The disabled soldiers convention will German War Vessels Insult Americans. SAN FRANCISCO, January 19 - The Some very handsome opera chairs morning from Samoa. A correspondent writing from Apia, Samoa, under date of January 5, starting out with Stimson's mills cut three hundred state of affairs exists in Samoa gives particulars of the affair of December 18th, previously reported as to the main facts by telegraph. The correspondent summarizes his views as follows: On the night of December 18 some sailors from the German men-of-war Adler, Olsa and Eber attacked Mataafa's soldiers under direction of the German consul and Capt. Fritz, senior German officer in the port. As the result of the encounter 24 German sailors were killed and 32 wounded.

Since then German ships have burned American houses and flags, torn down United States flags, seized some American citizens in the neutral waters of Apia harbor, and taken them prisoners on board of German men-of-war. A command of an officer, have shot at the captain and lieutenant of an Eoglish man of-war.
