## At the Baptist Church.

There was a very interesting and instructive sermon at the Baptist Church last Sunday night. The pastor, Rev. H. W. Battle, was absent, and the exercises of the occasion were conducted by Hon. C. C. Clark, who delivered an admirable address based upon the words of David, "Restore unto me the joy of Thy salvation; and uphold me with Thy free spirit. Then will I teach transgressors Thy ways; and sinners shall be converted unto Thee." Psalm 51-12; and 13. The object of the speaker was to show that before any general revival can take place Christians must have the jey of Salvation restored to them. It is an fessential prerequisite to the salvation of sinners. This restoration of the gas ever seen in Hickory. joy of salvation will be followed by implicit obedience to the laws of God. Christian joy, Christian obedience, Chiristian consecration, Christian activity will teach transgressors the ways of God, and sinners will be converted. It is the right, privilege and duty of all Christians to preach the word.
