TO those who have been smoking Proclamation Cigars, manufactured at Factory No. 1017, and sold in this city to the wholesale and retail trade by The Grocer, E. B. Hackburn, I would say that since some merchants have been so very kind as to have a cigar put up at another factory bearing the same name, brand, caution label, etc., as the cigars which I have advertised for over a year, I have had a still better cigar manufactured and the brand registered, and it is really the best 2 for 5 in the United States. Remember the brand, Old Hickory. Factory No. 1017. Try them.

THE suspense is terrible!
ALL hail Governor Fowle!

If Cleveland has fallen, "he falls a blessed martyr."

THE blood of the martyrs is the seed of the church.

We fill our glass and drink to the unfettered Democracy.

It is better to fall in a good cause than to succeed in a bad one.

WALK in Mr. Sanderlin, and make yourself at home in the Auditor's office.

"WHERE is Thurman now?"
Enthroned in the hearts of his countrymen!

VICTORIOUS or defeated Grover Cleveland deserves a monument as enduring as brass.

No man should go into battle who will scream with fright at the first fire of the enemy.

WELCOME, Davis, Shepherd and Avery to the highest judicial honors in the gift of the people.

At all events North Carolina escapes the dishonor of having Dockery for her Governor.

If the Democrats are defeated there must be no surrender. "Pick your flint and try it again."

"CONFIDENT that old gun, I'll never take it up again." "Shoulder that musket and fall into ranks!"

If Harrison is really elected we hope he will escape the fate of his grandfather and not die because of his too great elevation.

We have not given it up, but if Harrison is elected we trust that his administration will be a successful and prosperous one.

We have not given up the election of Cleveland and Thurman, but whether victorious or defeated the Democratic flag will be kept flying.

It is a beautiful picture. In their home in Ohio, Mary looks up and smiles and says, "We shall be all the happier, Allen my dear."

"Yes, all the happier, my Mary!"

In following Mrs. Cleveland, Mrs. Harrison must look well to her laurels or they will wither in the cold blasts of Washington. But, she may not be put to the test after all.

THERE is life in the old land yet. Her mountains are as grand, her valleys as fertile, her skies as bright, her maidens as fair, and her sons as brave as those of any clime beneath the sunlight of heaven.

LOCAL NEWS.

Steamer Movements.
The Vesper of the E. C. D. line arrived last night and will sail this afternoon at 4 o'clock. The Eaglet of this line will arrive tomorrow.

Turner's Almanac For 1889.
Turner's N. C. Almanac for 1889 is on our table, Jas. H. Ennis, Publisher, Raleigh. Like an old familiar face it makes its annual visit to the homes of our people. It is valuable for reference the year round and so true has it been that it is termed the Old Reliable. Every citizen ought to have one. Price 10 cents, to be had of merchants and postmasters or of the publisher.

What Next?
The Coalition ticket in this county is again defeated, and this will, we suppose, put an end to all efforts to secure such representation in the General Assembly as will prove beneficial to the county. The Republicans did not keep the faith as well as they did two years ago. On the night before the election the most bitter partisan speeches were made and the prejudices of the negro aroused, which told at the polls the next day.

It is well known that for years Republican officers of this county have not given their bonds without the aid of Democrats. These fellows who go around in the night-time and arouse the prejudices of the negro against the interest of the taxpayers of this county will now appeal to Democrats to aid them in giving their bonds, and by the aid of the money obtained from these offices will keep alive these prejudices in order to keep themselves in office.

We think about the best thing that can be done now is for Democrats to hands off, and if the officers declared elected by the returning board today can not give such bonds as the law requires, then let the offices be declared vacant and for once give us a clean-cut Democratic administration of county affairs. It will do the taxpayers of this county good to see once more a Democratic Sheriff with his Democratic deputies, a Democratic Register of Deeds and his Democratic deputies, and a Democratic Treasurer who will not like the predecessor of the present efficient Treasurer, store his vouchers in Boston for safe-keeping, and who will not withhold the school funds from the children of the county.

Hands off, Democrats; they fight you by night and appeal to your sympathies by day in order to secure your aid in arming them for the fight.

The Election in Craven.
It is not infrequently the case that good citizens find themselves in a dilemma, that challenges their closest scrutiny and most serious considerations, and such is the situation that now confronts the people of Craven. The Coalition movement has been defeated in a most outrageous manner.

Forty-eight hours before the election, all the evidences, before the public, indicated the success of Coalition, but on Monday night meetings were held at West End and James City at which white men addressed large masses of colored people, and drew the color line as it had never been drawn before. The result was just as it was intended to be. It is charged that a reign of terror was inaugurated, and the colored men who had formed a Coalition Club at James City, and the ministers who had advocated Coalition in New Berne, were forced to abandon their political principles and personal preferences, and vote against their convictions. If the about and clamor of the mob were all, it might be regarded as a carnival of "fuss and fury signifying nothing."

But, it is said that threats of personal violence were made, and in some cases executed. In one of these cases a man was taken and thrown in a branch, and, in another, the venerable pastor of the largest colored congregation in the city was set upon and frightened from the polls. It is believed that at no time in the history of this people has intimidation prevailed to such an extent as on last Tuesday. Now, to there no remedy for this? Must this fair land be throttled and discolored in violation of law and order? We will see. It is suggested that the proper persons institute proceedings and vindicate the right.

ELECTION NEWS.

It is about settled that Harrison is elected President. A telegram from Stone, the editor of the New York Journal of Commerce, to Mr. D. Congdon of this city says he is effected beyond a reasonable doubt.

The indications are that Fowle has been elected Governor by a large majority, and the General Assembly is Democratic by a good majority. Wayne, Lenoir, Carteret, Pamlico and probably Wake elect their entire Democratic tickets.

We give below results as far as heard from:

BEAUFORT COUNTY.
AYRDALE.
Fowle 135, Dockery 134. Congress, Skinner, Dem 130, White, Rep. 137, Legislative, Jones, Rep. 161, Marsh, Dem 136, Presidential Electors, Dem 140, Rep. 155. Supreme Court Judges, Davis 142, Guthrie 169. Register of Deeds, Buckner, Rep. 157, Williams, Dem. 140.

PAMLICO COUNTY.
RAYMOND.
Democratic State, National, Legislative and Congressional tickets have 125 majority. Full vote of Republicans Democratic voted pretty generally some 50 or more did not vote.

CARTERET COUNTY.
BEAUFORT.
Chadwick's majority 100, 100, Skinner's 100 to 500.

JONES COUNTY.
Fowle, Democrat, defeated by 15 majority. Foy, Democrat, elected Sheriff by a large majority, and Smith, Democrat, elected Register of Deeds by a large majority. Whitford, Ind. candidate for Senate, carries the county by about 175 majority. Vote for Governor close with indications that Fowle has a small majority.

RALEIGH, N. C., Nov. 7.—Cleveland and State ticket will get at least twenty-three thousand majority in the State. Both branches of the Legislature will be Democratic. This is certain by at least 19 majority in the Senate and 14 in the House. As to Congressmen, Skinner appears to be elected in the 1st District, Cheatham in the 2d, and Brower in the 5th. All other Districts are Democratic. Telegram to Chairman Whitaker from New York Times says Harrison is elected and claims New York by from six to ten thousand and nothing to hear from can change result. E. A. OLDS.

John S. Long, Esq.
When our distinguished townsman went to Cincinnati to represent the University of North Carolina in the 42d annual convention of the Delta Kappa Epsilon Fraternity, we felt assured that a chaplet of unfading flowers would be placed on the fair brow of North Carolina, and we have not been disappointed. It is with great pleasure that we transfer to our columns the following from the News and Observer of last Tuesday:

The 42d annual convention of the Delta Kappa Epsilon Fraternity which met in Cincinnati the 24th and 25th ult., was the occasion of about five hundred students and the Alumni of thirty-two of the leading colleges of the country meeting together in fraternal friendship. Usually the time is solely given to banquets, spreads, receptions and social jollifications generally. At this convention an important question of nomenclature was decided. The fraternity was the first Greek letter society to be established at the University in 1851. To this chapter the name of Beta was given. After a successful existence of ten years the chapter was suspended, most of her members having volunteered for the war. A body of students of Columbia College, New York, were organized as a chapter of D. K. E. in 1874 with the name of Beta. On the revival of their chapter at Chapel Hill in 1886 her Alumni sought to obtain the old name usurped by Columbia. To which of the two chapters to give the name was the question before the 42d convention. Col. J. S. Long, of New Berne and Mr. St. Clair Hester, of Raleigh, appeared for the students and Alumni of the University of North Carolina. Hon. Clarence Lexow of New Orleans for the students and Alumni of Columbia.

Col. Long's speech on this occasion was pronounced one of the finest ever heard in Cincinnati and the finest ever delivered at a D. K. E. convention. Though opposed by men of the best calibre, Mr. Lexow being the strongest speaker in New York advocating Col. Long's election to the Governorship. Mr. Long carried the convention by storm. "We can't stand Southern fire" was the comment of a learned gentleman present. At the grand banquet in the Barnett House, where 400 plates were laid, in compliment to his magnificent effort a volunteer toast to the Beta Chapter of North Carolina was given and Col. Long called upon to respond to it. This effort even surpassed the former one. The great room was well lighted with admiring plaudits. Next morning the Cincinnati papers were extravagant in his praise. To prove the impression made by him he was invited to lecture during the winter at two of the leading colleges North.

When you can get 5 Old Virginia Cheroots for 10 cents, why do you pay 5 cents for one cigar?

Hawkes' Wonderful Glasses.
As we read Mr. Hawkes' testimonials from Governors, Senators, Legislators, men of science and distinguished citizens throughout the United States, who testified to having had their eyes improved, and sometimes restored, by the use of his celebrated glasses, we realize that a glass that will reflect such brilliancy of light as to enable the wearer to see as in youth, and to read by candle or other artificial light, surely is to be desired by all spectacle wearers.
