Entertainment at Morehead City.
Frank Board, one of the most celebrated humorists in America will give entertainment at the Teachers' Assembly hall, Morehead City on Monday and Tuesday evenings the 18th and 19th. There will also be a musical and literary entertainment on Friday night the 23rd. The A. N. C. R. will run special trains Tuesday June 19th and Friday June 22d leaving New Bern as advertised at 4:40 a. m.

A Suggestion.
The Beaufort Record suggests a grand ratification meeting by the Democrats along the line of the A. N. C. R. to be held in New Bern on the 4th of July and promises the attendance of a good number of Carter Democrats. New Bern is a good point for such a demonstration and the Johnnie is ready for it if our people feel willing to bear the incidental expenses. Special trains, low rates and a number of prominent speakers would draw a large crowd. But, as the Record suggests, the time is short and whatever is done must be done quickly. We refer the matter to the Young Men's Democratic Club, which is organized in a day or two. Let them discuss the matter and see what can be done.

Better Mail Facilities Needed.

The people of Johnson's Mill, Pitt county, have just cause for complaint of their present mail facilities. It is a thriving little village with an excellent school and in the midst of one of the best farming sections in Eastern Carolina. A daily mail goes from Kingston to Bell's Ferry. Johnson's Mills is only four miles further. The entire route from Kingston to Johnson's Mills is only eighteen miles. The increased services would cost but little more and would be of great advantage to the people of that wealthy, enterprising neighborhood. Cannot Hon. E. C. Latham prevail on the department to have the daily mail from Kingston to Bell's Ferry extended to Johnson's Mills? If he can he will receive the thanks of many outside of his immediate constituents, the JOURNAL especially, which with the present mail facilities to that point is under great disadvantage.

A Remarkable Recovery From a Pistol Shot Wound in the Head.

Allen Dunn, who lives near Clark's brickyard, this county, has a girl child three years of age that recovered from a serious wound inflicted accidentally by her brother, the particulars of which are as follows: One night about six weeks ago the oldest boy who had been out shooting with other boys, came home and carelessly laid his pistol on the bureau. The next morning all the family left the house to work in the field except this girl and a young brother aged six. The latter discovered the pistol, and in handling produced the usual result shot his infant sister in the head, the ball penetrating the skull on the right side immediately on a line with the ear traveling down the interior of the skull to the back part where it came out. The father was near enough to the house to hear the report, and hurrying in found the child covered with blood, but not unconscious. He immediately brought her to New Bern, and under Dr. F. W. Hughes's skillful treatment, has made a complete recovery, and Allen says he thinks she's got a heap more sense since she was shot than before.

Shooting Tournament at Morehead.

Steps are being taken by the Craven County Gun Club to inaugurate a shooting tournament at Morehead City during the present season to continue a week or longer. The time has not been settled definitely as yet, but about July 10th seems to be the date spoken for. The correspondence committee, consisting of Messrs. Wm. Ellis, Matt. Manly, E. Hancock Jr. and J. W. Waters, will cheerfully answer any letters that may be addressed to them in regard to the tournament. Any clubs or private individuals who desire to compete for the various prizes are especially requested to write to the committee for any information they may wish. Of course the success of the enterprise depends upon the interest manifested by the field sporting fraternity.

Special railroad and hotel rates will be arranged for, and a most enjoyable affair is anticipated. The Craven County Gun Club will have a club room open for visiting participants during the tournament. Those desiring to take part should signify their intention as early a date as is possible.

Messrs. Heerman & Cook, proprietors of the Atlantic hotel, are taking a lively interest. The following circular, which explains itself, is being distributed by the club.
