### Attractive Dwellings.

There are houses, like faces, whose exterior repels or attracts us at once, we scarce know why or how. Some look so cheery as we pass, that one is sure that bright spirits are within, although there may be no signs of wealth about the dwelling. Others look cold, forbidding, as if, should you enter, a tomb-like chill would strike you. We imagine one difference with respect to these houses to be the presence or lack of the signs of agreeable activity about the dwelling—the ingress and egress of occupants interested in brightening it, because it is dear to them, plain and unpretending though it be. In such a habitation you will not find the chairs pinned formally against the wall, or the blinds closed, lest a sunbeam should fall on a curtain or carpet, or the disagreeable spectacle of chandeliers and furniture in perpetual day-comfort, not show, being the presiding deity of the house.

**Where is Stanley?**  
LONDON, Aug. 1.—Dr. Scheinfurth believes that Stanley may have reached the southern part of the extensive and ill-defined district of Bahr-Ghazal, from which there were two available routes to Wadelair. Stanley, he thinks, is safe, unless his supplies of ammunition have become exhausted.

**Catch-as-Catch-Can.**  
SAN FRANCISCO, Cal., Aug. 1.—Joseph Acton, of Philadelphia, and James Faulkner, of San Francisco, wrestled here last night catch-as-catch-can, for \$2,000. The match was won by Acton.

**The Letter Carriers Happy.**  
NEW YORK, Aug. 1.—The letter carriers of this city today began work under the provisions of the eight hour law.

**Republican County Convention.**  
The Republicans of the several Wards and Precincts of Craven county are requested to hold meetings and elect delegates to attend the County Convention to be held at the court house in the city of New Berne, Thursday, August 9th, at 12 o'clock, p. m., for the purpose of nominating county officers and to transact such other business as may come before said convention.

C. E. PALMER, Secretary.

**WORTH KNOWING.**  
Mr. W. H. Morgan, merchant, Lake City, Fla., was taken with a severe cold attended with a distressing cough and running into consumption in its first stages. He tried many so-called popular cough remedies and steadily grew worse. Was reduced in flesh, had difficulty in breathing and was unable to sleep. Finally tried Dr. King's New Discovery for Consumption and found immediate relief, and after using about a half dozen bottles found himself well and has had no return of the disease. No other remedy can show so grand a record of cures as Dr. King's New Discovery for Consumption, guaranteed to do just what is claimed for it. Trial bottles free at R. N. Duff's drug store.

**Appointment of Bishops.**  
NEW YORK, Aug. 1.—The Catholic News has been notified of appointments of Rev. Dr. J. S. Foley of Baltimore as bishop of Detroit, and Rev. Dr. J. J. Hennessy of St. Louis as bishop of Wichita, Kansas.

**WHAT AM I TO DO!**  
The symptoms of biliousness are unhappy but too well known. They differ in different individuals to some extent. A bilious man is seldom a breakfast eater. Too frequently, also, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred it is rough, at all events.  
The digestive system is wholly out of order and Diarrhoea or Constipation may be a symptom or the two may alternate. There are often hemorrhoids or even loss of blood. There may be giddiness and often headaches and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effect a cure try Green's August Flower, it costs but a trifle and thousands attest its efficacy.

**STEP OF FIGS**  
Is Nature's own true laxative. It is the most easily taken, and the most effective remedy known to cleanse the system when Bilious or Costive; to Dispel Headache, Colic, and Pains; to Cure Habitual Constipation, Indigestion, Piles, etc. Manufactured only by the California Fig Syrup Company, San Francisco, Cal. R. N. Duff, agent, New Berne.

### The Century Magazine

With the November, 1887, issue The Century commences its thirty-fifth volume with a regular circulation of almost 250,000. The war Papers and the Life of Lincoln increased its monthly edition by 100,000. The latter history having recounted the events of Lincoln's early years, and given the necessary survey of the political condition of the country, reaches a new period, with which his secretaries were most immediately acquainted Under the captain

Lincoln in the War  
The writers now enter on the more important part of their narrative, viz.: the early years of the War and President Lincoln's part therein.

Supplementary War Papers, following the "battle series" will describe interesting features of army life, tunneling from Libby, narratives of personal adventure, etc. General Sherman will write on "The Grand Strategy of the War."

Kenann on Siberia.  
Except the Life of Lincoln and the War Articles, no more important series has ever been undertaken by The Century than this of Mr. Kenann's. With the previous preparation of four years' travel and study in Russia and Siberia, the author undertook a journey of 15,000 miles for the special investigation here required. An introduction from the Russian Minister of the Interior admitted him to the principal mines and prisons, where he became acquainted with some three hundred State exiles,—Liberals, Nihilists, and others,—and the series will be a startling as well as accurate revelation of the exile system. The many illustrations by the artist and photographer, Mr. George A. Frost, who accompanied the author, will add greatly to the value of the articles.

A Novel by Eggleston.  
with illustrations will run through the year. Shorter novels will follow by Cable and Stockton. Shorter fictions will appear every month.

Miscellaneous Features.  
will comprise several illustrated articles on Ireland, by Charles De Kay; papers touching the field of the Sunday-School League, illustrated by E. L. Wilson; "Westward Ho," by Theodore Roosevelt; the English Cathedral, by Mrs. van Rensselaer, with illustrations by Pennell; Dr. Buckley's valuable papers on Dreams, Spiritualism, and Clairvoyance; essays in criticism, art, travel, and biography; poems; cartoons; etc.

By a special offer the numbers for the past year (containing the Lincoln history) may be secured with the year's subscription from November, 1887, to April, 1888, in all, for \$5.00, or with the last year's numbers (beginning January, 1888), for \$4.00.
