TO those who have been smoking Proclamation Cigars, manufactured at Factory No. 1017, and sold in this city to the wholesale and retail trade by The Grocer, E. H. Hackburn, I would say that since some merchants have been so very kind as to have a cigar put up at another factory bearing the same name, brand, caution label, etc. as the cigars which I have advertised for over a year, I have had a still better cigar manufactured and the brand registered, and it is really the best for 5 in the United States. Remember the brand, Old Hickory, Factory No. 1017. Try them.

GOVERNOR FOWLE'S "staff" is announced. This strikes us as premature.

THE Norfolk Courant speaks of the London Times as "the highest earthly authority on all subjects."

THE steamer Gulf Stream, which left New York for Charleston on last Friday, has not been heard from.

PREPARATIONS, civil and military, are being made for the Harrison inauguration so as to make it the grandest in the history of the country.

THIS is no time for Democrats to lose courage. If the Republicans reduce the tariff it will be a triumph of Democratic principles. If they fail to do it they will be defeated in the next election.

"FARMERS assert that the potato crop of Indiana is enormous this year. Benjamin Harrison is inclined to agree with them. In fact, the small potatoes of that State are giving him a vast deal of annoyance just at present."

THIS seems to be an era of secession. The Democrats of the Grand Army of the Republic will secede from that politico-military organization; and the Georgia Division of the Travelers' Protective Association has decided to withdraw from the National Association.

THE World says: "Any flag that died for untaxed whiskey and was taxed clothing, food, fuel and shelter for the people may be an old Whig rag, or a Republican banner, or a piratical ensign. But if it is not, never was and never can be a Democratic flag."

"THE individual who is acting as British Minister to the United States was married in New York to an American bride. The Beckville episode does not rankle so deeply in the British breast as to

interfere with the steady growth of matrimonial ties between the people of the two countries."

THE Wilmington Star says: "Mr. Cleveland's majority is known to be more than 50,000, and yet he is not to be President after March 4th, 1889. If the people could vote for President direct, the Democrats would have elected their ticket. They would have done this in 1860; in 1876 and 1880. In 1880 Garfield had a plurality, but not a majority of the whole vote cast. Let us have a direct vote."

Annual Meeting of the Brotherhood of St. Andrew.

The annual meeting of the Brotherhood of St. Andrew took place last night at Christ Church, it being the first of St. Andrew.

Important papers were read bearing on the work of the order, and addresses delivered by members encouraging to those engaged in the holy work to which the order is especially devoted. The former Director, Mr. Geo. H. Roberts, and Sec. and Treas. O. H. Guion, were unanimously re-elected.

The Services Last Night.
The services at the Baptist Church were conducted by Rev. Dr. Pool. He took his text from Cor. xiii: 13, "And now abideth faith, hope, charity, these three; but the greatest of these is charity." Dr. Pool made an earnest and powerful sermon. His style is easy, graceful and forceful. A large congregation was present.

At the M. E. Church was a meeting of the Church Extension Society. Rev. H. T. Hudson delivered the address and Mrs. Jno. B. Brooks read an admirable report of the woman's branch of the Society. Rev. L. L. Nash made a short talk and a collection was taken.

Thanks Rendered.
We the members of St. Peter's A. M. E. church hereby tender our heartfelt thanks to Rev. L. L. Nash of Raleigh, N. C., for his well directed, thanksgiving sermon. May the God of heaven ever bless and preserve him through all the days of his life. Rev. L. C. B.

THE METHODISTS IN COUNCIL.

The N. C. Conference of the M. E. Church South.

THIRD DAY'S PROCEEDINGS.
Conference convened at 9:30 o'clock. The Bishop asked that in the devotional exercises, Bishop McTier, who is in bad health, be remembered.

Services were conducted by Rev. F. H. Wood.

Conference called to order by the Bishop and the minutes of preceding day were read.

Rev. M. H. Moore was elected an assistant secretary to aid in conducting the trial of Rev. J. B. Bobbitt.

Rev. S. D. Adams moved that R. D. Phillips, lay delegate from the Fayetteville district be substituted in the place of J. T. John.

Rev. W. S. Black moved that W. H. Branson, lay delegate of Durham district be substituted for E. J. Paris.

Dr. R. O. Burton wanted to submit two resolutions to the conference and the first is that in view of the great distress to crops, and pestilence in the land, a day be set apart for fasting, humiliation and prayer. He urged the necessity of such action as there was a growing skepticism slipping through the land like a snake, in regard to the influence of prayer and the interposition of Providence in the direction of affairs of man. He would name the second Tuesday in January next as the day.

Dr. W. H. Bobbitt thought if the resolution was to pass the second Tuesday in January would not be a suitable day, as there would not be time to have sufficient notice given, and it would only be observed in a few towns.

Dr. Burton: Will you suggest a day? I will accept it.

Dr. Bobbitt: I am opposed to the resolution.

Dr. Burton: I will make it the second Tuesday in February.

Rev. L. W. Crawford asked that the resolution be put in writing so that the conference would know exactly what it is doing.

Dr. Bobbitt was as much in favor of fasting and prayer as Dr. Burton, but he did not think the condition of things as portrayed by Dr. Burton existed. He therefore opposed the resolution.

Dr. Burton again urged the resolution with much warmth. Had not brother Bobbitt read the papers? There was not corn enough made in his section to give the people bread until March. Dr. Bobbitt lived in the mountains and had not heard of these things.

Dr. Bobbitt: "No sir, I won't be interrupted." He proceeded to give an account of the destructive floods on the Roanoke river and the great destitution that prevailed in that section.

Dr. Bobbitt: "Bishop Granberry—Are you through Dr. Burton?"

Dr. Burton: "No sir, I'm not through."

Rev. J. T. Gibbs arose to a point of order.

"I am not out of order," said Dr. Burton.

The Bishop: "Let the point of order be stated."

The point of order was that Dr. Burton and Dr. Bobbitt were discussing a resolution that had not been seconded.

The resolution was seconded.

Dr. Bobbitt secured the floor and again insisted that there was not such a condition of things in North Carolina as portrayed by Dr. Burton. He had read the papers and didn't live in the mountains. He knew that people on the Roanoke river had suffered greatly by the loss of their crops by the freshets, but the State at large had been abundantly blessed. He had just held Thanksgiving services on yesterday in acknowledgment of the gracious blessings we have enjoyed during the year. He could not vote for the resolution in that shape.

The question was put and the resolution was declared carried.

A division was called for.

Dr. Black hoped that the resolution would not be rejected.

It was suggested by some member that if the resolution was rejected the action of the conference might be misconstrued.

Dr. Burton stated his motion, that the second Tuesday in February next be set aside as a day of fasting and prayer, and that all the churches of the conference be requested to observe that day as such.

The vote was taken upon the division and the resolution was adopted.

Dr. Burton's second resolution was that a committee of seven be appointed to prepare a pastoral address.

A vote was taken and the resolution was declared adopted.

A division was called for.

Dr. Burton said if they were going to hang on it that way he would make a speech, and he proceeded to give his

reasons why the resolution ought to be adopted.

A vote was taken upon the division and the resolution was rejected.

At this point several announcements were made by members of various committees.

A communication was read containing an extract from the minutes of the local ministers conference and a request of this conference. On motion the request was granted.

Rev. J. T. Harris announced that J. Q. Jackson, a lay delegate from the New Berne district, had arrived.

Question 4 was taken up, viz: Who are admitted in full connection?

John D. Pogram, Chas. W. Robinson, Thos. N. Ivey, Z. J. Needham, Martin T. Steele, Zadoc Paris, Daniel C. Geddy, James G. Johnson, George F. Smith, Henry B. Anderson, Dr. Pinckney Tate, W. H. Puckett, Richard W. Townsend, Hilliard M. Euse, E. H. Davis and E. G. Pusey were, after a solemn, impressive and instructive address from the Bishop and answering the question submitted to them, received into full fellowship.

Question 7 was taken up, viz: Who are the Deacons of one year?

Joseph A. Green, B. A. York, M. M. McFarland, W. F. Coffin and R. B. Gilliam passed the examination of character and were advanced to the second year.

Question 2: Who remain on trial?

Annoe Gregson and ———— were continued on trial.

Dr. T. M. Jones, President of the Greensboro Female College, came forward and read his report of that institution which was referred to the board of education.

The report of Fayetteville High School was also referred to the board of education.

Question 20 was resumed, viz: Are all the preachers blameless in their life and official administration?

Rev. N. A. Hooker passed the examination of character, and on motion of Rev. T. W. Guthrie his application for superannuated relations was referred to the committee on conference relations.

Rev. N. A. Crisp was called, and Rev. T. W. Guthrie made a statement in regard to charges that had been brought against him, which were investigated and not sustained. He moved that his case be referred to the committee on conference relations for superannuated relations. Motion adopted.

The Bishop introduced Rev. Thos. H. Law district superintendent of the American Bible Society. Mr. Law addressed the conference for some minutes on the subject of Bibles and the work which the Society was doing to distribute it and get it into the hands of everybody. He told them how cheap they were making the Bible and suggested how the ministers could aid in distributing it.

Rev. F. L. Reid moved that the Secretary and the assistant secretaries be appointed a committee to take into consideration the publication of the minutes of the conference. Adopted.

The Bishop introduced Dr. Lafferty of the Richmond Christian Advocate. When the Doctor ascended the platform it was evident that he was no stranger to the conference. He entertained them for fifteen or twenty minutes in a style that showed the goodness of his heart and the great love he has for North Carolina.

Question 12 was taken up, viz: What traveling preachers are elected elders?

W. R. Ware, John A. Hornaday, C. P. Jerome, Duncan A. Futrell, W. W. Rose, John E. Wooley, Chas. C. Brothers, Enoch L. Stamey passed examination and were elected elders.

When John J. Grigg's name was called, Presiding Elder S. D. Adams, stated that he was not present and could not be present on account of health. He moved that his case be referred to the committee on conference relations.

Rev. L. W. Crawford announced that Mr. T. A. Green, President of the Neuse and Trent River Steamboat Co., had tendered the use of the steamer Kinaxin to the members of the Conference for an excursion down Neuse river in the afternoon.

Other announcements were made and the conference, after benediction by the Bishop adjourned to 9:30 o'clock this morning.

NOTE.—Rev. Joseph Wheeler closed the services with prayer on Thursday instead of Dr. Burton as was stated. Rev. S. D. Adams moved on Thursday that Rev. J. D. Carpenter's application for superannuated relations be referred to the committee on conference relations and not J. B. Carpenter as was reported in yesterday's issue.

It is rumored that the supply of Dr. Bull's Cough Syrup is not equal to the demand. Druggists should prepare themselves for all emergencies as the people rely on them for this remedy. No preparation could have made such a reputation as Salvation Oil has, without intrinsic merit of the highest order. It kills pain. Price 25 cts.

A Sad Accident.

On Wednesday, Nov. 15th, 1888, a sad accident occurred near Russell creek in Carteret county, between the New Berne and North River roads, on the edge of a ridge known as Johnson's ridge, which resulted in the killing of a young man of Craven county by the name of Fred. Eubanks. The particulars of the accident are as follows: On Thursday, Nov. 14th inst., Mr. Fred. Eubanks came to Carteret county on a visit to relatives, R. D. Eubanks and family. On the morning succeeding the arrival of Mr. Eubanks, Mr. A. W. Dickinson, accompanied by R. D. Eubanks, Cyrus Eubanks and Fred Eubanks, went into the woods to hunt cattle owned by Mr. A. W. Dickinson and supposed to be wild. After a search from early morning till about 1 p. m. the cattle were found. The parties mentioned crossed a dense swamp and were in the thicket between the swamp and ridge when the cattle were discovered. Mr. Cyrus Eubanks was the first to shoot the cattle. After the firing of the first gun Mr. Fred. Eubanks insisted that he should have the next shot. Cyrus Eubanks dropped behind and Fred. Eubanks ran ahead with his gun to his face ready to fire at first sight, when a vine caught the hammer of Cyrus Eubanks' gun causing it to fire, the contents of which entered the right side of the back of Fred. Eubanks, going directly through the right breast causing instant death. Mr. Eubanks only lived about two minutes and said but one word, "Oh Lord!" The dead body was carried to the residence of Dr. A. W. Dickinson, where a jury of inquest was held by M. R. Sprinkle, special coroner for Carteret county. After a thorough examination of the witnesses and dead body the jury returned a verdict "That the said Fred. Eubanks came to his death by an accidental shot being fired from a gun in the hands of Cyrus Eubanks."

The body of said Eubanks was placed in a case and sent from Morehead City to New Berne, to his father Thos. Eubanks and family.

This is the saddest accident that has ever occurred in our community, and should be regarded as a caution to those who hunt in the woods or elsewhere.

We deeply sympathize with the parents and relatives in their sad bereavement.
