Kinston Items.

M. A. Gray E-q. is off to beorgia on a business trip Several of our attorneys are attending Freene court this week

Kinston College is still booming with ver one hundred and twenty students The county commissioners were in session last Monday and made short

work of their business as usual. We are pleased to note that F. B Loftin, Esq , is improving and feels now that he is on the road to permanent recovery.

Hon F M. Simmons arrived here on Tuesday evening and left for Snow Hill this county will give him a big vote in be enforced in the future.

The Senatorial Convention of the Democratic party of Lenoir and Greene will be held in Kinston on Saturday. Oct. 6th. Let a good and competent

man by nominated and all will be well on the 6th day of November. Kinston is well supplied with goods this fail. Oettinger Bros. have, in addition to their usual large stock of dry goods, ten thousand yards of burlaps for covering cotton which weighs fully one and three quarter pounds to

the yard. Rev. Mr. Hires, Dr. H. Lewis, Mr. J. M. Wooten and others attended a very profitable session of the Union o the Atlantic Baptist Association at New Berne last week. The annual meeting of the Association will be held at La Grande during this month.

We were in error in two particulars last week in regard to W.D. Pollock Esq. who has recently been granted license to practice law. He graduated at the University at Chapel Hill instead of Wake Forest and read law under A. J. Loftin, Esq., whose students always stand well before the Supreme Court.

News was recieved here on Tuesday of the drowning of John R. Dixon of Greene county in Contentnea river near Snow Hill on Saturday last. It is rerted that he was under the influence of liquor and undertook to ford the river instead of crossing on the bridge and was drowned in the attempt. His body was recovered on Sunday.

The farmers are having a tough time retting out their cotton this fall. It is raining again at this writing and con-

regards parties draying wood over the siderable cotton, nearly two-thirds of the crop, is open in the field. Les Saturday was the biggest day in the market this season, one hundred and fifty seven bales were sold ranging in
