To the Citizens of New Berne. At a call meeting of the Board of Trade and citizens of New Berne, on Tuesday night, Mr. Coffin, the representative of the Manufacturers' Record . a well-known publication edited and published in Baltimore, Md., and devoted to the development of the manufacturing and general interests of the South, addressed the gentlemen present. After a brief introduction by Mr. Allen, Mr. Coffin said that speech-making was not in his line, but that he would endeavor to lay before the meeting some facts and figures. He said that people living in the South but in a faint measure appreciated their great and rapid progress and the untold undeveloped resources of the South that yet remained untouched. That the past three ern road last Sunday bound for Arkan months of the new year had outstripped sas. - On last Saturday and Sunday the last quarter of the old year very some of the mountains in the direction largely, and that the coming months of the Blue Ridge were covered with would show a much greater increase, snow, hence the cool weather here. -He spoke of the towns of the West that A fire occurred on last Saturday in the had under adverse surroundings and a vicinity of Gamewell P.
