## THE COUNTY DEMOCRATIC CONVENTION.

The Democratic Convention of Craven county met at the court house in New Berne on July 12th, 1888.

C. C. Clark, President and J. W. Bidle, Secretary.

Mr. A. Cohn, township No. 1 appeared before the Convention and desired to contest the seat of the entire delegation from his township.

The chair ruled that the proper time to have brought this matter to the attention of the Convention was at its meeting on 13th of May, but that a motion in regard to it from a member of the Convention would be in order.

Thereupon Mr. Meadows moved that it be referred to the committee on credentials.

The roll of delegates was called and all but the 5th township were found to be represented.

During the absence of the committee on credentials, Mr. James A. Bryan introduced General C. A. Battle who entertained the Convention by a short ringing address. The President then thanked the gentleman in the name of the people and expressed his great gratification at having associated among the Democrats of Craven county a man so well calculated to inspire enthusiasm among the people.

W. W. Clark, Esq. was called upon and made a good speech. James M. Brinson also responded to calls.

The committee on credentials reported that there was no contest of delegates of No. 1 township but only a personal matter, and the delegates at the former meeting of the Convention were the proper representative of No. 1 township. On motion report was adopted.

Mr. H. H. Perry moved that since the Stimson faction of the Republican convention having failed to nominate candidates for the county offices, that this Convention adjourn to August 12th.

On motion of Mr. Williams vote was taken by townships. Motion lost.

J. A. Bryan moved that the Convention proceed to the election of the candidates for the Legislature.

Mr. Cleve put in nomination for the House of Representatives, John Allen Jackson.

Mr. Russell put in nomination for the lower House, J. W. Lane, Esq.

R. P. Williams nominated for the House, R. A. Russell.

Jas. A. Bryan nominated for the Senate, H. S. Nunn. Nomination seconded in a very eloquent speech by O. H. Guion.

Mr. Nunn was unanimously nominated by acclamation.

Mr. Nunn being present accepted the nomination in a very patriotic speech.

S. W. Latham nominated for the House, J. A. Ernul.

E. H. Meadows nominated Joel Kinsey.

Mr. Cohn nominated James B. Gardner.

R. A. Russell moved that a committee of conference, consisting of three, be appointed to report a candidate. Motion lost.

Mr. Meadows moved that the first ballot be an informal one. Motion prevailed.

Mr. Williams moved that after the first ballot all names be dropped except the three highest. Motion prevailed.

Upon first ballot Messrs. Jackson, J. W. Lane and Joel Kinsey received the highest vote. Mr. Jackson's name was withdrawn, and R. A. Russell was nominated by acclamation.

Mr. Tidale moved that when this convention adjourns, it do so subject to the call of the chairman. Motion carried.

Adjourned.

**The Nominations of Craven.**

Our correspondent "S." in his notice of the nominees for the General Assembly by the Democratic Convention, is rather lavish in his commendations of the nominees for Senator.

Neither of the gentlemen sought the nominations made with such unanimity, and as they desire, above all things, harmony and concert of action on the part of our people in public affairs, they are ready and willing to make any reasonable sacrifice to accomplish that end.

The editor of the JOURNAL knows that there are plenty of men in Craven county, who, if elected, would represent it with far more ability, but he yields the palm to no one for a more earnest desire for the prosperity and happiness of the people of Craven county and the development of its material resources.

**DEED.**

At Round Knob, July 12th, John, only son of J. R. B. and Lizzie Carraway, aged about ten months.

The funeral will take place from the depot this evening upon the arrival of the mail train.

## Outrageous Conduct.

On Wednesday night just as the Democratic speakers had assembled on the stand some one on the outskirts of the large crowd struck Mr. Louis Goutier either with a stick or brick severely cutting his head, and a piece of iron was thrown from Broad street over the speaker's stand striking the door of the court house. It was a dangerous missile, as it made a dent in the door near a quarter of an inch deep. Fortunately no one on the stand knew of the deadly missile and the speaking proceeded undisturbed.

An arrest was made and a mob followed the police to the station making all sorts of threats and riotous demonstrations. The boy was arrested for disorderly conduct and was tried before the Mayor yesterday morning, found guilty and fined \$2.00 and cost. The party who struck Mr. Goutier and the one who threw the iron has not been found. If found and convicted the severest penalties of the law should be inflicted. Every good citizen, white or black, should aid in ferreting out the scoundrels who try to disturb a gathering of this sort no matter whether it is a Democratic or Republican gathering. And when one is caught the officers of the law should extend no mercy. Such conduct is calculated to produce riot and bloodshed and every good citizen should aid in breaking it up.

Mr. Goutier offers \$25. reward for evidence to convict the scoundrel that struck him.

**Grand Demonstration in Beaufort Harbor.**

Or at least there ought to be one. There is no place on the Atlantic coast that offers finer advantages for a grand political demonstration than Beaufort harbor, and there are no places that would receive greater benefit from it than the two towns of Morehead and Beaufort. These places have become famous as summer resorts, it is true, but they need to put forth some effort of their own to draw still further the attention of the people to them. They need judicious advertising. We suggest that a grand political demonstration be gotten up by the two above mentioned towns, and that a grand procession of boats of which there is a countless number to be had. The lighted flambeaux and the music upon the water, and the gay bunting would remind one of the great carnival at Venice, and it could be made a pageant which could be gotten up nowhere else in the country. Beaufort harbor seems to have a warm place in the heart of the railway management and it has thriven by the influx of visitors that has been yearly housed into it, and we are sure the railway people would do all they could to bring an immense crowd. Let some energetic men on the harbor look this matter up and push it and it will succeed. Push it at once; get the railroad people in it, and start out with no misunderstanding, and there will be the grandest display ever seen in our State. Many Democratic clubs will be present, and with them noted men, and the advantages of the harbor will be advertised. There is hotel accommodations for everybody in the two towns, and there will be no such thing as lack of sleeping room. Let us have the demonstration.

**From Good Hope.**

A subscriber at Good Hope, Craven county, writes that a fine rain last Tuesday evening had much improved the crops and that they are looking tolerably well.

The new Methodist Church at that place is nearly completed, and an effort is being made to get a postoffice with Mr. A. Toler as postmaster.

**Personal.**

Jas. W. Pelletier of Carteret county was in the city yesterday. He has recently returned from a five year's trip out West and on the Pacific coast.

Mr. J. R. Moody, of the firm of J. W. and J. R. Moody, lumber dealers and grocers, is at Seven Springs and will extend his trip to Asheville.

**Steamer Movements.**

The Eagle of the E. C. D. line arrived yesterday morning with miscellaneous cargo and will sail at 4 o'clock this afternoon. The Vesper of this line will arrive tomorrow.

The Manteo of the O. D. line sails today at noon for Norfolk. Tickets have already been put on sail for the colored excursion to Washington next Wednesday.

**All the Way from Japan.**

Mr. A. E. HAWES—Dear Sir: I am much pleased with the panicle glasses you so perfectly adapted to my eyes; with them I am enabled to read in my youth, the finest print with the greatest ease. I cheerfully recommend them to the public. Respectfully,  
E. B. HUBBARD.

**J. HAVANS' Society.**

**Kinston Items.**

What is a white oak snake? Tomatoes are in our market selling at one cent each.

Mr. E. B. Lewis left Tuesday on a business trip to Wilson county.

The rain last night, Tuesday, was of great service to our farmer friends.

Miss Hattie Pritchett is spending some time with relatives in Trenton.

Some summer courting is being done now which may eventuate in winter weddings.

Crops around Kinston are fair, and in many parts of the county give promise of fair returns.

Mr. J. Dan Miller has returned from Greenville, S. C., where he had been lecturing to an Institute.

Mr. H. C. V. Peebles has gone down to New Berne to accept a position on Gen. Ransom's river brigade.

Our base ballists are now convinced of the truth of the old adage "Practice makes perfect"—and will, doubtless, aim no more at perfection till they have had some practice.

Dr. R. H. Lewis, President of Kinston College, delivered several lectures on Physiology and Hygiene and on School Government at this Institute. The lectures were well received.

Miss Jennie Patrick and Mr. J. P. Haakitt reached home on their return from their Niagara trip, on Wednesday. They report a grand time and unalloyed pleasure. All the teachers were wonderfully pleased.

Mr. W. T. Walker, the Prohibition candidate for Governor, had an audience of about two hundred, last night at the court house. He speaks well—in fact, is a first-class stump speaker. He will, doubtless, make some votes for his party here.

Misses Laura Herbert, Agnes Grady and Dora McDaniel from our town attended the proceedings of the Jones County Institute at Trenton last week. There was a very large attendance of teachers from Jones county. Mr. Wm. Mewhorns of Kinston who went down to the meeting, concluded to remain and take a school in the county.

Our street committee are doing some good work now—which will be of lasting benefit. Tiles are being laid from the river back of the market house, up King street to Independence. And soon the frog pond which has been an eye sore to the citizens near the Methodist church will be no more—and the sheet of water which extends, in wet weather, like a chain of lakes from Mr. Mescham's corner to Mr. J. F. Wooten's, will have gone not to return. This is a permanent work and the expense should not be grumbled at.

**The Verdict Unanimous.**

W. D. Sult, Druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles and was cured of Rheumatism of ten years' standing." Abraham Hare, druggist, Bellville, Ohio, affirms: "The best selling medicine I have ever handled in my 30 years' experience is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the Liver, Kidneys or Blood. Only a half dollar a bottle at R. N. DUFFY'S Drug store.

## The Nominees.

**EDITOR JOURNAL.**—May a good Democrat, but one altogether apart from the affiliates and activities of the Federal office, express his opinion of the nomination of Henry Nunn for the Senate, and of Dick Russell for the House of Commons? And will the editor of the JOURNAL so far suppress his modesty as to publish it?

And first, will Henry Nunn, the nominee for the Senate, fill the bill? We have no hesitation in declaring openly and emphatically, that he will command the confidence and support of the people. He is a sensible, practical politician, who will carefully and even laboriously inform himself of the rights, wants and privileges of his section, and strain every faculty to advance its interests. There is no artificialism about the man, no affectation, selfishness or demagoguism. Perfectly frank and honest, a gentleman and Christian without guile, he will go directly at the mark of a sound, patriotic State government, the vindication and redemption of down-trodden old Craven, and the resuscitation of all our interests by every square inch of his capacity. It is not necessary to call him a great speaker. He is an earnest, vigorous and effective talker, and can always give a reason for the faith that is in him. As for intelligent and jolly Dick Russell, his name alone will be the signal for solid acquisitions of Democratic influence throughout this country.

**A Woman's Discovery.**

"Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its several tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Lutz. Thus write W. C. Hamrich & Co., of Shelby, N. C. Get a bottle free at R. N. Duffy's drug store.

**CHOWAN BAPTIST FEMALE INSTITUTE.**

MURFREESBORO, N. C.

The fall session of this well known and popular institution begins on

WEDNESDAY, SEPTEMBER 19th.

It offers superior advantages for instruction in LITERATURE, MUSIC, and ART. The work of the Literary Department is divided into seven schools: Mathematics, Latin, French, German, Natural Science, Moral Philosophy, and English Literature. The teachers in charge of these schools are specially qualified by their preparation and experience for the work committed to their care.

The Music Department is under the care of teachers of culture and refinement, who have taken unusual pains to qualify themselves for their work, and who are well known to patrons as most popular and successful.

The lady in charge of the Art Department gives her entire time to her work, and spends most of her vacations in securing additional instruction under the best masters.

The location of the Institute was selected in preference to several others, in some respects more eligible, on account of its celebrity for health; and the history of the school for forty years fully sustains this reputation. Its health record is not surpassed by any institution in the State.

Charges are very moderate.
