#### The Episcopal Picnic.

Fitted Jones NAL - The Sunday School da brost Church, together with a num ber of invited guest, tripped on board the steamer Trent at the foot of Craven by the united years of the characteristic street on Wednesday morning and the congregation steamed up the Trent river to Foys Rev. N. J. tirectrical the - regural mill. Here a landing was made and lessons after which lies it is lives after a general ramble through the addressed the thr-ne of gragroves over the hills and about the mill. that essential to a successful picnic; convey but a feeble idea of the quantity based upon the text tenistrates 1 and quality, and that it was heartily enjoyment of all who partook.

run began, this extended up to Capt Taylor's landing, five or six miles thus because ye are sons, God bath sent forth side of Pollocksville. During this run the Spirit of his son into your hearts, we must fly man and others to be at an a hat was lost overboard, the only casualty of the day, except the killing of a huge alligator on the down trip, ablest efforts and was most happing dethe body sunk and was not recovered, but the lost hat was found, and the only accident of the day repaired. Everybody enjoyed themselves and all boldly

Superintendent Long was along and tention to the comfort of all, both of the school and the guest, proved himself as efficient in the management of his school when 'out for a day' as be has shown himself in the more arduous duties of the school room.

Of course all who went will declare bave." with our experience of a score of years. swaved under its magic influence, until in a commendable zeal and punctuality in attending picnics, I say I never did attend a more enjoyable one, and only religious enthusiasm, as the happy souls wish to never be at one less so. Not a out the whole adventure.

I shall not describe the scenery for two reasons, first, because I could not do it justice, and second, because I prayer took but little notice of it and do not envy any one who could, when there church was crowded by a large congre was such an aggregation of lovely gation. The devotional exessises were womanhood and beautiful maidenhood on shipboard to engage the attention.

The day was propitious. A cool south wind made the lighter wrappings of the ladies necessary to comfort, while the Prince Alberts of the gentlemen only buttoned up. The small boy was in his glory and the employment of one hand to hold his hat on, under the natural law of comparanties. law of compensation, only gave him the hetter use of his legs to roam around the boat the more frequently.

Reaching town before sundown, it was suggested that the steamer take a lins. short turn up the Neuse so as to give the party a duck's eye view of the city. from Daniel 6 10. He took for his theme
This was done and the boat rounded Prayer, which he discussed with much in to the Clyde slip just as the gathering shades of twilight set in and all were safely landed, with as before stated not the slightest accident to mar the pleasures of the day. For which all were devoutly thankful. A PICNICIST.
