Cleanse the System
With that most reliable
medicine—Paine's Celery
Compound, it purifies the
blood, cures constipation,
regulates the liver and
kidneys, effectively clean-
ing the system of all waste
and dead matters.

DO IT NOW

Paine's Celery Compound
combines aro. nerve tonic and strengthening
qualities, ridding the system and organs
of all impurities. After trying
various remedies, and not finding relief, I tried
Paine's Celery Compound. Before taking one
full bottle the long continuance symptoms be-
gan to subside, and I can truly say now, that I
feel like a new man. Digestion has improved,
and I have gained ten pounds in weight since I
have commenced taking the Compound.

THE JOURNAL.
MARCH.
JAMES HILLY.

The storm-browed, brooding king is here!
His blast goes sweeping by,
And down the landscape, cold and drear,
Beneath a troubled sky.

O'er upland far and pasture land,
Traced by the brook's slow flow,
Where dreaming trees like spectres
stand

Above the rocks and snow,
The giant of the heathen world
Shrinks in his shiver note,
The last of all the months to hold
Old Winter's flag aloft.

Dark demon of the ruder band,
Bide fast and far to-day!
In changing shadows down the land,
First herald of the May!

Within the bosom of the mead,
The glad heart of the hill,
By greener glades, where away the
reed

When Summer drank the rill,
Divinely innocent of guile,
Now comes reluctant Spring,
With higher sun to dart ere while
The gray, old, famished king.

Hears the far coughing of the winds
In their low undertones,
As on her pallid brow she binds
The willow and the oose.

Flings back the fettered bands that gave
Nature to the tomb,
Preparing on her transient grave
Luxuriant fields to bloom.

And though the surging forests frown,
And earth looks cold and bare,
The gems of April's violet crown
The winds of March prepare.

I am satisfied that Cancer is hereditary in my family. My father died of it, a sister of my mother died of it, and my own sister died of it. My feelings may be imagined, when the horrible disease made its appearance on my side. It was a malignant Cancer, ending its way in such a way that it could not be cut out. Numerous remedies were used for it, but the Cancer grew steadily worse, until it seemed that I was doomed to follow the others of the family. I took Swift's Specific, which, from the first day, forced out the poison, and continued its use until I had taken several bottles, when I found myself well. I know that S. S. S. cured me.

Amongst the replies to an advertisement of a musical committee for a candidate as organist, music teacher," etc., was the following: "Gentlemen—I noticed your advertisement for an organist and music teacher, either lady or gentleman. Having been both for several years, I offer you my services."

IS CONSUMPTION INCURABLE!
Read the following: Mr. C. H. Morris, Newark, Ark. says: "Was down with Abscess of Lungs, and friends and physicians pronounced me an incurable Consumptive. Began taking Dr. King's New Discovery for Consumption, am now on my third bottle, and able to oversee the work on my farm. It is the finest medicine ever made."
Jesse Middewort, Decatur, Ohio, says: "Had it not been for Dr. King's New Discovery for Consumption I would have died of Lung Trouble. Was given up by doctors. Am now in best of health." Try it. Sample bottles free at R. N. Duff's Wholesale and Retail Drug Store, New Berne, N. C. \$8 per dozen, wholesale.

Inherited Blood Poison.
How many people there are whose distress from sores, sores, pains and eruptive tendencies are due to inherited blood poison. Bad blood passes from parent to child, and it therefore is the duty of husband and wife to keep their blood pure. This is easily accomplished by a timely use of B. B. B. (Botanic Blood Balm). Send to Blood Balm Co., Atlanta, for book of most convincing proof.

James Hill, Atlanta, Ga., writes: "My two sons were afflicted with blood poison, which doctors said was hereditary. They both broke out in sores and eruptions which B. B. B. promptly controlled and finally cured completely."
Mrs. S. M. Williams, Sandy, Texas, writes: "My three poor afflicted children, who inherited blood poison, have improved rapidly after a use of B. B. B. It is a Godsend."
J. R. Wilson, Glen Alpine Station, N. C., Feb. 18, 1888, writes: "Bone and blood poison forced me to have my leg amputated, and on the stump there came a large ulcer, which grew worse every day until doctors gave me up to die. I only weighed 120 pounds when I began to take B. B. B., and 19 bottles increased my weight to 180 pounds and made me sound and well. I never knew what good health was before."

Tutt's Pills
