May.

Dry and dusty.

Grand time at Morehead City today.

The city council will be in session tonight.

There are eleven U. S. prisoners in jail in this city. Eight white and three colored.

Young men's prayer meeting tonight at 8 o'clock at the Baptist Church. All young men are cordially invited to attend.

Chairman Hancock gives notice of the ward and township meetings for the election of delegates to the county conventions.

The choir for Memorial services will have practice at the residence of Mr. F. C. Roberts on Pollock street tonight at 8:30 o'clock.

The fast mail train on the W. & W. Railroad was derailed on Sunday night near Halifax. Two persons seriously injured and eight others slightly.

J. M. Roberts, col., was arrested in this city on a capias from Beaufort county upon a charge of false pretense and was taken to Washington yesterday.

The schooners Hanson P. Barnes, Capt. Geo. Tull, and Hattie Willing, Capt. Robertson, of Baltimore, are loading lumber at Congdon's mill for Washington, D. C.

Mr. Wm. Ellis has returned from Baltimore with a pair of horses for the Atlantic Steam Fire Engine Co. They are dark iron grays, five and six years old, weigh twenty-six hundred pounds together, and are perfect beauties as draught horses. Everybody seems to approve Mr. Ellis' selection.

We are pleased to note the good patronage at Hotel Albert for the past few weeks. The proprietors inform us that there has been a continued increase in public travel to the city since the opening of this elegant and well fitted-up house. A good hotel that gives satisfaction to its guests is bound to gain favor.

About a year ago we endeavored to obtain a list of associate members of the Ladies Memorial Association to pay one dollar each annually for the purpose of keeping in order the Confederate lot in Cedar Grove Cemetery. The Association has not the funds to keep the lot in such condition as is desired. Are there not ex-Confederates enough in this city who will make an annual contribution of one dollar or fifty cents for this purpose? We know there are, and we know they will respond when necessary. The Association wants the names of all such that they may be called on when the contribution is needed.

Wanted in Jones County.

Church Robinson, Lewis Bryan and Amos Kornegay, all colored, were arrested here yesterday by deputy sheriff Kehoe upon a warrant from Jones county charging them with larceny. They will be taken up to Trenton on the steamer Howard next Thursday.

### Letter From Governor Jarvis.

Mr. Jonathan Havens in this city has received a very long and exceedingly interesting letter from the Hon. Theo. J. Jarvis, present United States Minister at the Court of Brazil. It is written with his usual simplicity and directness of style. In speaking of the emancipation of the slaves he says: "The country at large has been going through the same trouble that once afflicted our country, to wit: a change from slave labor to free labor, with this difference in mode we changed in war, while the Brazilians are working it in peace. There has been going on for years a gradual system of emancipation, but still it has all the time been attended with that degree of agitation that the material development of the country has been more or less affected by it. The end is now near at hand, and the close of the year 1888 will see but few slaves in Brazil. The sentiment and movement in favor of immediate and total emancipation grows and gathers force with each day and many large slave owners are giving freedom to their slaves of their own accord. Many large coffee planters have declared that coffee could not be successfully produced without slave labor, but it begins to appear that they were about as much mistaken as were some of our Southern planters when they said that the freedom of the negro would put an end to the growing of cotton. You desired me to give you a letter about Brazil, I will do much better, I will send you a hand book of Rio Janeiro which contains several photographs that will recall to you some familiar places." "The Bay of Rio," he says, "grows upon one the more he sees of it I never tire of looking at it or sailing upon it. Taken all in all (one naval officer told me) that it is the most beautiful harbor in the world. But with all its beauty and grandeur, I would be glad to be with you today in New Berne at your Fish and Oyster Fair, and look upon the less beautiful but to me the much dearer harbor of New Berne, and this brings me to express my pleasure to know that the good people of the Elm City have determined to hold such a Fair and I shall after a while read of its success, as I feel confident that it is a success."

The Governor states that the Emperor of Brazil is now in Europe on account of ill-health; his eldest daughter, the Princess Imperial, is now regent and is discharging the duties of the throne, and everybody seems quite well content and give her a loyal support.

The Governor says: "My health is better than it was some months ago, but I am by no means as hearty and as robust as I was when I was in New Berne last spring." If Governor Jarvis had been here at our late Fair, he would have been as much surprised and astonished at what the good people of New Berne can do when they work together with a will, and we predict, that the next Fair in New Berne will surpass anything of the kind ever before seen or dreamed of in North Carolina. Some may think and express themselves that the people of New Berne are asleep; they are much mistaken, let them have a chance to get to the outside world, give them cheap communication with the West by rail, and also North and South, and the change will be like the workings of an Aladdin's lamp. They never had half a show, but now they are aroused and are determined on a change, and a change they will have and that for the better.

### Special Meeting.

There will be a called meeting of the "L. M. Association" on Tuesday, May 1st, at 12 m., at the residence of Mrs. John Hughes' on Broad street. At this meeting the final plans and preparations will be made for the ceremonies and exercises of Memorial Day, May 10. All members are therefore earnestly requested to be present.

### The A. M. E. Z. Conference.

Six Bishops, viz.: Jones of Washington, D. C., Moore of Salisbury, Lomax of Charlotte, Thompson of Newbury, N. N. Ord, Hood of Atlanta, and a number of ministers arrived last night to attend the conference of that denomination.

### Memorial Day.

Our country friends will remember that Thursday, May 10th is memorial day and they are expected to meet in New Berne and join in the annual tribute to the memory of our dead. General Robert Ransom will deliver a most interesting address and the ladies have promised excellent music. Let us have a full gathering on that occasion.

### On to Morehead.

### The Democrats of Lenior County.

The county convention of the Democrats of Lenior was held at the court house in Kingston on Saturday, April 28. The convention was called to order by the chairman of the Executive Committee, J. W. Grainger, and W. S. Herbert was made temporary secretary.

The following delegates were present: Kingston township, S. H. Rountree, sr., L. Harvey, John Tull, sr., W. F. Dibble, J. M. White, J. H. Suggs, W. B. Goye, A. T. Hill, Dr. R. H. Lewis, Geo. Rountree, W. A. LaRoque, Dr. H. D. Harper, Quincy Faulkner, B. F. Nunn, W. S. Herbert and N. J. Rouse.

Falling Creek: B. F. Scarborough, Rowland Hodges, J. W. Daly, G. F. Parrott and Dempsey Wood.

Southwest: Dr. R. W. Wooten and J. C. Kennedy.

Institute: John T. Daly and T. M. Aldridge.

Pink Hill: W. A. Jones.

Contentnea Neck: E. I. Hayzleton, E. J. Brooks, D. W. Wood, David Rountree and Lewis Kilpatrick.

Sand Hill: W. W. Arnold, John A. Tilghman and W. B. Avery.

Trent: A. Rouse, T. A. Rouse and I. D. Grady.

La Grange: C. S. Wooten, Levi Hill, C. W. Joyner, A. T. Kennedy, Josiah Sutton, A. C. Davis and Geo. I. Taylor.

Neuse: R. I. Sutton, Jas. H. Taylor and E. G. Tyndal.

Vance: R. C. Hill, F. G. Taylor, J. H. Suggs and R. A. Wooten.

Woodington: Henry A. Edwards, James Williams, Durham Grady and Haywood Waller.

On motion of Geo. Rountree, Esq., J. C. Kennedy was made permanent chairman.

Mr. Kennedy, on taking the chair, made a few remarks bristling with patriotic sentiment and devotion to the great principles of the Democratic party.

On motion, W. S. Herbert and Dr. R. W. Wooten were made secretaries.

C. W. Joyner moved that a committee consisting of two from each township be appointed to select delegates to the various conventions.

Geo. Rountree moved to amend by restricting the number to one from each township and that the delegates from each select their member of the committee.

The amendment was accepted and the motion adopted.

The following gentlemen were selected as the committee: Kingston township, L. Harvey; Contentnea Neck, Lewis Kilpatrick; Southwest, Dr. R. W. Wooten; Falling Creek, B. F. Scarborough; Sand Hill, W. W. Arnold; Neuse, E. G. Tyndal; Vance, F. G. Taylor; Woodington, H. A. Edwards; Trent, A. Rouse; Pink Hill, W. A. Jones; La Grange, C. W. Joyner; Institute, T. M. Aldridge.

The committee retired and the chairman suggested that some one of the speaking gentlemen entertain the convention. C. S. Wooten, Esq., responded to a call.

He didn't know whether he was entitled to speak or not. He was educated as a lawyer, but a short time ago an organizer of the Farmer's Alliance came along and took his license away from him. He knocked at the door of the Alliance, but they told him he was a lawyer and could not enter unless he would agree to abandon the practice. He replied that he quit the practice about fifteen years ago, but the people continued to call on him to do a little business and if the Alliance could relieve him of that he would like it much better. Upon this statement they took him in. He then led off and made a good, sound, Democratic, farmer speech. He thought the fact that the Democrats of North Carolina were a little scared was a good sign. The trouble heretofore has been that they were too confident. He urged harmony and sticking to the nominees of the party. He had no fears of the result in North Carolina.

N. J. Rouse responded in a short, strong speech for harmony and a united effort to uphold the principles of the Democratic party.

Mr. Wm. Dibble also responded in a few remarks, urging that the bloody shirt waving by Ingalls and Sherman should inspire the Democrats of the South with new zeal and a determination to keep such sectional haters out of the control of the government of this great country.

B. W. Canady was called for. He answered that "his voice was still for war."

The committee made the following report:

### Church Unity.

The following happy occasion, we take pleasure in saying it before our readers. There never has been a stronger feeling exhibited on the subject of church unity than at present. Learned divines are busily engaged in the matter, and we believe there will eventually be a unity reached, such as our Lord prayed for and all Christians seem to desire.

In addition to the services mentioned in the extract there was on Sunday a immense gathering at a Baptist church in the same city in the interest of church unity at which several denominations were represented by able clergymen, and the Bishop of the Diocese of the P. E. Church was present and took part. Rev. Dr. Boardman, an eminent Baptist minister, was the principal speaker.

On Thursday evening, March 30, the members of ten churches in the northwestern section of Philadelphia, which have labored together in special religious services during the winter, were present at a communion service in St. Matthias' Protestant Episcopal church. The pastor, Rev. A. R. Edwards, officiated. This, it is stated, "the first time in the history of Philadelphia churches that such a service has been held, and will go far to demonstrate the practical oneness of all who love the Lord Jesus Christ in sincerity and in truth." On the evening of the same day a Good Friday service was held in the Congregational church, Eighteenth and Green streets. The sermon was preached by Rev. O. H. Tiffany, D. D. (Methodist).

Teachers' Assembly Excursion. Laying the Corner Stone, Etc., at Morehead City.

We learn that the excursion today will be very impressive. A large crowd will be present and those who don't go will miss a treat. The Atlantic Hotel has been increased to about double its former capacity and the Teachers' Assembly Hall is an elegant and commodious structure far beyond what one might suppose.

Train due to leave New Berne depot at 11:28 a. m.

### ITS USE FOR KIDNEYS.

These are suffering from kidney disease for a month past, and the pain in my back was very severe. My occupation requires a good deal of writing at night and I suffered all the time. I saw one man who said he was cured by using Doan's Kidney Pills. He is and I commenced using it, and the pain is a great deal less. I have only used two bottles and believe it will effect a cure for the use of a few more bottles. Yours truly, J. E. COOKMAN.
