Very respectfully,
L. W. THOMPSON.

TWELVE YEARS AFFLICTED.
BLUFFTON, Ind., Feb. 8, 1887.
I have been afflicted with Blood Poison for
twelve years. Have used prescription from
physicians offered me during that period:
Through the druggist, W. A. Gutelius, I pro-
cured one bottle of B. E. B. and since have
used three bottles, and am satisfied it has
done me more good than anything I ever
used. I am almost well, and am sure, within
two or three weeks, I will be perfectly well,
after twelve years suffering intensely. Write
or address
JOSEPH FIRST,
Baker and Confectioner,
Wells Co., Ind.

SPLENDID FOR A SPRING TONIC.
ALBANY, Ga., June 25, 1887.
I suffered with malaria blood poison year
or less all the time, and the only medicine
this done me any good was B. E. B. It is un-
deniably the best blood medicine made,
and for this malarial country should be used
by every one in the spring of the year, and
as good in summer, fall and winter as a tonic
and blood purifier.

GIVE BLOOD ESTIMATION.
GAMES, Ky., July 25, 1887.
I was afflicted with malaria blood poison
for about 12 years, and I was almost blind
and deaf, and I was in a very bad state of
health. I was told to try B. E. B. and I
procured one bottle of B. E. B. and since
have used three bottles, and I am almost
well. I am sure that B. E. B. is the best
blood medicine made, and for this malarial
country should be used by every one in the
spring of the year, and as good in summer,
fall and winter as a tonic and blood purifier.

and it gives good satisfaction. If I don't re-
sult right for snuff write me.
Yours,
W. N. HANCOCK.

**A PRACHEER CURED OF DYSPEP-
SIA.**
MICOONER, Fla., Leon Co., July 20, 1887.
I have been a sufferer from indigestion and
dyspepsia for a long time, and have tried
many remedies, but until I was induced by
my friends to try your B. E. B. remedy no
relief, but since using it have found more
relief and comfort than from any other treat-
ment I have used. Hoping you will forward
to my address your little 32-page book for
prescriptions, also evidence of cures. Send
at earliest date.
REV. ROBT C.

**A REMARKABLE SHOWING FOR
B. E. B. AGAINST OTHER REM-
EDIES.**
PUTNAM Co., April 30, 1887.
I have been suffering for most thirty years
with an itching and burning all over my face
and body, I took eighteen bottles of one
bottle medicine and it did me no good.
I commenced last January to use B. E. B. and
after using five bottles I felt better and
stronger than I have in thirty years. My
skin is better and I weigh more than I ever
did. The itching has nearly ceased, and I
am confident that a few more bottles of B.
E. B. will cure me entirely. I am sixty-two
years old, and can now do a good day's work
in my field. I consider it the best medicine
I have ever seen, for it certainly did me
more good than all the medicine I have ever
taken. I hid, in all, nearly a hundred
writings on my face, neck and body.
JAMES FINKERTON.

2 BOTTLES CURE RHEUMATISM.
BOUGHTON, Ark., June 4, 1887.
I cheerfully state the following facts in re-
gard to the use of your medicine in my fam-
ily. My little son, 14 years of age, suffered
from an acute attack of rheumatism, caused
by undue exposure and chilling of the blood.
I heard your remedy highly recommended,
and purchased one bottle of Moncrief & Bro.,
Prescott, Ark. In about one month after
using this bottle he became so much better
that I got the second bottle which is now
being used, and my son is nearly well, and I
think by removing him to a cooler summer
climate (which I will do) and continuing its
use, a perfect cure will be effected. I con-
sider B. E. B. a most excellent blood purifier.
