The Floral Committee

We announce in this issue the Floral Committee for the Fair. We trust all our citizens who have flowers will aid the committee in making a handsome display and in properly decorating the buildings. There is only one week for work. We must all be up and doing. The indications are that a large crowd will be here. They must not be disappointed.

Bureau of Information.

Rev. Mr. Bull has charge of the bureau of information during the Fair which opens next Tuesday with headquarters at the southeast corner of Broad and Middle streets. We are yet unable to announce the exact number of conversions during these meetings, and will not be able until they are closed, but the Baptists, Methodists and Presbyterians have all been greatly revived and much good accomplished.
