**SAY, HUSBAND,** have you seen that tremendous crowd of customers at Hackburn's, The Grocer. Well, the cause of it is, they are getting nicer goods for the same money than at any other Grocery Store in the city, and you know that it is what the people want. I declare I have not failed on my bread a single time since I have been getting that nice flour of his at only 33c per lb., and that Butter is always sweet and nice and perfectly delicious on those hot rolls.

This conversation is correct; that is just what I am doing. If you don't think so, come and try. Money refunded if goods not found as represented. To the smokers I will say that I have 25 cases more Tar Heel at 40c per lb. in any quantity. Also the best 3 for 5c Cigar in the world. may 5

Fat chickens at Snellings today.

The Democratic Congressional convention of the Second District will be held at Weldon today.

The Baptist picnic returned from Morehead yesterday, all seeming to have had a most enjoyable time.

A voice from Core creek speaks to the Justices of the county in regard to electing county commissioners.

The schooner A. E. Radolph, Capt. Levis, discharged a cargo of ice for Watson & Daniels yesterday and will go to Washington to load lumber.

We are indebted to Messrs. Hugh B. Holland and Denard Roberts for an invitation to the commencement party at Trinity College on June 14th. We should like very much to be there.

Familio court adjourned yesterday. Judge Montgomery dispatches business rapidly but with care and impartiality. He arrived yesterday evening on his return to Concord, his home.

The Juvenile Sewing Society of Christ Church have a fair and festival on the 29th inst. The ladies who have charge of it, furnish abundant assurance that it will be a nice affair. Some curiosities will be introduced.

The Republican State Convention seated the Hahn Republicans from this county. In the late municipal election the Simpson Republicans in the city were decidedly in the lead. If the Republicans can afford to ignore the majority of their voters in this city the Democrats certainly ought to be content.

McClammy Nominated.

At the Congressional convention of the 2d district held in Goldsboro yesterday Maj. McClammy was nominated for re-election by acclamation. So, as the JOURNAL predicted, the Pender plowboy will hold the fort.

Personal.

W. F. Bourne, Esq. attended a meeting of the directors of the Eastern Insure Acytm at Goldsboro yesterday; W. W. Clark, Esq. returned from Pender court yesterday.

Major Bryne, Esq. and Mr. B. O. Clive of Vanceboro are in the city.

Major G. Hubbs, D. Simpson and E. B. Dudley are attending the Republican State Convention as delegates of what has been known as the Simpson Republican Convention.

Mr. E. W. Higgins returned from a trip to W. H. Smith's.

## Steamer Movements.

The Eaglet of the E. C. D. line sailed yesterday with cargo of lumber, shingles, truck, etc. The Vesper of this line will arrive today.

## Memorial Day.

Maj. Palmer extends an invitation to all to participate in the ceremonies of the 30th inst, Federal memorial day. It is a holiday and will be observed by many. The program of proceedings will be arranged by the G. A. R.

## No Intentional Wrong Done.

We have received a communication of some length concerning a name left off of the Democratic executive committee of this county. We think it not necessary to publish the communication, but will state that the list published in the JOURNAL was furnished us by a member of the committee, and we presumed was correct. But if our correspondent is sure that the name was included in the appointments, then the gentleman is a member of the committee, and his name having been omitted in the published list does not invalidate his election by any means. All that is necessary to set the matter straight is for him to meet with the committee on the first Tuesday in June and all will be well. No intentional omission was made, and would have had no effect if it had been after the appointment was made.

## Murphy is Booming.

The enterprising citizens of Murphy, the county seat of Cherokee, invited the Georgia Press Association to visit them while the association was in annual session at Canton, Ga., on the 10th inst. The invitation was accepted and a party of about one hundred, including some ladies, were forwarded on a train furnished by the Marietta & North Georgia Railroad Company. The party was feasted on the train with ice cream, etc., at the company's expense, a dinner was set at Blue Ridge by the citizens of that place, of which all partook, and at Murphy the ladies of the town and county set an enrapturing banquet, worthy of any town in Western North Carolina, says the Bulletin. The weather, however, prevented the Cherokee Indians from giving a dance and game of ball in time for the visitors to enjoy it. Murphy is booming.

## To the Justices of the Peace.

The time for electing county commissioners is drawing near. The several factions of Craven county have for several years shown more or less dissatisfaction with the present board; and the several attempts to defeat this board have signally failed. Whether these attempts were the will of the people, or whether the defeat was caused by clique or ring rule, I know not, but this I do know, it is impossible to have a fair interchange of opinion, and properly understand the wishes of the people, unless the justices meet in caucus. And inasmuch as there is but one member of the present board eligible (unless the others resign as J. P.'s, which I am sure none will do, who take a proper view of the political condition and have the interest of Craven at heart), the board of J. P.'s will have to make a new selection. Therefore I do not consider it prudent, and would advise the board not to go into an election before meeting in caucus wherein the desire of the people may be ascertained by a free and easy interchange of sentiment. There are questions of vital importance to Craven county being agitated: the exchange of her railroad stock to build a wood structure across Neuse, or the disposal of the same in some manner, and last but not the least, the levying of a tax by popular suffrage to build certain other railroads. Therefore it behooves the J. P.'s to see that none but the most discreet and intelligent are elected. For consideration I would suggest the following persons: Enoch Wadsworth, Wm. Cleve, Jno. A. Jackson, E. H. Lane, J. W. Biddle, Adam Gordon, L. H. Cutler, Wm. Hollister. CORE CREEK.

## Children's Fair and Festival.

The Juvenile Sewing Society of Christ Church will hold a Fair and Festival on Tuesday evening, May 29th, in the unoccupied store adjoining Mr. A. M. Baker's on Pollock street. Amusements and Refreshments will be provided and the public are cordially invited.

## Notice.

A cordial invitation is hereby extended to all to meet and participate in the memorial services of the Union dead at the cemetery on Wednesday next, the 30th of May, at 4 o'clock p. m. Maj. Wm. L. PALMER, of the Committee on Invitation.

## Distinguished Men.

Governor John Ireland, of Texas; Simon P. Hughes, of Arkansas; S. D. McEnery, Governor of Louisiana; E. B. Turner, Judge U. S. Court; Ex-Gov. Hubbard, Minister to Japan; Marion Martin, ex-Lieut. Governor of Texas; W. B. Miller, ex-Governor of Arkansas; E. A. Perry, Governor of Florida; W. D. Hoxham, ex-Governor of Florida; John B. Gordon, Governor of Georgia; Alex. Gregg, Bishop of the Episcopal Church and Chancellor of the University of the South; and hundreds of other distinguished men of the United States in all professions and in every department of science have had their right restored by the use of Hawley's Crystalized Lenses.

## THE REPUBLICAN STATE CONVENTION.

Dockery Nominated by Acclamation for Governor—Pritchard for Lieutenant Governor—The Convention for Blaine.

RALEIGH, May 23.—Republican convention met at noon. C. A. Cook was made temporary chairman; J. C. Dancy temporary secretary. All the counties save twelve were represented.

Committee on credentials was out several hours. It reported contents in Craven, Carteret and Edgecombe, and reported in favor of seating W. E. Clarke and A. A. Bryan from Craven, E. C. Dunbar and S. A. Blount from Carteret, and Cobb delegation from Edgecombe.

Speeches were made by R. Z. Linney, James E. Boyd, Thos. Settle, F. D. Winston and James H. Harris. When Boyd mentioned Blaine there was great cheering.

It was six o'clock before the election of a permanent chairman was had.

D. L. Russell, who is for Sherman and J. E. Boyd who is for Blaine, were nominated and Blaine men showed their strength by electing Boyd. George A. Mebane and John C. Dancy were made permanent secretaries.

A committee on resolutions was appointed.

Nominations for Governor was next taken up. Charles Price's name was placed in nomination, but was withdrawn and O. H. Dockery was nominated by acclamation amid great cheering. J. C. Pritchard of Madison county, was nominated for Lieut. Governor.

## HERE AND THERE.

J. R. Winfield is to preach for the Disciples at Swan Quarter.

Bugs in some sections are doing much damage and in others but little or none. Dr. J. O. Lorraine and family are spending some days as guests of Mr. D. C. Way.

Mrs. Hugh Lovick has been for several days on a visit to her father at Leechville.

The body of the negro drowned off of steamer Greenville on the 15th has been recovered.

If a marriage should take place anywhere in the vicinity of Swan Quarter right soon don't blame me.

Steamer Washington excourted to New Berne on the 14th for a crowd of colored people to attend conference.

Married at Alligator Lake on Sunday the 5th inst., Mr. A. N. Dunbar to Miss Sarah C. Dunbar. A. Latham officiating.

Much preparation for the M. E. Conference, to commence here next week, is being made and many people are expected.

W. H. Fortescue shot a colored man through the arm on the 11th inst. Not seriously wounded. Mr. F. has gone to Norfolk.

We were pleased to meet J. L. Burns, the State Evangelist for the Disciples, at court in Hyde. He had made a tour of the county.

Miss Bettie Tooley, the amiable daughter of W. B. Tooley, Esq., of Swan Quarter, has improved so much that she can ride out.

Died in Washington on the 19th inst., Mrs. Geo. T. Tyson, after an illness of many months, which was borne with christian fortitude.

It is reported that the Rodman land or the "Hall Grant" has been sold to a company of Northern men, who we trust will develop it.

Prohibition is not much talked in Washington, but the Prohibitionists are working wisely and well. They learned wisdom by experience.

Mrs. Geo. L. Windley of Haalio, was severely hurt a few days since by being knocked down by the buggy wheel near which she was standing.

The Disciples meet at Pantego on the last Saturday in July in union meeting, and the Episcopals in convention at the same time. We anticipate a crowd.

Mr. Julius Holtzschneider of Washington, N. C., was married at Leechville on the 15th inst., at 5.30 o'clock p. m., to Miss Ella Knickerbocker. A. Latham tied the knot.

There is some talk of building a warehouse at the new road on Pantego creek, which would be pleasing to the steamboat men, as they would then avoid crawling their vessel over the many logs in the creek.

C. M. Brown, Esq., was re-elected Mayor of Washington which place he has filled for some terms before with honor to himself and advantage to the town. E. T. Stewart was elected chief of police, and J. D. Gordon policeman.

Court in Hyde convened on the 14th. The JOURNAL was there by N. W. Sandler, who when a paper is mentioned always says, "the JOURNAL." The Progress, Gazette, News & Observer and Economist were all represented. We missed the familiar figure of our good friend, C. O. Taylor, so much. The bar was largely represented by G. H. Brown, J. H. Small, C. F. Warren and several others. Long & Randolph were prepared to supply buggies in many styles, and Messrs. Carrow, Harvey and Tankard horses and mules. The jail had one occupant, a negro woman charged with stealing a hog. Gen. W. G. Lewis was in attendance on business connected with the public lands.

## THE FLOODS ABATING.

Immense Damage Done the Sufferers.

QUINCY, Ill., May 21.—The great flood in the Mississippi, which will be remembered as without a precedent in the destruction and suffering created, is slowly abating and it is thought that the worst of the high water is passed. But the worst that could happen has already occurred; hundreds of families having been rendered homeless and thousands of acres of growing crops ruined, to say nothing of the loss entailed by demolished dwellings, wrecked fences and washouts. A trip through the submerged regions shows that the stories of the loss and suffering already published have not been exaggerated in the least.

From the northern end of Adams county to the southern end of Pike county, the land on the Illinois side of the river was protected by a system of levees. The region embraced 250,000 acres, the soil being the richest in the State. All the region is now one vast lake from six to ten feet in depth. Along the bluffs on the eastern side of the submerged districts, hundreds of families are camped, living in tents, huts and in the open air. Before the flood most of these people were well to do, prosperous farmers, but now they have little or nothing. Much sickness prevails among the unfortunates owing to want and exposure, but prompt measures have been taken to alleviate their sufferings.

## A Convict Inspects the Penitentiary as a Visitor and Leaves.

W. H. Hargrave, of Davidson, the man who was reported to have come to the penitentiary of his own accord, but who never was heard of after his arrival here, is now within the walls of that institution. He has three times been convicted for stealing a horse. The first time on appeal to the Supreme Court he got a new trial. The next time, owing to an informality in the verdict the presiding judge granted a new trial. The case was removed to Lowan, and there, in February, he was found guilty a third time and appealed to the Supreme Court. The offense being bailable, pending the appeal he gave a \$2,000 justified bond. This time the Supreme Court affirmed the judgment below. Knowing the sheriff would come for him, Hargrave anticipated him by voluntarily coming to Raleigh himself May 7th. He registered at the Yarboro House. He went out to the penitentiary and was shown through like an ordinary visitor. His heart failed him, however, and he left, going to Lynchburg, Va. One of his sureties, hearing of his whereabouts, went after him without any requisition and induced him to come back and he is now in the penitentiary. He is a white man and is respectfully connected. He is in for a term of six years.—News and Observer.

The Disciple Sunday school went to Seven Springs on Wednesday by boat for their annual picnic. After so much rainy, cloudy weather, it was a treat to the young people to get out and enjoy the sunshine.

The excellent school at Bethel Academy, Neck township, closed on Friday with a very interesting course of exercises and an address by Prof. G. C. Bundick of LaGrange Institute. This school is of great value to that part of the county. Why not every township have one like it?

One of the most enjoyable occasions of the whole year for Kinston is Kinston College commencement. The time is near at hand, June 5th, 6th, 7th and 8th. On Thursday, the 7th, Rev. J. S. Dill of Goldsboro, delivers the annual address, followed by the awarding of premiums and the annual report. The other exercises will be at night. The art exhibit on Friday night will be a new feature.

Mr. T. J. Mencham's little son, Marvin, swallowed two teaspoonfuls of iodine Monday while playing in the room where the bottles were sitting on the mantel. It soon made him sick enough to vomit. The doctor was called in and medicine given to cause him to vomit freely. The doctor says he had happened to have taken half the quantity it would have been almost sure to have caused his death. Marvin says that all made him sick and he's not going to take any more. Parents should be careful to keep poisonous medicines under lock and key.

## That Rarest of Combinations.

True delicacy of flavor with true efficiency of action has been attained in the famous California Fruit Remedy, Syrup of Figs. Its pleasant taste and beneficial effects have rendered it immensely popular. It cleanses the system, cures constipation, etc. R. N. Duffy, agent, New Berne, N. C.

## WHAT AM I TO DO?

The symptoms of biliousness are unhappily but too well known. They differ in different individuals to some extent. A bilious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred it is rough, at all events.

The digestive system is wholly out of order and Diarrhoea or Constipation may be a symptom or the two may alternate. There are often hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effect a cure try Green's August Flower, it costs but a trifle and thousands attest its efficacy.
