SCOTT PARTIN. Is It He! If Not, Who Is He! RALEIGH, June 30, 1888.

As time passes the mystery concerning the man in jail here, as Scott Partin, the notorious murderer, only deepens. Is it Scott Partin, of Panther Branch township, or Robert Leson Porter of Portarrington, Ireland? This morning, as fast as one party of men was permitted to see the prisoner, the room was cleared to make way for more people, all wild to see him. As fifty countrymen stood facing the jail door today, your correspondent asked all the question—"Do you believe the man is really Partin?" Nineteen answered yes. Some said that they believed people who felt sure it was Partin would not say so, for some reason or other. Nearly every Irishman in Raleigh has visited the prisoner. All, with one exception, declare he is no Irishman. He knows nothing about Ireland to begin with and his attempted imitation of the brogue is very poorly done. There was one curious feature in the case today. A negro woman appeared and said that some years ago Partin attempted to assault her. She had a knife and cut him severely. She described the location of the wound. Upon examination a scar, indicating precisely a similar wound, was found upon the body of this mysterious man.

LATER EVIDENCE. There was a new development in the Partin case this afternoon. The prisoner was asked to write the name A. W. Partin. He did so and the resemblance to the signature of the real original Partin is so striking as to convince many persons who were disposed to be skeptical. The signatures are filed as evidence.—Raleigh Correspondent Wilmington Messenger.

They Want a Wholesale Indictment. ST. LOUIS, June 30.—A special from Parson, Kansas, says the coroner's jury impelled at Cheyopa, yesterday morning, to inquire into the lynching of two colored men by a mob of Cheyopa citizens, Wednesday, is composed of four white and eight colored citizens. The white jurors insist that the verdict should say that the lynched men came to their death at the hands of parties unknown; while the colored jurors say that the names of over a hundred of the mob are known, and want a verdict to charge them with the crime, and they have refused to consent to a verdict otherwise. Both sides are firm, and it is probable that majority and minority verdicts will be rendered, as the law does not provide for a hung coroner's jury.

A Battle Between Revenue Officers and Moonshiners. ST. LOUIS, June 28.—A St. Louis special from Little Rock, Ark., says: "A desperate battle occurred between revenue officers and moonshiners, near Block Springs, Montgomery county, yesterday. Internal Revenue Collector Frye and a posse raided a camp of moonshiners in the vicinity, destroying three stills. Shortly afterwards the posse was attacked from ambush by an armed band of moonshiners. A regular battle ensued, in which Deputy U. S. Marshal Trammell was killed. Collector Frye telegraphed to Fort Smith for reinforcements."

Cyclone at Laurinburg. A heavy and destructive storm of wind and rain struck the town of Laurinburg yesterday afternoon at fifteen minutes past three o'clock, coming from a southerly direction, and lasting about thirty minutes. From a correspondent of the Star at Laurinburg and from persons arriving on the Carolina Central train last evening the following particulars were gathered. The McCullum Hotel near railroad depot, was badly damaged; one of the brick chimneys was blown down, demolishing part of the roof and crushing through the building to the first floor. The furniture and carpets in the rooms of the building were considerably damaged; but, fortunately no person was injured. Mr. Parker's gin house, lying directly in the trace of the storm, was entirely destroyed, and also two churches belonging to colored people. Col. J. T. Roper's stables were blown down, and two mules in the building killed. The stores of Messrs. McCaskill and McLean, M. G. McKoy and R. A. Roe and the Merchant's Hotel were unroofed, and also the residences of Mr. Berry Bryans and Mr. J. T. Frazier. A number of out houses were demolished, and trees and fences were blown down in all directions.

At Mr. W. A. McLaurin's residence two of the windows, with the blinds, were torn from their fastenings and blown into the house. The track of the storm was fortunately narrow. It extended beyond the town of Laurinburg in a northerly direction about half a mile, leveling everything in its path. So far as known no loss of life occurred either in the town or country.—Wit Star.

The Mystery Solved. JACKSONVILLE, Fla., June 28.—The mystery of the poisoning of the colored man Dean and four children here Tuesday has been solved. Dean's son aged 15 had committed a robbery of a pistol and some provisions from a neighbor on Sunday night, and was identified next day. When the father was notified of the facts, he threatened to give the boy one hundred lashes for committing the robbery. Monday afternoon the frightened boy purchased a package of Rough on Rats, which he had learned was a fatal poison, and while his father was boiling potatoes, on Tuesday morning, the boy emptied the entire contents of the package in the water in which the potatoes were being boiled. The father and four children partook of the potatoes and all were poisoned. Two children and the father are dead, and the other two children are expected to die. The boy was arrested this afternoon and made full confession, procuring the can which has contained poison, which he had thrown into a swamp half a mile away. He is now in jail awaiting trial.

Yale Beats Harvard in a Four Mile Stretch. NEW LONDON, Conn., June 29.—The eleventh annual eight-oared race between the University crews of Yale and Harvard was rowed this afternoon over the Thames river course, four miles straight away, and won by Yale by 24 lengths. Time 20:12; Harvard's time 21:14. The series of races between these two colleges now stand six to five in favor of Yale. Yale's time today is the fastest ever made on the river, surpassing that made last year by Harvard—20:20—in the race with Columbia.

OBITUARY. At the home of her husband, Thomas E. Gilman, Onslow county, on June 10, 1888, died Emma E. Gilman. Mrs. Gilman was the only daughter of Gabah J. Etheridge, Esq., and M. P. Etheridge, formerly of Norfolk county, Va., but for many years resident in Currituck county, North Carolina, where their daughter Emma was born. Oct. 18th, 1853. Mr. and Mrs. Etheridge are both dead, and the only surviving member of the immediate family is Mr. J. C. Etheridge of Norfolk, Va., a brother of the subject of this sketch. Mrs. Gilman was married May 18th, 1886, and has since lived in Onslow county with the exception of a short residence in New Berne, where her husband at one time intended to locate in the practice of his profession. When the good and true die, many eyes fill with tears, many hearts ache with woe and grief; and the sweet assurance of rest in heavenly peace is alone the comforter. In the life of this lovely Christian woman was the truest friendship, the purest, noblest wifehood, all commingled to make up the glory of real womanhood. Her gentle, amiable life diffused a perfume of goodness, carrying light into shadowed lives, courage to the weak, ease and comfort to the distressed and sorrowing, fitting her own crown by the hand of golden charity. Every one who met her felt henceforth her friend, and many are the neighbors of her former home in Currituck and of her more recent residence of Onslow and New Berne, who will miss the gentle voice, the cheering influence, the deeds of grace of this goodly woman. To her family is tendered the sympathy and condolence of those who knew her. To him who knew her best and loved her most, God alone can temper the winds in his great bosom and grief.

From Washington. WASHINGTON, June 28.—The Democrats of the Senate held an order of business meeting this morning and formally decided by vote to insist on the postponement of all matters before the Senate, except the regular appropriation bills, and to oppose the usual adjournment from Thursday until Monday, the purpose being to secure the passage of the more important appropriation bills before the end of the fiscal year, and thus avoid the necessity of passing makeshift resolutions to keep the departments running. The House has passed a joint resolution providing temporarily for the expenditures of Government in case the appropriation bills have not become law prior to July 1.
