Yesterday was the first genuine winter day this season. Ice was plentiful on the edges of the rivers and in the shade the ground remained frozen all through the day. Notwithstanding it being colder than usual, the atmosphere was dry and bracing and enjoyable.

Our readers are requested to watch the columns of the JOURNAL for Christmas "ads." Those who advertise their holiday goods show a disposition to want to sell, and there is no better place to go to buy a thing than to one who has it and is anxious to sell.

Personal.

The Vesper of the E. C. D. line arrived yesterday and will sail this afternoon at 4 o'clock.

Beautiful Work.
In addition to his drug store, Mr. F. S. Duffy has opened one of the glass front stores connected with Hotel Albert for the display of work in taxidermy, executed by Miss Alice Duffy.

All the birds and animals are true to nature, tastefully mounted and beautiful to look upon.

Closed Out.
Mr. Geo. Ash, dealer in dry goods, clothing, &c., has closed out his entire stock to Messrs. W. D. Barrington & J. J. Baxter of this city.

Mr. Ash has been in business in New Bern for a number of years and made many friends and acquaintances who wish him success in any business he may see fit to embark. The purchasers, Messrs. Barrington & Baxter, are both young men of energy and considerable mercantile experience who are deserving all the success they may achieve.

Important Real Estate Purchases.
Mr. O. Marks purchased on yesterday the large three-story brick building on the corner of Pollock and Middle streets known as the Weinstein building. He will somewhat remodel it for the purpose of making it the largest wholesale and retail dry goods establishment in Eastern Carolina. When good business men like Mr. Marks invest in such property it is a sure sign that things are brightening up.

New Bern ought to do an extensive wholesale business, and indeed does, but with the cheap water freight between this and Northern cities a large dealer can compete with New York and Baltimore merchants.

There seems to be an advance all along the line in New Bern business and enterprise.

"Age cannot wither it nor custom stain its brilliant variety." Fresh is hardly held in as much or such which cannot be cured by using Salvation Oil.

It is particularly annoying to be included in public assemblies for some one coming when you know Dr. Hall's Cough Syrup is only 25 cents.

New Berns Improving.

We have recently had visitors who had not been to New Bern within the last two or three years and they unhesitatingly, without the asking, declare that New Bern is on the up-grade. And so it is, and will prove so soon as we can obtain favorable communication with the interior of the State.

Everything that we ship west of Goldsboro has to pay a tax which is as unjust as ever was the stamp act of Parliament which eventually led to the independence of the colonies. In fact, the tariff on grain and the products of our mills, is simply prohibitory. It seems to have been the studied effort of railway monopolies whose acts appear to be winked at by those in authority to discourage shipments into the interior from this point and thus destroy the grain trade of our city.

Yet, notwithstanding the blows of our enemies, the old town is improving in many respects, and with the extension of the A. & N. C. R. to Charlotte or some other point in the interior, (if Charlotte don't want it, then let us go to Concord in Cabarrus county) New Bern will be on a real boom, and every other town along the line of the road will feel the impetus which said extension is bound to give.

Our manufacturing industries are inclined forward; they are adding greater facilities for work and only want a fair chance of communication with the interior of the State to put them on the road to ultimate success on a grand scale.

Board of Trade Meeting.
An interesting meeting of the Board of Trade was held last night at which the question of extending the A. & N. C. R. was discussed at length. There is no opposition to extension, but the question under discussion was how to formulate a plan. An important letter from the Chamber of Commerce of Charlotte on the subject was read, and the plan of operations was left with the committee of fifteen appointed at last meeting. This committee will meet at the Board of Trade rooms next Monday evening at 7:30 o'clock.

THE STATE GRANGE.

Assembled in Kinston in its Sixteenth Annual Session.

We are indebted to Mr. H. T. J. Ludwig, Secretary of the State Grange, for the following report of the proceedings.

FIRST DAY—MORNING SESSION.
The N. C. State Grange, P. of H., assembled in 16th annual session in the Knights of Honor hall, Kinston, on the 2d Tuesday, the 11th of December, at 11 o'clock a. m., there being present the following officers: W. R. Williams, W. M.; N. T. Ridley, Overseer; W. P. Powell, Treasurer; H. T. J. Ludwig, Secretary; Frank Haskins, Steward; S. H. Bright, Asst. Steward; H. A. Edwards, Chaplain; Chas. Kennedy, Gate Keeper; Mrs. M. B. Pitt, Pomona; Miss Nora Pitt, Flora; Miss Kate Little, Ceres; Mrs. J. R. Thigpen, L. A. Steward.

The Grange was called to order by the Worthy Master and opened in form in the 4th degree, to ascertain the number present, after which the Grange was closed in form and opened in the 5th degree. A quorum being present, the Grange was called off from the 5th degree and declared in labor from the 4th degree, and ready for the transaction of such business as may come before it.

The following committee on credentials was appointed: J. T. Eaton, C. L. Rountree and Jas. M. Wooten.

Moved by W. H. Powell, that any member present from a Grange not represented by a duly appointed delegate shall be received as the representative of said Grange. The motion prevailed.

On motion, reading of the minutes of last annual meeting was dispensed with.

On motion of J. A. Davis the order of business of last annual meeting was adopted as the government of this meeting until otherwise ordered.

Conferring the 5th degree on those applying for it was made the special order of business for tomorrow at 3 p. m.

The reports of officers (the Master's address excepted) was made the special order for this afternoon at 3 o'clock.

The hearing of the Master's address was made the special order for tomorrow at 9:30 a. m.

On motion the Grange took a recess till this afternoon at 3 o'clock.

FIRST DAY—AFTERNOON SESSION.
The Grange was called to order at 2 o'clock and declared in due form ready for business.

The following committee on order of business was announced: S. H. Rountree, H. A. Edwards and W. W. Arnold.

The time for hearing the reports of officers, as announced at the morning session, having arrived, the Secretary read his report, which was somewhat lengthy and shows the general condition of the order to be better than at last annual meeting—the initiations and other accessions being greater this year than last. The general condition of the order is encouraging.

The Treasurer read his report and showed that the finances are in good condition—there being more money on hand than at any one time since 1882.

Both the foregoing reports were received and referred to the committee on finance.

The General Report of the Executive Committee was then submitted to the committee, on motion was referred to the committee on Good of the Order.

The committee on Order of Business submitted their report, recommending that the order of business adopted last year be the order for the government of this annual meeting. The report was adopted.

The election of officers was made the special order for tomorrow at 11 a. m.

Dr. M. B. Pitt, Elias C. Blount and C. E. Kennedy were appointed committee on finance.

Bro. J. A. Davis invited discussion of those principles upon which the success of our order depends. He gave very strong reasons why the Grange should succeed.

The following committee on co-operation was appointed: J. A. Davis, Geo. Turner and J. M. Wooten.

Bro. J. I. Eaton then addressed the Grange on the subject of Grange work. He was followed by Bro. J. M. Wooten, who delivered a very interesting address on the same subject; introducing especially the subjects of education and co-operation.

On motion a recess was taken till 7 o'clock this evening.

FIRST DAY—EVENING SESSION.
The Grange was called to order by the Worthy Master, opened in form in the 4th degree and declared ready for the transaction of business.

The Secretary read the proceedings of the informal meeting of the State Grange held at Mt. Holly, Gaston county, Aug. 15, 1888. The proceedings contained the action of that meeting, endorsing a resolution of Temperance Hall Grange, condemning the cotton bagging trust, and calling upon farmers to use a substitute for jute bagging.

On motion the proceedings of the Mt. Holly meeting were made a part of the proceedings of this meeting and ordered to be inserted in the minutes of this annual session of the State Grange.

Bro. J. A. Davis made a few remarks on the subject of having a committee on legislation appointed by this State Grange.

Moved by Bro. Powell that a committee of three on legislation be appointed to look after matters of legislation pertaining to the interests of farmers, during the forthcoming meeting of the legislature. Pending the consideration of the motion, addresses were delivered by Bro. J. M. Wooten, Worthy Master Williams and others. The motion was unanimously adopted. On motion of Bro. Wooten the Worthy Master was added to said committee as chairman.

On motion of Bro. Powell a standing committee on legislation was appointed for this annual meeting: J. C. Wooten, J. M. Wooten and J. A. Davis.

Bro. Davis introduced the following

resolution which was unanimously adopted:
Resolved, That this State Grange now assembled in Kinston, hereby instructs the committee on legislation appointed to look after the interests of committee on legislation appointed to look after the interests of farmers during the forthcoming session of the State Legislature to memorialize that body in its next General Assembly, demanding of the Speaker of the House and of the Senate in the appointment of the committee on Agriculture that none but farmers be placed on said committee—those whose leading interest is farming and are actually engaged in agriculture, and that legislative committee ask the co-operation of members of the Farmers Alliance in said demand, and that we respectfully ask that the Hon. W. R. Williams be made chairman of the agricultural committee in the Senate.

The Worthy Master announced the following standing committee in addition to those appointed heretofore:
Agriculture—S. H. Rountree, Jas. Wall and Nathan Purser.
Fertilizers—H. L. Leggett, H. C. Laster and R. C. Strickland.
Transportation—J. W. Robinson, W. H. Powell and W. B. Nunn.
Good of the Order—J. M. Wooten, Allen Johnson and H. C. Edwards.
Education—J. T. Eaton, W. S. Bird and J. C. Wooten.
Constitution and By-Laws—J. C. Wooten, F. M. Haskins and C. L. Rountree.
Organ—N. T. Ridley, P. M. Beale and W. H. Powell.
Dormant Granges—D. M. Beal, Theophilus Stancill and Ivy Parker.
Access till tomorrow morning at 9:30 o'clock.

SECOND DAY—MORNING SESSION.
The State Grange was opened in due form for the transaction of business. The minutes of yesterday's proceedings were read and approved.

Master's address was then heard that being the special work set apart for this hour. The address was well formed and, in fact, was one of the best the present Master has ever delivered. We suppose it will be published. It ought to be read in every farmer's home. The address was referred to a special committee of three, consisting of J. A. Davis, J. M. Wooten and W. H. Powell.

The special work set apart for this morning being the election of officers, and the hour having arrived, the Grange proceeded to hold the election, the following being duly elected to serve the next two years:

Master, W. R. Williams, re-elected; Overseer, N. T. Ridley, re-elected; Lecturer, S. H. Rountree, Sr., Steward, G. L. Rountree, Assistant Steward, H. C. Lassiter; Chaplain, Rev. Wm. H. Grant, re-elected; Treasurer, W. H. Powell, re-elected; Secretary, H. T. J. Ludwig, re-elected; Gate Keeper, F. M. Haskins; Pomona, Miss Alpha Haskins; Flora, Miss Nora G. Pitt; Ceres, Miss Annie Henderson; L. A. Steward, Miss G. A. Gilliam.

W. H. Powell and N. T. Ridley were elected members of the Executive Committee.

Resolutions of respect to the memory of Bro. Joseph E. Porter, who died during the year, were introduced and adopted by a rising vote.

On motion the rule was suspended and a recess taken till 3 p. m.—Kinston Free Press.
