Under this plan the State's interest will be safe, and the Atlantic Road will be in better condition to receive the p. m. Sunday school at 3 p. m. N. C. R. at the expiration of the R. & D. lease than it will if it simply drags along as a local road. The additional subscription of five hundred thousand dollars will grade the extension from Goldaboro to Charlotte, then by mortgaging the entire line sufficient funds can be raised to shoroughly equip and put it inffirst class running order.

It is urged upon the part of the enemies of extension, though they profees to be great friends to it, that the additional mortgage would jeopardize sail on return trip Tuesday at 12 the State's interest in that it might not H. A. Jarman, Esq., of Onslow was be able to earn money enough to pay the interest on the bonds and a fore-T. E Gilman, Esq., Onslow's faithful closure would follow. Any one at all country through which the extension We are pleased to learn from the will pass, and the amount of freights Wilmington Messenger that the health paid at Charlotte over present lines, of Mgs. W. A. Hearne has been so far will not doubt for a moment that it restored as to enable her to join her will not only be able to pay interest on at least two millions of bonds, but will like to be "anywhere, anywhere out of the world?" Well, if you will only pay a dividend in addition. We are told by the Charlotte merchants that they pay over five hundred thousand dollars cians have at last come to the concluat the R. & D. warehouse and over three sion that the best medicine for teething hundred thousand dollars at the C. C. warehouse annually for incoming freights alone. It is safe to say that at reasonable rates Charlotte alone would pay out eight hundred thousand dollars annually, and the Atlantic Road could safely count on at least one-fourth of this, because being the nearest route to be thrown on a cold world, and the water, the freights could be carried revenue will dwindle. "Wantedby way of New Berne and Morehead Oity from all points North as cheap or a boy to keep up the supply. Will you cheaper than any other line can dare to help? Which of your boys will it be carry them.

The scheme is plausible and if carried into operation will when the N. O. R. comes back to the State enable it to bid defiance to all the giant corporations combined. We believe New Berne and Morehead City are about the only ports on the Atlantic coast that these great railsond lines do not control. There the South. The tendency is to consolidate the North and South lines and make all others subservient to the combinations, and when the "combine" is complete,as were learn it is in Charlotte

now, the people will pay for it.
