

THE DAILY JOURNAL

VOL. VII.—NO. 155.

NEW BERNE, N. C., WEDNESDAY, SEPTEMBER 26, 1888.

PRICE 5 CENTS.

BUSINESS LOCALS.

In order to make an entire change in our business, we are offering our stock of Dry Goods and Shoes at New York Cost. This is no fraud; we mean business. Either retail or wholesale customers will find it to their interest to call on us.

A. M. BAKER.

IRISH Potatoes, Onions, Corned Beef and Hams.

C. E. SLOVER.

HOURS of receiving Ice from the Jarman Ice Factory on Sunday: 7 to 9, 11 to 2 and 5 to 7.

AGAIN I am before the public and wish to IMPRESS upon their minds the fact that my Groceries are beyond competition when price and quality are both considered. I have not been North, and thereby incurred in expense of several hundred dollars which the consumer must pay, but have used pen and ink, found the cheapest markets and bought, saving that unnecessary expense, of which I propose to give my customers the benefit. I am now receiving, semi-weekly, Butter and Cheese from the finest dairies in the country. Try a pound of each, and if you are not more than pleased, return them and get your money. My aim is to please and give perfect satisfaction.

THE GROCER, E. B. HACKBURN.

PARIS GREEN for destroying the cotton worm at

GEO. ALLEN & CO.

GINSAWS filed promptly and satisfactorily by

A. R. DENISON.

SPINACH, Turnip, and Siberian Kale Seed at

GEO. ALLEN & CO.

PHILA BUTTER, the best in the market, on ice at Dunn's, only 30 cents per lb.

WHITE LEAD, Mixed Paint, Varnish, Oil and Glass at

GEO. ALLEN & CO.

USE PURE ICE, manufactured by the Jarman Ice Factory.

A. M. BAKER.

In order to make an entire change in our business we are offering our stock of Dry Goods and Shoes at New York cost. This is no fraud; we mean business. Either retail or wholesale customers will find it to their interest to call on us.

A. M. BAKER.

MILLE DECCA, the young American opera singer, is achieving great success abroad.

At Portsmouth, Va., on last Saturday, four Italians were captured who had flooded the town with counterfeit money.

"Each man is a walking coal mine, and it is for him to decide whether it shall send forth heat and light, or only soot and smoke."

In Germany, which has a high protective tariff, the wages per hour are only about half what they are in England where free trade exists.

The Republican Senators held a caucus Saturday at which the tariff was under consideration, but no vote was taken and no conclusion reached.

As the Republicans have nominated Harrison for President, it is to be presumed that they are children of "Old Harry" and are going to their father's house.

All brave men are not necessarily gentlemen, for they may not have the thoughtful culture that recognizes the rights of others; but all true gentlemen are brave.

MISS ROSE CLEVELAND says that the ambition of her life is to put in circulation "green thoughts." Some persons reach the goal of Miss Cleveland's aspirations without an effort.

In the days of our fathers a tariff of 84 per cent enabled them to drive out the savages; in our day a tariff of 47 per cent has made savages who butcher our people and destroy their substance.

At a mass meeting at Salem, Va., last Monday, Presidential electors John T. Harris and W. B. Berry delivered addresses, and one hundred colored men announced their intention to act independently of old party leaders and support Cleveland and Thurman. This declaration fell in the Republican camp like a bombshell, and a tremendous effort was made to stem the tide, but in vain.

It has been said that "There is no one to take Proctor's place." If by this it is meant that every man must occupy his own place, and be responsible for the way in which

he has filled it, it is true. But if it is meant that science is left childless, and no one remains to inherit her riches it is false. Science has many children, and every new born son is the heir of all who have gone before.

LOCAL NEWS.

Gorton's minstrels will be at the theatre tomorrow night.

Owing to the continued drizzling rain, yesterday was quite a gloomy day.

Rev. Sam Jones, an evangelist of much note, begins a series of meetings in Durham, October 17th.

Annual meeting of stockholders of the New Berne Building and Loan Association at the Y. M. C. A. rooms at 7:30 tonight.

It would be well if the numerous holes that have been forming for some time on the shell streets were remedied by replacing more shell before they become worse.

On last Sunday night Rev. H. W. Battle delivered a sermon at the Baptist Church on the yellow fever which was followed by a collection of thirty-five dollars. This amount will be increased and then forwarded to Jacksonville.

Taken from the front porch of the Baptist parsonage, yesterday morning, an umbrella with the name of H. W. Battle on a small brass plate in the handle. The person who has it can quietly replace it, when nobody is looking, and feel all the better for having done so. This is good weather for umbrellas and we blame none for carrying one even if it is borrowed.

We publish today an article from Round Knob on the scenery, etc. of Western North Carolina which has been delayed on account of pressure on our columns since the reception of it. The writer is a native of Northern Germany, has traveled much of the old country and visited the places of note in much of the United States, but unqualifiedly pronounces the scenery around Round Knob the finest he had ever seen. He is on the way to St. Petersburg where he will take up his residence next spring.

Damage to Crops

A postal card from Barnwell, Craven county, states that the damage to the crops by the recent rains is at least fifty per cent. In sections where the cotton was open the damage has been quite serious, both to grade and quantity.

Steamer Movements.

The Newberne of the O. D. line sailed yesterday with a large cargo of cotton, naval stores and other freight, and a number of passengers. Steamer Manteo arrived last night.

The Eagle of the E. C. D. line will sail at four o'clock this afternoon. The Vesper of this line will arrive tomorrow.

The Howard of the Independent line arrived yesterday from up Trent river with fifteen bales of cotton and other freight.

The Accident to Col. J. N. Whitford.

It is with much regret that we announce that the accident to Col. John N. Whitford, spoken of in yesterday's issue necessitated the amputation of the fingers of his left hand. The accident was caused by a horse which he was leading behind his buggy by a very small line wrapped around his hand. The horse gave a sudden jerk back while the one to the buggy was traveling at a pretty rapid gait, causing the line to busy itself in the flesh and crushing the bones. The line broke and when Colonel Whitford took his piece from around his hand one of the fingers dropped off. He is doing well under the circumstances, but will be confined to his room for some time.

Personal.

Mr. M. Bryan of Vanceboro was in the city yesterday on a business trip.

Mr. B. F. Mayo of Aurora has been in the city a few days. He says while the excessive rains in his section have considerably injured crops, there will still be more than an average yield.

Miss Sadie Manly has returned from a visit to Hillsboro.

Mr. B. K. Bryan of Charlotte arrived last night.

Mr. Ferdinand Ulrich, Mrs. Ulrich and children and Miss Mamie Ulrich returned last night from Atlantic City, N. J., where they spent the summer months.

Edgar Houghton, Esq. of Chatham county arrived last night on route for his plantation near Polkville.

Mr. G. J. Scheelky, architect and builder of Martinsburg, W. Va. arrived last night.

Hon. F. M. Simmons arrived last night.

HON. F. M. SIMMONS.

Will speak at Hookerton, Greene county, on Friday, Sept. 29th.

At Vanceboro, Craven county, Saturday, Sept. 29th.

At Snow Hill, Greene county, Wednesday, October 3d.

State and County Exhibitors.

Raleigh Fair, (col.) Sept. 24-25.

Greensboro Firemen's Tournament, Sept. 26-27.

Concord Fair, Oct. 9-12.

Goldboro Fair, Oct. 9-12.

Durham Exposition, Oct. 10-12.

Alamance Fair, Oct. 10-12.

Beaufort Fair, (col.) Oct. 11.

Elizabeth City Fair, Oct. 16-18.

Wilmington Gas Week, Oct. 22-27.

Weldon Fair, Oct. 30 to Nov. 2.

Rocky Mount Fair, Nov. 14-16.

State Fair, Oct. 18-19.

Cumberland Fair, Nov. 16.

We wish the above and all other fairs we may probably have overlooked all the success they deserve, and when they are over and people rested, we respectfully invite them to the East next February when we expect to show up the abundant resources we have and that have heretofore so long remained dormant. Our exposition last spring was the recipient of much praise, but this time, with more experience and greater determination, we expect a great improvement.

The Wilmington Star.

This progressive and independent journal has just completed its twenty-first year. Not simply the North Carolina press, but the whole people of North Carolina should be proud of its work. We have frequently had occasion to differ from it, both as to its political and educational conclusions. But this every intelligent voter must admit, it is conscientious in its assertions, and displays great ability in defining its positions. The accomplished editor, Dr. Kingsbury, deserves the respect and admiration of every friend of his country for his persistent efforts to raise newspaper work above the dead level of mere local gossip, and to make it an avenue of instruction and critical learning to the reader. A voracious reader himself, and one who thoroughly digests what he reads, he possesses with a rare scholarly judgment and taste to speak clearly and earnestly through the Star. This is the secret of that journal's success. Men and women, who care nothing about the police courts or the streets, love to find a strong and good writer on the editorial page of their paper. We congratulate the Star on being old enough to vote, and hope it will vote on the right side of every question.

Gorton's Minstrels.

Gorton's celebrated New Orleans Minstrels will appear at the New Berne Theatre on Thursday evening, September 27th, for the benefit of St. John's Lodge.

This Company is noted for its artistic excellence and refinement and we have every reason to believe any lady can attend without the least fear of anything being said or done to offend in the least.

Admirers of good music should not fail to hear the Gold Band when parading the streets. This band has a national reputation and must be heard to be fully appreciated.

The following complimentary notice on the performance was taken from the Cincinnati Enquirer:

ROBINSON'S OPERA HOUSE.—Packed houses, both afternoon and night, greeted the New Orleans Minstrels at the above house yesterday, and it was a flattering tribute to a splendid company. The quartet is composed of vocalists with cultivated voices, while the orchestra is a superb one. The comedians with the company are all of reputation. Mr. Hank Goodness is a funny comedian, and keeps the house in a continual roar. He has been before the public for twenty years.

Admission to lower floor 75 cents. Gallery 50 cents. Reserved seats on sale without extra charge at Bell's jewelry store tomorrow morning at 9 o'clock.

Jacksonville Fund.

A SOUND LEGAL OPINION.

E. Babinbridge Munday, Esq., County Atty., Clay Co., Tex., says: "Have used Electric Bitters with most happy results. My brother also was very low with malarial fever and jaundice, but was cured by timely use of this medicine. Am satisfied Electric Bitters saved his life."

Mr. D. I. Wilcoxson, of Horse Cave, Ky., adds the testimony, saying: "He positively believes he would have died, had it not been for Electric Bitters. This great remedy will ward off as well as cure all malarial diseases, and for all kidney, liver and stomach disorders stands unequalled. Price 50c. Sold at H. N. Duffy's drug store."

To The Alliancees of Jones County.

Owing to the accident to Col. John N. Whitford he is unable to perform the duties required of him as agent for the County Alliance in the purchase of cotton bagging. He requests this notice to be given that the County Alliance may convene and appoint someone else.

THE YELLOW FEVER.

JACKSONVILLE, Fla., September 28.—The reports of the Board of Health today aggregate 133 new cases of yellow fever in the city and suburbs, 90 of which are colored people. There were ten deaths reported. The total deaths reported to date is 1,991. The total number of cases that have not been reported to the Board of Health, the physician has had over a few of which have been reported.

NASHVILLE, Tenn., Sept. 28.—A special to the Banner, from Lebanon, says there are only one hundred white and two hundred colored people left there. The business houses are all closed, and the postoffice and express office as well. Ten new cases of fever reported yesterday and two deaths. The spread of the disease is appalling, considering the few people left in the city.

WASHINGTON, September 24.—The Postoffice Department has received several telegrams today from the yellow fever districts, which indicate that the running of trains on nearly all of the railroads in Alabama and Mississippi have been abandoned and that the whole section is panic stricken.

STATE NEWS CONDENSED.

Progressive Farmer.—The indications are that Raleigh will have an extensive wagon manufacturing establishment, thanks to the Board of Commerce and Industry.—An old man in Caswell, who had been married twice, is reported to have run away with his brother's sixteen-year-old daughter, and left five children behind. He was 90 or 70 years old.—The Raleigh correspondent of the Wilmington Messenger says: Some of the drawers here who keep jute bagging have put out of sight of it, and actually refuse to trade where it is kept.

Chatham Record.—A water-pipe is reported in Caldwell county on Johns river. The damage is very great. The crops are ruined. The river was three feet higher than ever before.—S. P. Beasear's mill was entirely swept away and all the property ruined. Some other buildings were washed away. Families were aroused by the rush of the water into their houses and had to run for their lives, taking refuge in the hills at four o'clock in the morning. They had no time to put on their clothing. No deaths are so far reported. Wagons and stock of all kinds were swept away.

Wilmington Messenger.—Major Wm. A. Hearn, a well known journalist of this State, arrived in this city yesterday and will assume a position on the editorial staff of the Messenger. The Major has for the past two years filled a position in the Government printing office at Washington, which he resigned in order to return to the journalistic field he loves so well. We welcome him to our midst.—We are glad to announce that the Acme Manufacturing Company has decided to place as large a quantity of their pine fibre bagging on the market as possible, in time to bag at least a portion of this season's cotton crop. They have decided to do this as an accommodation to the Southern planters, who have for some time been urging them to supply their wants. They will run their factories night and day.

MR. A. K. HAWKES.—Dear Sir, I have thoroughly tested the glasses you adjusted to my eyes some time ago, and find them to be unsurpassed in clearness and brilliancy. In fact they are the best glasses I have ever used.

W. D. BLOKHAM.

Ex-Governor of Florida.

All eyes fitted and fit guaranteed by F. S. Duffy, New Berne, N. C. #311m

"Swansboro Items."

We visited the "silo" of Dr. Sanders and think it just the thing for putting up stock forage.

We have two schools in my village now. Miss Alice Harrison and Mr. A. G. Grady teachers.

The farmers have begun to gather their corn and dig their potatoes. Corn fair; potatoes good.

We heard an excellent sermon at New Bethlehem Church last Sunday by I. E. Perkins of Newport.

We see Col. Whitford is a candidate again. Don't think he will get over a 1,000 votes in this county.

Mr. Leon G. Holland, son of S. B. Holland from Carteret county, has gone to La Grange, Davis School, Lenoir county.

Dr. J. W. Sanders is giving cotton now. He has a Van Winkle gin, fifty sows, condenser, self-feeder, &c., can gin and pack ten bales per day, steam power.

Rev. N. A. Hooker held a protracted meeting at Queen's Creek Church last week. Rev. Benj. Ward is holding at Piney Grove Church near here this week. Rev. Joseph Dixon held a protracted meeting at Stella Church last week.

An Elegant Substitue.

For oils, salts, pills, and all kinds of bitter, nauseous medicines is the very agreeable liquid fruit remedy, Syrup of Figs. Recommended by leading physicians. Manufactured only by the California Fig Syrup Company, San Francisco, Cal.

H. N. Duffy, agent, New Berne, N. C. #311m

DIED.

Sept. 25th, Mrs. Helen Isabella, aged 56 years, wife of C. K. F. Bates of this city.

Funeral services at Christ Church this p. m. at four o'clock. Friends of the family respectfully invited.

COMMERCIAL.
