#### Kennan on Siberia.

Except the Life of Lincoln and the War Attuces, no more impor-Itant settes has ever been undertaken by The Century than this of Mr. Kenan's. With the previous preparation of four years' travel and study in Russia and Siberia, the author undertook a journey of 15. 000 miles for the special investigation here required. An introduction from the Russian Minister of the interior admitted him to the principal mines and prisons, where he became acquainted with some three hundred State exiles .- Liberals, Nihilists, and others,-and the series will be a startling as well as accurate revelation of the exile On and after Monday, the 8th day of April, the steamer Howard will run the artist and photographer, Mr. George A. Frost, who accompanied the author, will add greatly to the value of the articles,
