## THE JOURNAL.

NEW BERNS, N. C., NOV. 17 1888.

Satered at the Post office at New Berns, N C.

THE LEGISLATURE.

Leaving, for the present, National affairs, knowing that they will

adjust themselves, or, at all events, lina in particular !

The approaching Legislature will commonwealth.

There are three subjects that challenge special attention as contributing very largely to the honor not convinced. of the State and the well being of her citizens. These are education, agriculture and transportation.

.The Democratic party, or perhaps more properly the State, is

Bor many years the University moved slowly towards the crowd tleat. bein held a high rank among the edirectional institutions of the bas conferred are incalculable, and about religion ?" it deserves to be fostered by the State and patronized by the peo-

It is equally a matter of self conducted and are contributing in immeasurably to the general intelligence and progressive development of North Carolina.

But, admitting all that can be claimed for higher education, it is to our common school system that we look with constant and ever increasing solicitude. Very much you." has been accomplished, and it will be the duty, and, we doubt not no less the pleasure, of the Legislature to advance this great interest by auch legislation as the exigencies said in his heart, there is no of the situation may demand.

Agriculture is at the foundation of State and individual prosperity. Much has been done by the State, in late years, in the interest of this most honorable vocation. There will probably be more farin any former General Assembly. They have been elected as the rightful and appropriate representatives of their respective constituen cies, and we repose the fullest confidence in their intelligence and patriotism. We trust that there society will find corresponding

benefits. what we shall now say will refer chiefly to Eastern North Carolina. routes. There should be no rivalry, but a different sections of the State. Our people, from Tennessee to the At-

mune ANDOCHEMENT ty and grandear of the West, appreciating the wealth and culture of the centre, we claim for Eastern of whom was a deg, crossed as seeman in all that is glorious in the past march about a rein all that is giorious in the past murch about a mile distant, giving and inspiring in the future. Equally no indication of having seen ma; and dispiring in the future. Equally honorable the place where the deer had been seen by my friend, and as nothing had occurring the case and privileges. This has not been accorded to her in the deerly allowed the continuous will be immaterial, how fertile are our waters, there is no prosperity to our people where the deer had been seen by my friend, and as nothing had occurring the termination. It is immaterial, how fertile are our dentity on getting a good abot. A low, brushy point covered me until immaterial, how fertile are our waters, there is no prosperity to our people where the deer had been seen by my friend, and as nothing had occurring the fertile are our dentity on getting a good abot. A low, brushy point covered me until immaterial, how fertile are our waters, there is no prosperity to our people where the deer had been seen by my friend, and as nothing had occurring to dentity on getting a good abot. A low, brushy point covered me until ands or how prolific are our waters, there is no prosperity to our people with here and there open apole, where an animal in motion would the mean and the seal of a very dease growth. sta will be collected promptly at the tion are wanting. Whether a bave to show itself in ascending railroad commission, equalizing the ridge, communications containing news of a dis-ten of coal matters are solicities. No freights and abolishing hurtful cautiously and waited for some perity of North Carolina.

#### The Atheist Silenced.

Guseman made a trip to Iowa. On yell of agony that told too truly ite passage at Cincinnati, there was a the spot I found the dog of my gentleman who took great pains to friend lying dead at the feet of his to Christianity and all forms of re the fatal shot was fired had rested

He spent most of the day in ar guing with those who would dispute master had been the cause of his be conducted independently of with him, and in pouring forth death. It was the wag of the dog's saggestions from this quarter, we anathemas against priestcraft and tail, and not the deer's, that I saw. turn now to our State Legislature, nounced Christ as an impostor, re- death of the dog, but at the thought and enquire, what is to be done for ligion as a delusion, any particular of the consequences had my aim Tathe good of North Carolina gene- form of worship or creed as the reraily, and of Eastern North Caro suit of trammels of education, and that it was only tolerated by states men for the security of government and the benefit of the weak and erbe Democratic, and this gives as-ring. He was evidently a man of surance of a careful regard for the education and ability. His reparinterests of all the people of this tee, drollery, sarcasm, and a faculty for turning things into the ridical ous, bore down so heavily upon those with whom he argued, that they were generally silenced, though

One day he was in high glee, and kept a crowd of passengers in a Discovery, taken in connection with continual roar of laughter at his irreligious jokes and withcisms. Sold, wholesale and retail, at continual roar of laughter at his irreligious jokes and witticisms. R. N. Duffy's drug store. On this occasion Mr. Guseman, who had hitherto refrained from entercommitted to the most extended ing into any dispute or controversy with him, determined to try and and thorough education of the silence him or turn the laugh edy possesses only what we claim for it, but the skeptic was amusing. On his approaching, the other observed: "Well, old gentleman, I am a

taught to believe in the truth of the Christian religion; and have never once had a doubt of the existence of a supreme and intelligratulation that the denomination gent Cause. But, in turn, let me al schools and colleges are ably ask you a question. Do you believe in the immortality of the your Blood Parifier. Twenty-five dollars

> "Certainly not-I have none." "Do you deny the existense of a God 17

"Most assuredly I do." "Then, sir, I have heard of you

"Heard of me before!" "Yes, sir, I have read about

"Read about me! I was not aware that I was published. Pray, where ?"

"In the Psalms of David, sir, where it reads: 'The fool hath God.

At this unlooked for turn in the argument, there was one general burst of laughter and hurra, at the expense of the atheist, who, confounded, and being unable to rally at being thus unexpectedly proved a fool, moved away to another part of the boat. During the remainder mers in the next Legislature than of the voyage the wisacre was silent on religious subjects; but occasionolly some of the passengers would tease him by slyly observing, "I have heard of you before."

A Close Shave. Some eight or nine years ago four of us were camping for a fortnight and on the day when the incident I is a brightening future before the relate occurred, we had all gone out farmers of North Carolina, and that early, and had bented until past in their prosperity all classes of noon without succeess. On our trip homeward, we agreed to separate, two and two as we have done today, spread out widely, and surmat We come now to consider trans- rounded an immense marsh, whose broad for a general discussion, and favorite resort for the game we were in search of, and we accordingly departed on our respective

I had nearly reached the lower generous emulation, between the end of the marsh, which by the way was entirely open, when my companion, who was slightly in ad vance, beckened to me, and on my lastic, are signally blessed by the coming up, told me that he had great Creator. In salubrity of seen a large deer slowly feeding population, and whatever else reached to a tongue of high ground enters into the structure of a great that if I would wait for a few mincommonwealth, North Carolina is utes, he would go around to the reduced. Cash on delivery.

discriminations, will remedy the minutes for sound or motion, but in evil, or the construction of new vain, and had about concluded that hat will make more than one column off h roads is necessary, are questions the deer had either escaped or laid that present themselves to the pub-lic. It is enough for us, at present. It is enough for us, at present, and the next moment I saw faintly to call attention to the situation, through the tollage the uninteract and ask such co operation as is able whisk of a deer's tall; again, consistent with the general pros. a little further on, it was repeated, the same quivering shake of the flag, so familiar to every deer stalker, and catching a quick sight Many years ago, the Rev. Isaac fired. My shot was answered by a board the steamer in which he took own story, and open burrying to make known that he was opposed master. His hand at the moment upon the animal's head, whose jaytal response to the caress of his the credulity of mankind. He de I was thunderstruck, not at the been ten inches further to the left! Forest and Stream.

WONDERFUL CURES. W. D. Hovt & Co., Wholesale and Retail Druggiets of Rome, Ga., says: We have been selling Dr. King's New Discovery. Electric Bitters and Bucklen's Arnica Salve for four years. Have never handled remedies that sell so well, or give such universal satisfaction. There have been some wonderful cures effected by these medicines in this city. Several cases of pronounced consumption have been entirely cured by use of a few bottles of Dr. King's New
