COON AND POSSUM LITERATURE

Bro. Creecy Answers a Beston Letter and Pisosses Coons and Possums.
[From Economies.]

The distinguished President of the Coon and Possum Club has shown us the following letter from the land of "baked beans" which will explain itself. The President has answered the learned interrogatories of the Boston naturalist, no doubt satisfactorily, but has also permitted us, as a member of the order of coons, to notice the letter further. As we have a habit of beginning at the tail and and winding up at the beginning of a subject we will say imprimis; that a "Cat Coon," sometimes called "Coon Cat," (to be precise in addressing day." on of coal matters are solicited. No an erudite Hub doctor) is a hybrid, semiamphibious, graminiverous and carniverous animal. His hybridity is a combined production of a Thomas Cat and a swamp Coon, his "bushy tail" indicating his male ancestry in the Thomas line and his long nose showing his less distinguished but more practical maternal line. It is a tradition and doubtless a true one, as all the "bean" traditions are, that the founder of the family of the male line came over in the "Mayflower" and was reared in the family of the the man the collar.
