PROGRESS.

It is very important in this age of vast material progress that a remedy be pleasing to the taste and to the eye easily taken, acceptable to the stomach and healthy in its nature and eff Possessing these qualities Syrup of is the one perfect laxative and goutle diuretic known.

Railroad Accident.

On Tuesday evening last as the freight train on the A. & N. C. R. was running into Morehead City at the rate of twenty or twenty-five miles an hour when within about six miles of the place the fastening of the front truck of the car strength. next to the tender broke loose and threw the truck back to the hindmost truck which became wedged in and was loaded, and on this account the coupling by get rid of the worthless curs. pin held it up and prevented what might have been a serious accident. Rev. Mr. Crawford and family, Mr. T. A. Green and family, Jno. C. Green and others were on as passengers.

The engineer reversed his engine as another fortunate circumstance was there by Saturday night. that Mr. Basil Manly, the master maand soon cleared the wreck. The engine ran on to Morehead City and returned in a few minutes with a Pullman car and took the passengers on with but little delay. And

The Quaker Bridge Road.

Parties from Onslow county inform us that in the wet weather parts of the Quaker Bridge road become impassable. never was completed as the commissioners directed and as it should have been. Had it been done as they directed, the road would be passable now and would have been passable for a long time to come with proper attention.

There is a move on foot to raise a few to put the road in proper condition, Considerable of that amount has been pledged in the city of New Berne. Now in proportion, the money will be raised and ready for the first dry weather to go to work on the road.

It ought and must be done before the 1st of October if done at all this fall. The first dry time should be seized upon road, where it was uncompleted by the State, what the balance of it is. We trust Messrs. Mills, Franks, Koonce, Sanderlin, Venters, Stephens, Duffy and others will look after the matter at hands.

The steamer Kinston will leave her wharf today at 10 o'clock, for Neuse effect. The first symptoms of her apriver landings and Kinston.

The steamer Annie of the E. C. D. line arrived yesterday with a cargo of general merchandise and will sail this afternoon at 4 o'clock. The Eaglet of this line will arrive tomorrow morning.

First a Pigmy-Anon a Glant. We are too apt to regard a small ailment much as we would some pigmy, We ignore the fact that it grows prodigiously, strengthens in proportion, and begets evil progeny. A fit of indi-gestion, a slight bilious attack, sensa-tions of unrest and languer when the system should have been braced by recent sleep, unaccountable nervousness inactivity of the kidneys or bladderwhat are these but the precursors of obstinate and serious bodily disturbance? In either of the above emergencies, common sense and experience unite in indicating Hostetter's Stomach Bitters as the best preventive. Par-ticularly should its use be prompt when the languor, yawning, chilliness down the back, and feverishness that precede a malarial attack, manifest themselves.
Incipient rheumatism grows apace.
Don't neglect it. So with constipation
and debility.

NORTH CAROLINA NEWS.

From the State Papers.

Goldsboro Argus. It is very gratifying to us all to know that our esteemed townsman, Hon. W. T. Dortch, is rapidly gaining his wonted health and

dressed the wounds of a little boy, Wednesday, who was badly bitten by a dog. After we shall have a case or two eventually thrown around across the of hydrophobia, somebody will want to cross ties. Fortunately this car was not know why we don't tax the dogs, there-

Raleigh Calt: Some of the prisoners in the county jail are very impertinent and defiant. Some chisels and files were found in the cells yesterday. whereupon some of the itimates said that the white folks were getting mighty "bigity" to come into their private bed rooms and search them, soon as the accident occurred. And and that they would have more files in

Mount Olive Telegram: Mr. E. J. Martin's little boy. 14 months old, and by the remaining partners, to wit swallowed a lot of kerosene oil last E. B. Hackburn and W. C. Willett, Monday and was very sick all day from the effects of it. Dr. I. W. Faison attended the little sufferer and pronounced him all right at this time. Tuesday morning .- The crops are finer in Johnston courts than they have been in some years.

Asheville Journal News was received in the city this morning to the effect that Col. J. Roger Page, a prominent lawyer and editor of the Times Register, at Marian, N. C., was shot last night about twelve o'clock and instantly killed. The report that reached the city was to the effect that Col. Page It will be remembered that the road had been too intimate with a Mrs Butts, and that the shooting was done by either the husband or by a brother of the lady. He was shot in the need just as he was about to take the train for the press convention who happets at Lenoir.

News and Observer J. H. . Walton father in law of Scott Partin, had three hogs and a goode Little by lightning hundred dollars by private subscription Monday. He lives in Swift Creek township .- Yesterday morning Mr. R. W. Crews, of the construction force of the new Postal Telegraph Company, met with a serious accalent. He was if our Richland friends will do as well boring holes in a telegraph pole opposite the new office of the company when in some way he slipped and fell. He caught on one of the hooks used for steps and received a terrible gash in the abdomen which came very near proving fatal.

Wilmington Messenger: An interesting and sympathetic letter from W. P Fife, Esq., the "drummer reviva!ist, informs us that at Fulmore, in Robeson county, he has been conducting a series of meetings with great results. There were 300 white 145 colored persens who confessed Christ and gave him their He says be adopts the same plan Mr. Pearson does. In one day 130 came forward. He says: "The neighborhood young men went to work and built me a tabernacle in which to hold service, and of the committee that invited me four of the five were whiskey drinking church members. I go to

Wilmington Star: The "Elixir of Life" has been found-at least the darkeys of Brooklyn think so-in the waters that gush forth in unending flow from the artesian well of the Clarendon Water Works Company at Hilton. The water comes from a depth of about five hundred feet, is cool and clear as crystal, and is not altogether unpleasant to the taste of those who Mrs. Clem Manly is spending the profess a fondness for the mineral waters of the shops, although it is a trifle saline and chalky. But the darkeys who drank it first out of curiosity. and then learned to like it, say that its use has effected marvellous cures of dyspepsia, liver complaint and kindred ills that flesh is heir to, and the fame of its wonderful curative powers is rapidly spreading throughout the city. Crowds of colored people visit the well daily and carry off quantities of the water to their homes, and it would be bitter disappointment to many of arrived last night. He brings the sad them if the further progress of the work should necessitate the shutting off of the present flow from the well,

Charlotte Chronicle: Dr. A. M. Herron, of Steel Creek, was in the city yesterday, and told a Chronicle re-porter of the horrible death Monday morning, at one o'clock, of a negro girl, twelve years old, named Core Herron, daughter of Anderson Herron of Steel Creek. The girl was bitten by a mad dog about 3 weeks ago. Butler's mad-stone was applied, but had no proaching fearful death was a slight headache, which gradually increased in severity until she fell into convulsions towards the end. She drank no water, nor anything else. for two days previous to her death. If the word 'water" was mentioned in her presence, she would appear to be suffocated and gasp for breath. If a glass of water was held before her she would go into convulsions. During these she would foam at the mouth and snap with her teeth, after the fashion of a dog. Her father, a strong man, held her with her arms pinioned under his during the last three or four agonized hours of her life, until her limbs relaxed and he knew that she was dead.
